a. "Suspension of all licenses issued for any kind or kinds of insurance" shall be interpreted to mean those licenses for which continuing insurance education is required pursuant to this rule and W. Va. Code § 33-12-1 et seq.

Insurance Commission
Legislative Rule
Title 114, Series 42

b. The burden of proving successful completion of continuing insurance education courses is at all times upon the individual subject to the continuing insurance education requirements.

8.5. Upon suspension of an agent's license for failure to comply with the mandatory continuing insurance education requirements for the biennium, the Commissioner shall:

a. Give notice of the suspension to the insurer(s) or employing agent with whom the agent has a contractual relationship; and

b. Cancel all appointments of the agent subject to disciplinary action.

8.6. An insurer or employing agent shall not renew or issue new appointments subject to continuing insurance education requirements to an agent whose license has been suspended for failure to comply with mandatory continuing insurance education requirements until such time as the agent's license has been reinstated and an application and appropriate fee has been submitted to and approved by the Commissioner.

8.7. Neither cancellation of a license nor any disciplinary action levied as a result of non-compliance with continuing insurance education requirements shall prohibit an individual from receiving commissions which were vested and earned while that individual maintained an approved license.

§ 114-42-9. Severability.

9.1. If any provision of this rule or the application of this rule to any person or circumstances is for any reason held to be invalid, the remainder of the rule and the application of the provisions to other persons or circumstances shall not be affected by the holding.
