**WEST VIRGINIA LEGISLATIVE RULES
WEST VIRGINIA LOTTERY
TITLE 179
SERIES 1 - Amended
1996**

STATE LOTTERY RULES

PROMULGATION HISTORY

The West Virginia Legislature amended the State Lottery Act by providing for an on-line game called TRAVEL. This amendment defines the game and makes other modernizing and updating revisions.

The West Virginia State Lottery Commission prepared this proposed amended legislative rule and ordered the Director of the Lottery to submit it to the public for review and comment. This amended legislative rule was filed in the State Register on May 26, 1995. The accompanying notice called for written comments only. At the close of the thirty day comment period, the West Virginia State Lottery Commission reviewed the comments received and ordered the proposed rule filed with the Legislative Rule-Making Review Committee.

The agency-approved proposed rule was filed in the State Register and with the Legislative Rule-Making Review Committee on July 26, 1996. Thereafter, Counsel for the Legislative Rule-Making Review Committee contacted the West Virginia Lottery with a list of drafting style changes. Those changes were made and returned to Counsel on August 10, 1996.

On September 11, 1995, the Legislative Rule-Making Review Committee considered the agency-approved rule and approved it with counsel's technical changes and one substance change required by the Committee and agreed to by the agency.

The proposed rule was made part of Senate Bill 171 which was passed by the Legislature on March 7, 1996, effective from passage and signed by the Governor on March 25, 1996.

The rule, with Cabinet Secretary approval, was final-filed in the State Register on March 26, 1996, and was effective April 15, 1996.

5.2.7. Procedures for claiming instant prizes are as follows:

5.2.7.1. Until the implementation of computerized instant game bar code validation, to claim an instant game prize of twenty-five dollars (\$25.00) or less, the claimant shall present the winning ticket to the lottery retailer or licensed lottery sales agent from whom the ticket was purchased or mail the signed ticket to the Director. The lottery retailer or lottery retail sales agent shall verify the claim and, if the claim is a valid winner, make payment of the amount due the claimant. In the event the lottery retailer or licensed lottery sales agent cannot verify the claim, the claimant shall fill out a claim form, as provided by the Director, which may be obtained from any lottery retailer or licensed lottery sales agent and present or mail the completed form, together with the disputed ticket to the Director. If the claim is validated by the Director, a check shall be forwarded to the claimant in payment of the amount due. In the event that the claim is not validated by the Director, the claim shall be denied and the claimant shall be promptly notified.

5.2.7.2. Until the implementation of computerized instant game bar code validation, to claim an instant prize of more than twenty-five dollars (\$25.00) and up to six hundred dollars (\$600) the claimant shall present the winning ticket to a participating lottery retailer or to a licensed lottery sales agent. In the event the lottery retailer or lottery retail sales agent cannot verify the claim, the claimant shall fill out a claim form, as provided by the Director, which may be obtained from any lottery retailer or lottery retail sales agent and present or mail the completed form, together with the disputed ticket to the Director. If the claim is validated by the Director, a check shall be forwarded to the claimant in payment of the amount due. In the event that the claim is not validated by the Director, the claim shall be denied and the claimant shall be promptly notified.

5.2.7.3. Effective with the implementation of computerized instant game bar code validation, to claim an instant game prize of \$600 or less, a claimant shall present the winning ticket to any lottery retailer or licensed lottery sales agent or mail the signed ticket to the Director. The lottery retailer or licensed lottery sales agent shall verify the claim and, if the claim is a valid winner, make payment of the amount due the claimant. In the event the lottery retailer or licensed lottery sales agent cannot verify the claim, the claimant shall fill out a claim form, as provided by the Director, which may be obtained from any lottery retailer or licensed lottery sales agent and present or mail the completed form, together with the disputed ticket to the Director. If the claim is validated by the Director, a check shall be forwarded to the claimant in payment of the amount due. In the event that the claim is not validated by the Director, the claim shall be denied and the claimant shall be promptly notified.

5.2.7.4. To claim an instant prize over six hundred dollars (\$600), the claimant shall complete a claim form and mail or present the form together with the

winning ticket to the Director. Upon validation by the Director, a check shall be forwarded to the claimant in payment of the amount due, less any applicable federal and state income tax withholdings and less any withholding requested by the child support enforcement division. In the event that the claim is not validated by the Director, the claim shall be denied and the claimant shall be notified within five (5) days of the determination.

5.2.7.5. Any ticket not passing all the validation checks specified by the Director is invalid and ineligible for any prize and shall not be paid. However, the Director may, solely at his or her option, replace an invalid ticket with an unplayed ticket (or tickets of equivalent sales price from any other current game). In the event a defective ticket is purchased, the only responsibility or liability of the Director is the replacement of the defective ticket with another unplayed ticket (or tickets of equivalent sale price from any other current game).

