Dear Governor Justice:

Pursuant to W.Va. Code §30-1-12(b), the West Virginia Board of Accountancy is hereby submitting its Annual Report for the preceding fiscal periods, ended June 30, 2018 and June 30, 2019.

To protect the public interest in receiving accurate and reliable financial information and assurance, certified public accountants, public accountants, and accounting firms are required to be licensed. The Board is charged with the administration and enforcement of the provisions of the West Virginia Accountancy Law, West Virginia Code Chapter 30, Article 9 governing Certified Public Accountants and Registered Public Accountants as last amended and re-enacted March 7, 2016, by the West Virginia Legislature (S.B. 271) in its 2016 regular session. The re-enacted Accountancy law made provisions to redefine attest services, protect board members from civil liability, require a new licensee to submit to a criminal history record check, and require mandatory training in federal antitrust law and state action immunity for members of the Board and their representatives from the Attorney General's office.

The Exhibits for the type of information required by West Virginia Code are attached to this letter. If you have any questions or comments, please contact the Board office at (304) 558-3557.

Respectfully submitted,

Robin M. Baylous, CPA, President
