OFFICE OF TAX APPEAL DECISIONS		
NO.	**SYNOPOSIS**	**DATE ISSUED**
11-308 RPD	**WEST VIRGINIA OFFICE OF TAX APPEALS -- BURDEN OF PROOF --** In a hearing before the West Virginia Office of Tax Appeals on a petition for refund, the burden of proof is upon the Petitioner to show that he or she is entitled to the refund requested. *See* W. Va. Code Ann. § 11-10A-10(e) (West 2010); W. Va. Code R. § 121-1-63.1 (2003). **PERSONAL INCOME TAX -- WEST VIRGINIA ADJUSTED GROSS INCOME OF RESIDENT INDIVIDUAL --** The statutory law of the State of West Virginia explicitly excludes from state income tax those pensions and annuities paid to retired West Virginia police officers, West Virginia firemen, West Virginia state police and West Virginia deputy sheriffs. *See* W. Va. Code Ann. § 11-21-12(c)(6) (West 2010). **PERSONAL INCOME TAX – EXCLUSION FOR RETIRED FEDERAL LAW ENFORCEMENT OFFICERS --** A person who proves that he or she worked as a federal law enforcement officer, and did not qualify to receive social security benefits while working in that job, may exclude all of his or her federal retirement income from that job for purposes of the West Virginia personal income tax. *See Dodson v. Palmer*, Civil Action No. 00-C-AP-10 (Monongalia County Cir. Ct. W. Va. 2000). **ELIGIBILITY DEFINED OF FEDERAL LAW ENFORCEMENT OFFICER** -- The Federal Office of Personnel Management has defined a federal law enforcement officer to mean an employee whose job duties are primarily the investigation, apprehension, or detention of individuals suspected or convicted of offenses against the criminal laws of the United States, including an employee engaged in this activity who is transferred to a supervisory or administrative position. *See* 5 C.F.R. § 831.902 (2011); *See* also 5 C.F.R. §§ 831.901 and 831.903 (2011). **PERSONAL INCOME TAX – ELIGIBILITY ESTABLISHED OF FEDERAL LAW ENFORCEMENT OFFICER --** Petitioner has established his special retirement eligibility as a federal law enforcement officer in that, as an employee, his job duties are primarily the investigation, apprehension, or detention of individuals suspected or convicted of offenses against the criminal laws of the United States, including an employee engaged in this activity who is transferred to a supervisory or administrative position. The federal government has distinguished such law enforcement officers from other civil service employees, including military personnel, in that the federal law enforcement officer's retirement is calculated using an altogether different formula from the one used to calculate other federal civil service employees' retirement benefits. **PERSONAL INCOME TAX – QUALIFICATIONS FOR EXCLUSION OF FEDERAL RETIREMENT INCOME --** To qualify for special retirement eligibility as a federal law enforcement, Petitioner, as a duly-retired officer of the United States Secret Service, submitted evidence showing that his duties are commensurate with that as a law enforcement officer, that his retirement system is separate and apart from the social security retirement program and that Petitioner, having not paid social security taxes while employed, cannot receive social security benefits. **PERSONAL INCOME TAX -- BURDEN OF PROOF MET --** Petitioner has carried the burden of proof with respect to the issue of whether he is entitled to the same treatment as the taxpayer in the *Dodson* ruling discussed above because Petitioner does not qualify to receive social security benefits as a federal law enforcement officer.	5/2/2012

WHEREAS, subsection (g), section six, article five, chapter fifteen of the Code of West Virginia expressly authorizes the Governor "[t]o suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business or the orders, rules or regulations of any state agency, if strict compliance therewith would in any way prevent, hinder, or delay necessary action in coping with the emergency"; and

EXECUTIVE ORDER NO. 10-12

By the Governor

WHEREAS, West Virginia recognizes the exceptional benefits and opportunities natural gas vehicles present to encourage an energy future utilizing domestic natural resources to fuel our State's and our nation's transportation needs; and

WHEREAS, West Virginia is fortunate to be blessed with substantial natural gas deposits, and is one of the leading producers of natural gas in the nation; and