5.3. Confidentiality of tickets. No licensed lottery sales agent or lottery retailer or its employees or agents shall attempt to ascertain the numbers or symbols appearing in the designated areas under the removable latex coverings or otherwise attempt to identify winning tickets by any means.

5.4. The Director is not required to provide Commission members with copies of specific rules for instant games.

5.5. Official end of game.

5.5.1. The Director shall announce the official end of each instant game. A player may submit a winning ticket of \$600 or less to the licensed lottery sales agent or lottery retailer from whom the ticket was purchased or to the Lottery's administrative office or other designated site and a winning ticket of more than \$600 to the Lottery's administrative office or other designated site for prize payment up to one hundred eighty (180) days after the official end of game. In order to participate in a special prize drawing a player must redeem a ticket which qualifies for entry into that special prize drawing within the time limits set forth by the Director governing the conduct of that specific game.

5.5.2. A lottery retailer or licensed lottery sales agent may continue to sell tickets for each instant game up to one hundred eighty (180) days after the official end of that game.

5.5.3. A licensed lottery sales agent or lottery retailer must return to the Lottery full packs of unsold and unopened lottery tickets for each game within thirty (30) days of the official end of that game in order to receive credit from the Lottery as provided for in the licensed lottery sales agent or lottery retailer contract. The Lottery has no obligation to grant credit for tickets returned more than thirty (30) days after the official end of that game.

5.6. Ticket validation requirements. Any ticket not passing all the validation requirements in this subsection and the specific validation requirements contained in the rules for its specific

game is invalid and ineligible for any prize. To be a valid West Virginia Lottery instant game ticket, a ticket must meet all of the following validation requirements:

- 5.6.1. The ticket must have been issued by the Director in an authorized manner;
- 5.6.2. The ticket shall not be altered, mutilated, unreadable, reconstructed, or tampered with in any manner;
- 5.6.3. The ticket must not be counterfeit in whole or in part;
- 5.6.4. The ticket must not be stolen nor appear in any list of omitted tickets on file with the Lottery;
- 5.6.5. The ticket must be complete and not blank or partially blank, miscut, misregistered, defective, or printed or produced in error;
- 5.6.6. The ticket must have the correct number of play symbols and exactly one (1) caption under each of the rub-off spots, exactly one (1) pack-ticket number, exactly one (1) agent verification code, exactly one (1) validation number and exactly one (1) readable bar code. The symbols must be present in their entirety, legible, right-side up, and not reversed in any manner;
- 5.6.7. The validation number of an apparent winning ticket shall appear on the Lottery's official list of validation numbers of winning tickets; and a ticket with that validation number shall not have been previously paid; and,
- 5.6.8. The ticket must pass all additional confidential validation requirements established by the Director.

5.7. Any ticket not passing all the validation requirements in subsection 5.6 of this section and the specific validation requirements contained in the rules for its specific game is invalid and ineligible for any prize.

5.8. The Director may replace any invalid ticket with an unplayed ticket of equivalent sales price from any current instant game. In the event a defective ticket is purchased, the only responsibility or liability of the Lottery is the replacement of the defective ticket game, or the issuance of a refund of the sales price. However, if the ticket is partially mutilated or if the ticket is not intact but it still can be validated by other validation tests, the Director may pay the prize for that ticket in his or her discretion.

§179-1-6. On-line games

6.1. The Director is hereby authorized by the Commission to select, operate and contract for the operation of on-line games which meet the criteria generally set forth in this subsection.

6.1.1. The base price of an on-line ticket shall not be less than fifty cents (.50).

6.1.2. The manner and frequency of drawings may vary with the type of on-line games.

6.1.3. The times, locations, and drawing procedures shall be determined by the Director.

6.1.4. A ticket bearer entitled to a prize shall submit the winning ticket as specified by the Director. The winning ticket must be validated by the Lottery's administrative staff or by a licensed lottery sales agent through use of the validation number and any other means as specified by the Director.

6.1.5. At the Director's discretion, an on-line game may include a special prize drawing or drawings as well as other methods of awarding the moneys accumulated in the unclaimed prize fund which will also stimulate the broad variety of games offered by the West Virginia Lottery. The Director shall follow Commission procedure for the payment of additional prizes from the unclaimed prize fund within the game rules structure.

6.1.6. Procedures for claiming on-line prizes are as follows:

6.1.6.1. To claim an on-line game prize of six hundred dollars (\$600.00) or less within one hundred eighty (180) days of the drawing the, claimant shall present the winning on-line ticket to any lottery sales agent or to the Lottery.

