

NOTICE OF EXTENSION
OF
EMERGENCY REGULATIONS

January 16, 1985

Pursuant to the provisions of Chapter 29A, Article 3, Section 15, Subsection (b) of the Code of West Virginia, 1931, as amended, the West Virginia Department of Highways desires to extend the effective period an additional 180 days for emergency legislative rules heretofore filed in the office of the Secretary of State on July 27, 1984, pertaining to Series VII, "Transportation of Hazardous Wastes by Highway Transporters."

The West Virginia Department of Highways has complied with all provisions of Section 15 regarding this procedure.

GOVERNOR

January 16, 1985

Honorable Ken Hechler
Secretary of State
State Capitol Building
Charleston, West Virginia 25305.

Dear Secretary Hechler:

On July 27, 1984, the West Virginia Department of Highways filed in the State Register emergency legislative rules relating to the filing of Series VII, "Transportation of Hazardous Wastes by Highway Transporters," which apply to all persons transporting and/or offering hazardous wastes by vehicle upon the roads and highways of this state if the transportation requires a manifest under Section 6 of the regulations of the Department of Natural Resources implementing the State Hazardous Waste Management Act or if the transportation requires a manifest under the provisions of 40 CFR Part 262.

In accordance with the provisions of West Virginia Code 29A-3-15(b), we are today filing notice of extension of these emergency legislative rules for an additional period of 180 days. Please stamp and return one copy to this office.

Sincerely yours,

A handwritten signature in cursive script that reads "Fred VanKirk".

Fred VanKirk
State Highway Engineer-
Acting Commissioner
