EMERGENCY RULE DECISION
(ERD 1-99)

AGENCY: DIVISION OF HIGHWAYS
RULE: AMENDMENTS, SERIES 7, TRANSPORTATION OF HAZARDOUS WASTES UPON THE ROADS AND HIGHWAYS

FILED AS AN EMERGENCY RULE: APRIL 12, 1999

- par. 1 The Division of Highways (Division) has filed the above amendment to an existing rule as an emergency rule.
- par. 2 West Virginia Code 29A-3-15a requires the Secretary of State to review all emergency rules filed after March 8, 1986. This review requires the Secretary of State to determine if the agency filing such emergency rule: 1) has complied with the procedures for adopting an emergency rule; 2) exceeded the scope of its statutory authority in promulgating the emergency rule; or 3) can show that an emergency exists justifying the promulgation of an emergency rule.
- par. 3 Following review, the Secretary of State shall issue a decision as to whether or not such an emergency rule should be disapproved [29A-3-15a].
- par. 4 (A) Procedural Compliance: WV Code 29A-3-15 permits an agency to adopt, amend or repeal, without hearing, any legislative rule by filing such rule, along with a statement of the circumstances constituting the emergency, with the Secretary of State and forthwith with the Legislative Rule-Making Review Committee (LRMRC).
- par. 5 If an agency has accomplished the above two required filings with the appropriate supporting documents by the time the emergency rule decision is issued or the expiration of the forty-two day review period, whichever is sooner, the Secretary of State shall rule in favor of procedural compliance.
- par. 6 The Division filed this emergency rule with supporting documents with the Secretary of State April 12, 1999 and with the LRMRC April 12, 1999.

par. 7 It is the determination of the Secretary of State that the Division has complied with the procedural requirements of WV Code §29A-3-15 for adoption of an emergency rule.

par. 8 (B) Statutory Authority -- WV Code §22-18-7(a) reads:

(a) The commissioner of the division of highways, in consultation with the director, and avoiding inconsistencies with and avoiding duplication to the maximum extent practicable with legislative rules required to be promulgated pursuant to this article by the director or any other rule-making authority, and in accordance with the provisions of §29A-1-1 et seq. of this code, shall promulgate, as necessary, legislative rules governing the transportation of hazardous wastes by vehicle upon the roads and highways of this state. Such legislative rules shall be consistent with applicable rules issued by the federal department of transportation and consistent with this article: Provided, That such legislative rules apply to the interstate transportation of hazardous waste within the boundaries of this state, as well as intrastate transportation of such waste.

par. 9 It is the determination of the Secretary of State that the Division has not exceeded its statutory authority in promulgating this emergency rule.

par. 10 (C) Emergency -- WV Code 29A-3-15(f) defines "emergency" as follows:

(f) For the purposes of this section, an emergency exists when the promulgation of a rule is necessary for the immediate preservation of the public peace, health, safety or welfare or is necessary to comply with a time limitation established by this code or by a federal statute or regulation or to prevent substantial harm to the public interest.

par. 11 There are essentially three classes of emergency broadly presented with the above provision: 1) immediate preservation; 2) time limitation; and 3) substantial harm. An agency need only document to the satisfaction of the Secretary of State that there exists a nexus between the proposal and the circumstances creating at least one of the above three emergency categories.

par. 12 The facts and circumstances as presented by the Division are as follows:

This filing is necessary to comply with time limitations established by changes to federal statute, 40 CFR and 49 CFR. Subsequently 33CSR20, Hazardous Wastes, was changed with the passage of HB 2533 which the Governor signed on April 2, 1999. The effective date is July 1, 1999.

Non-compliance with the aforementioned code will jeopardize full federal funding of West Virginia's hazardous waste program, which could impact the public health and safety.

par. 13 It is the determination of the Secretary of State that this proposal qualifies under the definition of an emergency as defined in §29A-3-15(f) . . . time limitation and loss of federal funds.

par. 14 This decision shall be cited as Emergency Rule Decision 1-99 or ERD 1-99 and may be cited as precedent. This decision is available from the Secretary of State and has been filed with the Division of Highways, the Attorney General and the Legislative Rule Making Review Commission.