6.1.6.1.1. If the claim is presented to a licensed lottery sales agent, the licensed lottery sales agent shall validate the claim. If the ticket is determined to be a winning ticket, the licensed lottery sales agent shall make payment of the amount due the claimant. If the licensed lottery sales agent cannot validate the claim, the claimant may obtain and complete a claim form and submit it with the disputed ticket to the Lottery by mail or in person. Upon determination that the ticket is a winning ticket, the Lottery shall present or mail a check to the claimant in payment of the amount due. If the ticket is determined to be a nonwinning ticket, the claim shall be denied and the claimant shall be promptly notified. Nonwinning tickets will not be returned to the claimant.

6.1.6.1.2. If the claim is presented to the Lottery, the claimant shall complete a claim form, as provided by the Director, and submit it with the winning ticket to the Lottery by mail or in person. Upon determination that the ticket is a winning ticket, the Lottery shall present or mail a check to the claimant in payment of the amount due, less any applicable federal and state income tax withholdings and less any withholding requested by the child support enforcement division. If the ticket is determined to be a nonwinning ticket, the claim shall be denied and the claimant shall be promptly notified. Nonwinning tickets will not be returned to the claimant.

6.1.6.2. To claim an on-line prize of more than six hundred dollars (\$600), within the limit of one hundred eighty (180) days after the date of the drawing, the claimant shall obtain and complete a claim form, as provided by the Director, and submit it with the winning ticket to the Lottery by mail or in person. Upon determination that the ticket is a winning ticket, the Lottery shall present or mail a check to the claimant in payment of the amount due, less any applicable federal and state income tax withholdings. If the ticket is determined to be a nonwinning ticket, the claim shall be denied and the claimant shall be promptly notified. Nonwinning tickets will not be returned to the claimant.

6.2. Drawing and end of sales prior to drawings.

6.2.1. Drawings shall be conducted in a location and at days and times designated by the Director.

6.2.2. The Director shall announce the time for the end of sales prior to the drawings for each type of on-line game. Licensed lottery sales agents and on-line terminals shall not process orders for on-line tickets for that drawing after the time established by the Director.

6.2.3. The Director shall designate the type of equipment to be used, shall establish procedures to randomly select the winning combinations for each type of on-line game, and shall require the presence of an independent accountant to witness all pre- and post-drawing tests, and the drawing or winner selection.

6.2.4. The equipment used to determine the winning combination shall be tested prior to and after each drawing to assure proper operation and lack of tampering or fraud. Drawings shall not be certified until all validation checks are completed. No prizes shall be paid until after the drawing is certified.

6.2.5. All on-line drawings shall be broadcast live on television provided the facilities for such broadcasts are available and operational.

6.2.6. The Director shall establish procedures governing the conduct of drawings for each type of on-line game. The procedures shall include provisions for deviations which include but are not limited to:

6.2.6.1. A drawing equipment malfunction before validation of the winning combination;

6.2.6.2. A video and/or audio malfunction during the taping of the drawing;

6.2.6.3. A fouled drawing;

6.2.6.4. A delayed drawing; or

6.2.6.5. Other equipment, facility and/or personnel difficulties.

6.2.7. In the event a deviation occurs, the drawing will be completed under Lottery supervision. The drawing shall be video taped for later broadcast, if broadcast time is available. The drawing shall be certified and the deviation documented on the certification form. The winning combination will be provided to the media for dissemination to the public.

6.2.8. If, during any live-broadcast drawing for a game, a mechanical failure or operator error causes an interruption in the selection of all digits or symbols, a "Foul" shall be

called by the Lottery Drawing Official. Any digit or symbol drawn prior to a "Foul" being called will stand and be declared official after passing lottery validation tests.

6.2.9. The Director shall delay payment of all prizes if any evidence exists, or there are grounds for suspicion, that tampering or fraud has occurred. Payment shall be made after an investigation is completed and the drawing certified. If the drawing is not certified, another drawing shall be conducted to determine the actual winner.

6.3 Validation requirements.

6.3.1 To be a valid winning on-line ticket, all of the following conditions must be met:

6.3.1.1. All printing on the ticket shall be present in its entirety, be legible, and correspond, using the computer validation file, to the combination and date printed on the ticket. The ticket is not valid unless the ticket number and other information is recorded in the Lottery computer and transaction master file;

6.3.1.2. The ticket shall be intact;

6.3.1.3. The ticket shall not be altered, mutilated, unreadable, reconstructed, or tampered with in any manner;

6.3.1.4. The ticket shall not be counterfeit or an exact duplicate of another winning ticket;

6.3.1.5. The ticket must have been issued by an authorized licensed lottery sales agent in an authorized manner;

6.3.1.6. The ticket must not have been stolen or canceled;

6.3.1.7. The ticket must not have been previously paid; and

6.3.1.8. The ticket shall pass all other confidential security checks of the Lottery.

6.3.2. Any ticket failing any validation requirements listed in subdivision 6.3.1 of this rule is invalid and ineligible for a prize subject to the condition of subdivisions 5.10.3 and 5.10.4 of this rule.

