The Honorable Ken Hechler
Secretary of State
State of West Virginia
State Capitol
Charleston, West Virginia

Dear Dr. Hechler:

On January 5, 1993, our office forwarded the 1993 minimum prevailing wage rates to your office for certification. In our cover letter, it was explained that the rates for Berkeley, Jefferson and Morgan Counties would remain at the 1990 rates due to an appeal.

Since the litigation has now been resolved, the enclosed 1991 rates will now replace the 1990 rates effective this date.

The appeal of the 1992 and 1993 rates have not been resolved and the 1991 rates for the counties of Berkeley, Jefferson and Morgan will remain in effect until further notice.

A copy of the Court Decision regarding this matter has been enclosed for your review.

Sincerely,

A handwritten signature in cursive script that reads "Roy M. Smith".

Dear Mr. Hechler:

Earlier this date, we requested corrections be certified for the 1993 prevailing wages rates. Boone County was one of the counties affected by these changes.

We have now discovered that our corrections for Boone County has affected the way the pages were printed out. Therefore, we find it necessary to replace not only the page showing the correction but the entire county.

We are requesting that the rates your division has previously certified be immediately corrected to reflect the changes indicated on the enclosed pages.

The Honorable Ken Hechler
Secretary of State
State of West Virginia
State Capitol
Charleston, West Virginia

Dear Dr. Hechler:

Enclosed is a copy of rates promulgated by this office regarding minimum prevailing wages to be paid on public improvement construction projects for all fifty-five counties for Heavy, Highway and Building Construction, including descriptive literature.

These rates are to be incorporated by reference Series 15, Chapter 21-5A of the West Virginia Code, and become effective January 1, 1993, with the exception of Berkeley, Jefferson, Morgan and Hardy Counties. The rates set for Berkeley, Jefferson, and Morgan counties in 1990 will remain in effect until the resolution of a court case wherein the 1991 rates were appealed. The 1992 Hardy County building rates are also under appeal leaving the 1991 rates for this county in effect. The Hardy County appeal does not include the heavy and highway rates; therefore, the enclosed 1993 heavy and highway rates will be in effect for Hardy County.

Sincerely,

A handwritten signature in cursive script that reads "Roy M. Smith".

Roy M. Smith
Commissioner of Labor

March 17, 1993

The Honorable Ken Hechler
Secretary of State
State of West Virginia
State Capitol
Charleston, West Virginia

Dear Dr. Hechler:

On January 5, 1993, our office forwarded the 1993 minimum prevailing wage rates to your office for certification. In our cover letter, it was explained that the rates for Berkeley, Jefferson and Morgan Counties would remain at the 1990 rates due to an appeal.

Since the litigation has now been resolved, the enclosed 1991 rates will now replace the 1990 rates effective this date.

The appeal of the 1992 and 1993 rates have not been resolved and the 1991 rates for the counties of Berkeley, Jefferson and Morgan will remain in effect until further notice.

A copy of the Court Decision regarding this matter has been enclosed for your review.

Sincerely,

A handwritten signature in cursive script that reads "Roy M. Smith".

ROY M. SMITH
Commissioner

January 5, 1993

The Honorable Ken Hechler
Secretary of State
State of West Virginia
State Capitol
Charleston, West Virginia

Dear Dr. Hechler:

Enclosed is a copy of rates promulgated by this office regarding minimum prevailing wages to be paid on public improvement construction projects for all fifty-five counties for Heavy, Highway and Building Construction, including descriptive literature.

These rates are to be incorporated by reference Series 15, Chapter 21-5A of the West Virginia Code, and become effective January 1, 1993, with the exception of Berkeley, Jefferson, Morgan and Hardy Counties. The rates set for Berkeley, Jefferson, and Morgan counties in 1990 will remain in effect until the resolution of a court case wherein the 1991 rates were appealed. The 1992 ~~Hardy~~ County building rates are also under appeal leaving the ~~1991~~ rates for this county in effect. The Hardy County appeal does not include the heavy and highway rates; therefore, the enclosed 1993 heavy and highway rates will be in effect for Hardy County.

Sincerely,

A handwritten signature in cursive script that reads "Roy M. Smith".

March 17, 1993

The Honorable Ken Hechler
Secretary of State
State of West Virginia
State Capitol
Charleston, West Virginia

Dear Dr. Hechler:

On January 5, 1993, our office forwarded the 1993 minimum prevailing wage rates to your office for certification. In our cover letter, it was explained that the rates for Berkeley, Jefferson and Morgan Counties would remain at the 1990 rates due to an appeal.

Since the litigation has now been resolved, the enclosed 1991 rates will now replace the 1990 rates effective this date.

The appeal of the 1992 and 1993 rates have not been resolved and the 1991 rates for the counties of Berkeley, Jefferson and Morgan will remain in effect until further notice.

A copy of the Court Decision regarding this matter has been enclosed for your review.

Sincerely,

A handwritten signature in cursive script that reads "Roy M. Smith".

Dear Dr. Hechler:

On January 5, 1993, our office forwarded the 1993 minimum prevailing wage rates to your office for certification. In our cover letter, it was explained that the rates for Berkeley, Jefferson and Morgan Counties would remain at the 1990 rates due to an appeal.

Since the litigation has now been resolved, the enclosed 1991 rates will now replace the 1990 rates effective this date.

The appeal of the 1992 and 1993 rates have not been resolved and the 1991 rates for the counties of Berkeley, Jefferson and Morgan will remain in effect until further notice.

A copy of the Court Decision regarding this matter has been enclosed for your review.

Sincerely,

Roy M. Smith
Commissioner of Labor
