**RE: 114CSR14 Emergency Rule Amendment**

Dear Judy:

On September 13, 2005, this office filed an amendment to our emergency rule designated 114CSR14. The only amendment was to strike language in subdivision c of subsection 1.1 which excluded Workers' Compensation Insurance from the provisions of the rule. After further consideration I believe that the applicability of this rule to Workers' Compensation Insurance is a more complicated matter, perhaps requiring more specific amendments relating to exactly how it applies (if we ultimately determine that it should apply).

Therefore, please accept this letter as a request on behalf of the Insurance Commissioner to withdraw the amendment described above that was filed with your office on September 13, 2005. If there is anything further that you need to accomplish this, please let me know. I appreciate all of your assistance with this matter.

Sincerely,

Mary Jane Pickens  
General Counsel
