§10-6-3. Continuing Competence - a Prerequisite for Renewal

3.1. Continuing Competence

3.1.1. Continuing Education Requirements

3.1.1.1. Each applicant for renewal of a license, if the license is currently active, or reinstatement of a license if a license is lapsed or on the non-practicing list, shall verify that he or she has satisfactorily completed twenty-four (24) contact hours of continuing education during the prescribed two (2) year reporting period.

Units of measurement used for continuing education courses are as follows:

- a. 1 contact hour = 50 minutes of instruction
- b. 1 contact hour = 50 minutes of clinical or laboratory practice in an informal offering
- c. 1 continuing education unit (CEU) = 10 contact hours of instruction
- d. 1 academic semester hour = 15 contact hours of instruction
- e. 1 academic quarter hour = 10 contact hours of instruction

3.1.1.2. During the fiscal year, July 1, 1993, through June 30, 1994, each licensed practical nurse with an active license to practice practical nursing in West Virginia shall complete a minimum of twelve (12) hours of continuing education as approved by these rules. The licensed practical nurse shall report his or her continuing education activities to the Board no later than June 30, 1994, with the application for renewal of his or her practical nurse license for the fiscal year, July 1, 1994, to June 30, 1995.

3.1.1.3. After the above one year phase-in period, each licensed practical nurse with an active license to practice practical nursing in West Virginia shall complete twenty four (24) hours of continuing education, as approved by these rules, every two fiscal years. On or before June 30, 1996, and every other June 30 thereafter, each licensed practical nurse shall file a report of such continuing education activities with the board at the time the licensee files an application for renewal of his or her license to practice practical nursing in West Virginia.

3.1.1.4. The board shall not grant credit for identical continuing education activities submitted during any single two (2) year reporting period. Continuing education credits from a previous two (2) year reporting period may not be used, nor shall credits be accumulated for use in a future two (2) year reporting period.

3.1.2. Practical Nursing Practice Requirements

3.1.2.1. Each applicant for renewal of a license, if the license is currently active, or reinstatement of a license, if the license is lapsed or on the non-practicing list, shall verify that he or she has engaged in four hundred (400) clock hours of practical nursing practice within the prescribed two (2) year reporting period.

3.1.2.2. During the fiscal year, July 1, 1993, through June 30, 1994, each licensed practical nurse with an active license to practice practical nursing in West Virginia shall engage in a minimum of two hundred (200) clock hours of practical nursing practice as specified in these rules. The licensed practical nurse shall file a report with the board certifying that he or she has met the minimum practical nursing practice requirements no later than June 30, 1994, at the time the licensee files application for renewal of his or her license to practice practical nursing for the fiscal year, July 1, 1994, to June 30, 1995.

3.1.2.3. After the above one year phase-in period, each licensed practical nurse with an active license to practice practical nursing in West Virginia shall engage in a minimum of four hundred (400) clock hours of practical nursing practice, as approved by these rules, every two fiscal years. On or before June 30, 1996, and every other June 30 thereafter, each licensed practical nurse shall file a report with the board certifying that he or she has met the minimum practical nursing practice requirements, at the time the licensee files the application for renewal of his or her license to practice practical nursing.

3.1.3. Exceptions to Continuing Competence Requirements

The Board shall exempt from the continuing competence requirements a licensee who qualifies for exceptions set forth in this rule.

3.1.3.1. A licensee who obtains a license for the first time in the West Virginia during the first twelve months of any twenty-four (24) month reporting period shall complete twelve (12) hours in approved continuing education activities, as set forth in this rule, before the end of the current reporting period. A licensee who obtains a license for the first time in West Virginia during the second twelve (12) months of any twenty-four (24) month reporting period is exempt from the continuing education requirements for the entire reporting period.

3.1.3.2. A licensee who obtains a license for the first time in the West Virginia during the first twelve months of any twenty-four (24) month reporting period shall engage in two hundred (200) clock hours of practical nursing practice, as set forth in this rule, before the end of the current reporting period. A licensee who obtains a license for the first time in West Virginia during the second twelve (12) months of any twenty-four (24) month reporting period is exempt from the minimum practice requirements for the entire reporting period.

3.1.3.3. A licensee who resides outside of West Virginia and who holds a current license to practice in a state other than West Virginia which also has mandatory continuing education is exempt from the continuing education requirements set forth in this rule. A licensee who claims this exception shall retain evidence of the out-of-state license. The licensee shall present such evidence to the Board upon request. A licensee who claims an exception from the continuing education requirements is not exempt from the requirement to file a report certifying that he or she meets has met minimum practical nursing practice requirements, with the application for renewal of the license to practice practical nursing in West Virginia as provided in subparagraph 3.1.2.1. of this rule.

3.1.3.4. A licensee who is enrolled, full time, in an educational program leading to an associate degree, diploma, or baccalaureate degree in nursing has complied with all continuing competence requirements.

