REGULATION OF CREDIT LIFE INSURANCE AND
CREDIT ACCIDENT AND SICKNESS INSURANCE

1992 AUG 10 AM 8:41

OFFICE OF WEST VIRGINIA
SECRETARY OF STATE

§ 114-6-1. General.

1.1. Scope. -- The purpose of this regulation is to set forth requirements to be followed by insurers which are transacting credit life insurance and credit accident and sickness insurance in West Virginia for the protection of West Virginia debtors who are participating in such insurance.

Subsection (e), section nine, article six, chapter thirty-three of the West Virginia Code of 1931 authorizes the Insurance Commissioner to disapprove any form ". . . if the benefits provided therein are unreasonable in relation to the premium charged." After review of credit life and credit accident and sickness insurance transactions in West Virginia, and after careful analysis of the studies and recommendations of the National Association of Insurance Commissioners, it is hereby ruled that benefits are not unreasonable in relation to premiums as provided for in subsection (e), section nine, article six, chapter thirty-three of the West Virginia Code, if a loss ratio of fifty percent (50%) can reasonably be expected to be developed. Reporting forms required to be filed annually will be used to determine if this standard is being met. This regulation encompasses the rates, the coverages, and general practices of insurers transacting credit life insurance and credit accident and sickness insurance in the State of West Virginia. All life insurance and all accident and sickness insurance in connection with loans or other credit transactions shall be subject to the provisions of this regulation, except such insurance in connection with a loan or other credit transaction of more than ten (10) years' duration; nor shall insurance be subject to the provisions of this regulation where the issuance of such insurance is an isolated transaction on the part of the insurer not related to an agreement or a plan for insuring debtors of the creditor.

1.3. Filing Date. --

1.4. Effective Date. --

All credit life and credit accident and sickness insurance rates and forms, delivered or issued for delivery on and after March 1, 1969, except as hereinafter provided, shall conform to the provisions of this regulation as of that date. Existing group credit life and credit accident and sickness insurance contracts that are renewed, reissued or replaced other than on their normal anniversary date of issue and all group credit life and credit accident and sickness insurance contracts newly issued to replace or supplement a creditor's existing insurance program or supplement a creditor's existing insurance program on or after September 27, 1968, shall conform to the requirements of this regulation on and after March 1, 1969. 4.2. Commencement date where evidence of insurability required. -- Where evidence of insurability is required and such evidence is furnished more than thirty (30) days after the date when the debtor becomes obligated to the creditor, the term of the insurance may commence on the date which the insurance company determines the evidence to be satisfactory and in such event there shall be an appropriate refund or adjustment of any charge to the debtor for insurance. In all cases of termination prior to scheduled maturity, a refund shall be paid or credited as provided in Section ~~6-6~~ 6.8 of this regulation.

§ 114-6-5. Provisions of Policies, Certificates, Applications and Notices of Proposed Insurance.

5.1. Policy or certificate required. -- All credit life insurance and credit accident and sickness insurance shall be evidenced by an individual policy, or in the case of group insurance by a certificate of insurance, which individual policy or group certificate of insurance shall be delivered to the debtor.

5.2. 5.3. Delivery. -- Said individual policy or group certificate of insurance shall be delivered to the insured debtor at the time the indebtedness is incurred except as hereinafter provided. If said individual policy or group certificate of insurance is not a copy of the application for such policy or a notice of proposed insurance, signed by the debtor setting forth the name and home office address of the insurer, the name or names of the debtor(s), the premium or amount of payment by the debtor, if any, separately for credit life insurance and credit accident and sickness insurance, the amount, term and brief description of the coverage provided, shall be delivered to the debtor at the time such indebtedness is incurred. used for the provisions thereof: Provided, That the name of the debtor proposed for insurance, any figures relating to the amount of the coverage, and the rate or amount of payment for insurance by the debtor need not be contained in a separate provision of the instrument but may be set forth elsewhere in the instrument. Upon acceptance of the insurance by the insurer and within forty-five (45) days of the date upon which the indebtedness is incurred, the insurer shall cause the individual policy or group certificate of insurance to be delivered to the debtor. Said application or notice of proposed insurance shall state that upon acceptance by the insurer, the insurance shall become effective as provided in Section 4 [§ 114-6-4] of this regulation.

5.4. Substituted insurer. -- If the named insurer does not accept the risk, then and in such event the debtor shall receive a policy or certificate of insurance setting forth the name and home office address of the substituted insurer and the amount of the premium to be charged and if the amount of premium is less than that set forth in the notice of proposed insurance an appropriate refund shall be made.

§ 114-6-6. Rates and Refunds of Credit Life Insurance and Credit Accident and Sickness Insurance.

