## **SUMMARY OF FACTS AND CIRCUMSTANCES**

### **FACTS**

The National Voter Registration Act of 1993 required all states to implement voter registration at public assistance agencies and through state-funded program whose primary purpose was to serve persons with disabilities. S.B. 520, passed in 1994, established these requirements as state law and provided for a rule-making process to identify the agencies required to provide these services beginning January 1, 1995.

### **CIRCUMSTANCES**

West Virginia Code §3-2-13 requires a reevaluation of agencies designated to provide voter registration services and the refiling of the rule making changes, if any, to these designated agencies. The Secretary of State has contacted the various agencies of state government to identify any changes, additions or deletions of appropriate programs and office sites. No changes, additions or deletions were reported.