3.1.3.5. A licensee who is a government employee working as a licensed practical nurse and assigned to duty outside the United States during the entire reporting period, or who is serving on active duty in the military during the entire reporting period has complied with the all continuing competence requirements during the period of service with the government or on active duty with the military. A licensee who claims this exception shall retain evidence of Government service or active duty with the military and shall present such evidence to the board upon request. A licensee who is a government employee working as a licensed practical nurse outside the United States or who is serving on active duty with the military for more than three (3) months, but less than twelve (12) months of any twenty-four (24) month reporting period is required to complete twelve (12) hours of approved continuing education activities and engage in two hundred (200) clock hours of practical nursing practice, as set

forth in this rule, before the end of the current reporting period. A licensee who is a government employee working as a licensed practical nurse outside the United States or who is serving on active duty with the military for more than twelve (12) months of any twenty-four (24) month reporting period is exempt from the continuing education requirements and the minimum practical nursing practice requirements for the entire reporting period.

3.1.3.6. The board may grant a waiver to a licensee who has a physical or mental disability or illness or who is providing direct care to a member of his or her immediate family during all or a portion of the two (2) year reporting period. A waiver provides for an extension of time or exception from some or all of the continuing competence requirements. Any licensee may request an application for a waiver from the board. The board shall approve or deny an application for waiver after review of the application. The board shall not grant an exception from continuing competence requirements for more than one (1), two (2) year reporting period, as set forth in this rule.

3.1.4 Failure to meet requirements or exceptions to requirements

The Board may take the following actions if a licensee fails to meet the continuing competence requirements or the conditions for exceptions for renewal.

3.1.4.1. The board may place the license on non-practicing status without penalty and may waive the continuing competency requirements, providing that the licensee notifies the board in writing of his or her desire to have the board place his or her license on non-practicing status before the last day of the reporting period. The Board shall not charge a fee to place the license on non-practicing status.

3.1.4.2. The board shall lapse the license of any person who fails to notify the board, in writing, prior to the last day of the reporting period that he or she wishes to place his or her license on the non-practicing status.

3.1.5. Reinstatement of a license on non-practicing or lapsed status or issuance of a limited license.

3.1.5.1. A person wishing to reinstate a license from non-practicing status or from lapsed status shall comply with the following requirements. The person shall:

- a. make application for reinstatement of the license from non-practicing status or lapsed status,
- b. meet the continuing competence requirements as set forth in this rule, and
- c. pay the fee for reinstatement of non-practicing or lapsed license as specified in 10 CSR 4, Fees for Services Rendered by the Board.

3.1.5.2. A person who wishes to reinstate a license but is not able to meet requirements for reinstatement of a non-practicing or a lapsed license shall request a limited license.

3.1.5.2.1. A limited license is a license which is valid for ninety (90) days, during which time the licensee shall:

- a. satisfactorily complete a refresher course of at least eighty (80) clock hours of theory and eighty (80) clock hours of clinical practice recognized by an approved provider and designed for practical nurses returning to practice after a period of absence from the work setting.
- b. engage in a minimum of two hundred (200) clock hours of practical nursing practice under the direct supervision of a qualified supervisor and secure twelve (12) contact hours of continuing education, or:

The board shall issue an unrestricted license when a licensee provides verification that he or she has met one of the above requirements. The board shall not renew a limited license issued for non compliance with continuing competence requirements.

3.1.5.2.2. A licensee who does not meet requirements provided under this section for limited license, is required to pass the national licensure examination for practical nurses which tests competency for beginning practical nursing practice.

3.2. Audit of Licensees

The board may select any licensee who holds a current license to audit for compliance with continuing competence requirements.

3.2.1. To comply with the audit request from the board, a licensee shall submit legible copies of certificates

of attendance at continuing education offerings, transcripts of courses taken, notices received from the board granting special approval of informal offerings from non-approved providers, and the name, telephone number and mailing address of his or her employer to verify practical nursing practice. The board may require the licensee to submit a job description to verify his or her employment in a nursing position which meets the requirements of subparagraph 3.1.2.1. of this rule.

3.2.2. The licensee shall submit the required documents within thirty (30) days of the date he or she receives notification of the audit. The board may grant an extension of time for submission of the documents, on an individual basis, and in cases of hardship, providing the licensee makes a written request for an extension of time and provides justification for such request.

3.2.3. Licensees are required to keep certificates of attendance at continuing education offerings, letters verifying special approval for informal offerings from non-approved providers, transcripts of courses, and documentation of compliance with exceptions for a two (2) year period following submission of continuing education activities to the board.

3.2.4. The board shall notify the licensee of the satisfactory completion of the audit.

3.2.5. If a person fails to submit the audit information requested by the board or meet standards in subparagraph 3.1.1. or 3.1.2. of this rule, the board shall not renew a license before such audit is completed.

3.2.6. The board shall take action as prescribed in 10 CSR 2, Policies Regulating to Licensure of the Licensed Practical Nurse, against any licensee who submits false information to the board.

3.2.7. A licensee who fails to notify the board of a current mailing address is not absolved from the audit requirements. The board shall not renew a license before the audit is completed.