6.1. Credit life insurance. - Prima facie reasonable rates. -- A West Virginia ~~Insurance Statute~~ insurance statute (subsection (e), section ~~thirty-three~~ nine, article six, chapter ~~nine~~ thirty-three of the West Virginia Code) provides that the Commissioner shall disapprove any form of policy, application, rider or endorsement or withdraw any previous approval if the benefits provided therein are unreasonable in relation to the premium charged. A single premium rate of sixty-five cents (\$.65) per annum per one hundred dollars (\$100) of decreasing term life insurance discounted at three percent (3%) per annum for interest and mortality after the first twelve (12) months (or its actuarial equivalent if other than single premium) shall be deemed prima facie reasonable and any rate in this amount or less will be approved without statistical justification. A premium payable monthly at a rate of one dollar (\$1.00) per one thousand dollars (\$1,000) of outstanding unpaid insured indebtedness or a single premium of one dollar and twenty cents (\$1.20) per annum per one hundred dollars (\$100) of level term credit life insurance, shall be deemed the actuarial equivalent of the sixty-five cent (\$.65) rate.

A single premium rate of one dollar (\$1.00) per annum per one hundred dollars (\$100) of decreasing term joint life insurance discounted at three percent (3%) per annum for interest and mortality after the first twelve (12) months (or its actuarial equivalent if other than single premium) shall be deemed prima

facie reasonable and any rate in this amount or less will be approved without statistical justification.

For dismemberment benefit, the rate shall be not more than five cents (\$.05) per one hundred dollars (\$100) per annum.

6.2. Credit life insurance - Exceptions, exclusions and limitations on coverage. -- Such rates as referred to in Section 6.1 of these rules, will be presumed reasonable only if the policies contain no exceptions, limitations or exclusions other than for suicide and which ~~contains~~ contain no age restrictions, or only age restrictions making ineligible for the coverage, debtors sixty-five (65) or older at the time the indebtedness is incurred, or debtors who will have attained age sixty-six (66) or over on the maturity date of the indebtedness.

6.3. Accident and sickness insurance - Prima facie reasonable rates. -- For credit accident and sickness insurance the following single premium rates per one hundred dollars (\$100) of initial insured indebtedness shall be deemed prima facie reasonable: (See Table 114.6A found at the end of this regulation.)

Rates for policies of credit accident and sickness insurance on which premiums are paid other than on a single premium basis or for benefits on a basis other than illustrated above shall be actuarially consistent with the rates specified above.

6.4. Credit accident and sickness insurance - Exceptions, exclusions and limitations on coverage. -- The premium rates referred to in Table 114.6A, Schedule A, Section 6.3 of these rules are for policies which contain no exclusion for preexisting conditions except for those conditions which manifested themselves to the insured by requiring medical diagnosis or treatment within the six (6) months preceding the taking of the application for insurance and which caused loss within six (6) months following the effective date of coverage: Provided, That disability commencing thereafter resulting from such conditions shall be covered.

The premium rates referred to in Table 114.6A, Schedule B, Section 6.3 of these rules are for policies which contain no exclusions for preexisting conditions.

Any contract to which the foregoing rates apply may contain provisions excluding or restricting coverage in the event of total disability resulting from pregnancy, intentionally self-inflicted injuries, foreign travel or residence, flight in nonscheduled aircraft, war or military service. (Except in unusual cases such insurance should not be sold to military persons, since their pay continues through periods of disability.) The policies may contain the same age limitation for eligibility as set forth for credit life policies.

6.5. Premium payment. -- The amount charged to a debtor for credit life or credit accident and sickness insurance shall not exceed the premiums charged by the insurer as computed at the time the charge to the debtor is determined.

6.6. Restrictive coverage. -- Separate rate filings required. -- If credit life or credit accident and sickness coverage is offered which is more restrictive than provided in Sections 6.2 and 6.4 of this regulation, the insurer shall, by a separate filing, demonstrate to the satisfaction of the Commissioner that the schedule of premium rates applicable to such forms will or can reasonably be expected to produce a loss ratio of fifty percent (50%).

6.7. Deviations from prima facie reasonable rates. -- An insurer may receive approval of a higher premium rate to be used, on a credible case, or a class of business, or in connection with a particular policy form, for insurance on debtors of creditors if the insurer demonstrates, to the satisfaction of the Commissioner, that the mortality or morbidity experience will or can reasonably be expected to produce a loss ratio of fifty percent (50%): Provided, That a loss ratio of less than sixty percent (60%) shall not be considered for purposes of an upward deviation.

6.8. ~~Refund Refunds.~~ -- With respect to policies issued and certificates delivered ~~after the effective or operative date of~~ subject to this regulation:

6.8.b. The refund of an unearned amount paid by or charged to the debtor for insurance in the case of reducing term credit life insurance or of credit accident and sickness insurance, on which the insurance charges to the debtor are paid in a single sum shall not be less than the amount computed by the "Sum of the Digits" formula, commonly known as the "Rule of 78."

6.8.c. A premium refund or credit need not be made if the amount thereof is less than one dollar (\$1.00).

6.8.d. A creditor, such as a retailer, lending institution or other entity, that is a creditor in a consumer credit sale or consumer loan and the seller of credit insurance on that loan must automatically cancel such insurance and refund unearned consumer credit insurance premiums when a consumer credit sale or consumer loan, refinancing, or consolidation is paid in full.
