Title 42
Legislative Rule
West Virginia Division of Labor
Series 25

Crane Operator Certification Act
Practical Examination

§42-25-1. General.

- 1.1. Scope. This legislative rule governs the practical examination of crane operators in accordance with W.Va. Code §21-3D-1 et seq, and W.Va. Code §29A-3-1 et seq.
- 1.2. Authority. W.Va. Code §21-3D-3(1).
- 1.3. Filing Date.
- 1.4. Effective Date.

§42-25-2. Application and Enforcement.

- 2.1. Application. This legislative rule applies to the West Virginia Division of Labor and all persons, materials and transactions governed or otherwise defined under coverage of the Crane Operator Certification Act, W.Va. Code §21-3D-1 et seq. as it relates to the practical examination of crane operators.
- 2.2. Enforcement. The enforcement of this legislative rule is vested with the West Virginia Division of Labor.

§42-25-3. Definitions.

- 3.1. "Class A certification" means a certification issued to a person who has met all national level certification criteria as required by the National Commission for the Certification of Crane Operators (NCCCO).

- 3.2. "Class B certification" means a certification issued to a person who has met all state level certification criteria as required by the commissioner.
- 3.3. "Commissioner" means the commissioner of labor.
- 3.4. "Division" means the West Virginia Division of Labor.
- 3.5. "Approved training course" means a training course which has been reviewed and certified by the commissioner as complying with the requirements of section eight of the Division of Labor Rule, Crane Operator Certification Act, 42CSR24.

§42-25-4. Adoption of standards.

- 4.1. National standards. For the enforcement of this rule, the American National Standards Institute (A.N.S.I.) code B30 and B30.5 are hereby incorporated by reference.
- 4.2. State standards. [RESERVED]

§42-25-5. Practical examination.

- 5.1. On or after the first day of September, two thousand-one, an applicant for a class A crane operator certification shall hold a certification issued by the National Commission for the Certification of Crane Operators (NCCCO). The NCCCO requires and administers its own practical examination.
- 5.2. On or after the first day of September, two thousand-one, an applicant for a class B certification shall pass a practical examination as defined in this rule. *Provided, That,* A person who documents the successful completion of an approved training course and makes application prior to September 1, 2001 is entitled to certification without a practical examination.
- 5.3. The practical examination as required by the National Commission for the Certification of Crane Operators (NCCCO) is hereby incorporated by reference as the state practical examination required for class B crane operator certifications. The commissioner may authorize the use of an equivalent practical examination when the equivalent examination has been found to meet or exceed the requirements of the NCCCO examination.
- 5.4. The commissioner shall arrange for administering the practical examination through authorized examiners. The practical examination shall be given in three basic categories:

- (a). Lattice Boom Crane (truck or crawler);

- (b). Telescopic Boom Crane (5 to 17.5 tons capacity); and
- (c). Telescopic Boom Crane (greater than 17.5 tons capacity).

5.5. The practical examination shall consist of four primary exercises or tasks:

- (a) Task 1 – The rotation and placement of the overhaul ball in a designated stop circle;
- (b) Task 2 – The following of hand signals;
- (c) Task 3 – The rotation and placement of the overhaul ball in a fixed enclosure (barrel); and
- (d) Task 4 – The negotiation of a zigzag corridor with a test weight.

The combination of these four tasks is designed to evaluate the applicant's skills. The skills tested are: hoisting, booming, swinging, following hand signals, and combination (multi-function) operations. Crane operations with load and without load are required.

§42-25-6. Examiners.

6.1. The commissioner may approve and designate examiners to administer the practical examination required for a class B crane operator certification. A person desiring to become an approved examiner shall make application to the commissioner on a form provided by the commissioner. The applicant shall hold a full and current accreditation from the NCCCO as a practical examiner or the equivalent as approved by the commissioner. A copy of the accreditation certificate shall accompany the application.

6.2. An approved examiner shall administer all practical examinations in accordance with the practical examination requirements of the NCCCO or equivalent program as approved by the commissioner.

6.3. An approved examiner may charge examination fees authorized by the commissioner. The applicant shall pay all applicable fees directly to the approved examiner.

6.4. The approved examiner shall provide the applicant with an official document depicting the final results of the practical examination.

(a). If the applicant successfully completes the practical examination, the examiner shall notify the applicant and forward a copy of the notice to the commissioner.

(b). An applicant who fails the practical examination may request and the examiner shall provide the applicant with an analysis of his or her performance on the failed examination. An applicant who fails the practical examination shall be afforded the opportunity to be re-examined after thirty (30) days and upon the submission of a new application and the payment of the required fees.

6.5. The division shall make available a list of approved examiners registered with the division. A person desiring a practical examination shall contact the examiner of his or her choice and schedule the examination.