WHEREAS, the United States is one of the world's foremost natural gas producers; however, our nation has not invested the resources necessary to develop a robust transportation infrastructure designed for vehicles fueled by natural gas; and

WHEREAS, natural gas fuels 12.7 million vehicles worldwide, but only approximately 124,000 of those vehicles are located in the United States; and

WHEREAS, the State of West Virginia operates more than 6,500 vehicles fueled primarily by gasoline or diesel fuels blended from foreign oil, contributing to our nation's dependence on foreign oil; and

WHEREAS, utilization of natural gas vehicles by the State of West Virginia would support expansion of an alternative fuel market having the potential to provide a significant savings to the State; and

WHEREAS, school systems throughout the State could realize substantial savings by utilizing natural gas-fueled school buses; and

WHEREAS, in order for West Virginia to maximize the opportunities presented by the operation of natural gas-fueled vehicles, our State must collaborate with private industry to encourage construction of natural gas fueling stations and related infrastructure; and

WHEREAS, constructing natural gas fueling stations will not only allow the State and its political subdivisions to save hundreds of thousands of dollars per year in fuel costs, it will also help connect West Virginia to surrounding states' natural gas fueling infrastructure, thereby allowing travelers continuity in their excursions; and

WHEREAS, advancements in drilling and production technologies, coupled with substantial investments by natural gas producers, have increased the domestic supply of reliable, inexpensive natural gas to the point that conversion of diesel-fueled fleets to natural gas-fueled fleets gives rise to a policy issue that cannot be ignored and must be carefully analyzed by the State; and

WHEREAS, our great State is poised and ready to assess the feasibility of transitioning toward fueling vehicles with natural gas and developing a supporting infrastructure.

NOW, THEREFORE, I, EARL RAY TOMBLIN, by virtue of the authority vested in me as Governor of the State of West Virginia, do hereby **ORDER** that:

1. The Natural Gas Vehicle Task Force ("Task Force") is hereby constituted, the members of which shall serve at the will and pleasure of the Governor.

(g) Fourteen (14) citizen members appointed by the Governor; and

(h) Such additional members as the Governor, at his discretion, may from time to time appoint.

3. The citizen members of the Task Force shall be persons who have education, experience or specialized knowledge regarding the natural gas industry, alternative fuels, coal, and petroleum marketing, transportation, and safety.

4. Members of the Task Force may not designate individuals to serve in their place without the express consent of the Governor.

5. The Task Force shall have the following duties:

(a) Perform an analysis of the cost savings that could be realized by governmental entities that convert gasoline or diesel-fueled vehicles to natural gas-fueled vehicles;

(b) Perform a cost-benefit analysis between converting West Virginia's current fleet of State vehicles to a natural gas fueling system and purchasing original equipment manufacturer (OEM) vehicles fueled by natural gas;

(f) Examine options for modernizing the motor fuel excise tax to address natural gas vehicles; and

(g) Develop a communications strategy to educate the citizens of West Virginia about the economic, environmental, and safety benefits of operating vehicles fueled by natural gas.

6. The Task Force shall have all such other general powers and perform such other acts as deemed reasonably necessary and proper to carry out the aforementioned duties.

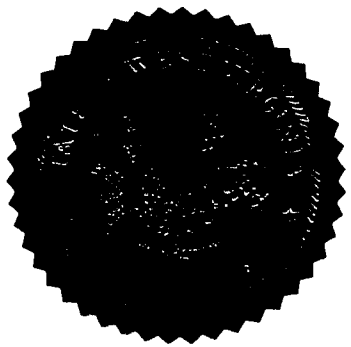

7. The Task Force shall hold regular meetings and shall conduct and regulate such meetings and other activities in accordance with the procedures it adopts at its first meeting, which meeting shall be scheduled and presided over by the chairperson designated by the Governor from among the members of the Task Force.

8. The Task Force may establish such subcommittees as it deems necessary and convenient to carry out the provisions of this Executive Order.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of West Virginia to be affixed.