6.3.3. The Director may replace an invalid on-line ticket with an on-line ticket for a future drawing of the same game. The Director may pay the prize for a ticket that is partially mutilated or is not intact if the on-line ticket can still be validated by the other validation requirements, at his or her discretion.

6.3.4. In the event a defective on-line ticket is purchased, the only responsibility or liability of the Lottery or the lottery sales agent is the replacement of the defective on-line ticket with another on-line ticket for a future drawing of the same game.

6.4. Payment of prizes by licensed lottery sales agents.

6.4.1. A licensed lottery sales agent shall pay to the ticket bearer prizes of six hundred dollars (\$600) or less for any validated claims presented within the claim limit of one hundred eighty (180) days of the drawing to that licensed lottery sales agent. These prizes shall be paid during all normal business hours of that licensed lottery sales agent, provided, the on-line system is operational and claims can be validated.

6.4.2. A licensed lottery sales agent may pay prizes in cash or by business check, certified check, money order or a combination thereof. A licensed lottery sales agent that pays a prize with a check which is dishonored, in addition to full payment of the amount of the check and all nonsufficient funds charges and any other legitimate banking charge, may be subject to suspension or revocation of its license.

6.5. Notification to Commission. The Director shall provide Commission members with copies of specific game rules for on-line games. The Chairman or a quorum of the Commission may ask for review of the on-line game rules at the next scheduled meeting of the Commission following receipt of draft rules, and shall adopt or refer rules to lottery staff for revision at that meeting.

§179-1-7. Payment of prizes - general provisions for instant and on-line games.

7.1. Each lottery retailer or licensed lottery sales agent shall pay all prizes authorized to be paid by the lottery retailer or licensed lottery sales agent by this rule during its normal business hours at the location designated on its license.

7.2. A claim shall be entered in the name of a single person or legal entity. A claim may be entered in the name of an organization only if the organization is a legal entity and possesses a federal employer's identification number (FEIN) as issued by the Internal Revenue Service and that number is shown on the claim form. Groups, family units, organizations, clubs or other organizations which are not a legal entity, or do not possess a federal employer's identification number, shall designate one individual in whose name the claim is to be entered.

7.3. Unless otherwise provided in the rules for a specific type of game, a claimant shall sign the back of the ticket and complete and sign a claim form provided by the Director. The claimant shall submit the claim form and claimant's ticket to the Lottery in accordance with the instructions as stated on the claim form and on the back of the ticket. In the event of a difference or conflict in the name appearing on the ticket and the claim form, the name which appears on the ticket controls. The claimant, by submitting the claim, agrees to the following provisions as a prerequisite to payment of the prize:

7.3.1. The discharge of the State, the Lottery Commissioners, its officials, officers and employees of all further liability upon payment of the prize; and

7.3.2. The authorization to use the claimant's name and the taking and use of photographs for any reasonable publicity purposes the Director considers desirable upon award of the prize.

7.4. A prize must be claimed within the time limits prescribed by the Commission in the instructions for the conduct of a specific game, but in no case shall a prize be claimed later than one hundred eighty (180) days after the official end of that instant game or the on-line drawing for which that on-line ticket was purchased.

7.5. The Director or Commission may deny awarding a prize to a claimant if the ticket is stolen, unissued, mutilated, altered, unreadable, counterfeit in whole or in part, miscut, misregistered, defective, printed or produced in error, multiply printed, or blank or partially blank.

7.6. No person entitled to a prize may assign the right to claim it, except:

7.6.1. That payment of a prize may be made to any court-appointed legal representative, including, but not limited to, guardians, executors, administrators, receivers, or other court-appointed assignees: or

7.6.2. For the purpose of paying federal, state or local tax; or to satisfy executions, judgments, or orders or other processes legitimately obtained from federal or state courts.

7.7. In the event that there is a dispute or it appears that a dispute may occur relative to any prize, the Commission or Director may refrain from making payment of the prize pending a final determination of the dispute by the Commission or by a court of competent jurisdiction.

7.8. A ticket that has been legally issued by a licensed lottery sales agent or lottery retailer is a bearer instrument until signed. The person who signs the ticket is considered the bearer of the ticket. Payment of any prize may be made to the bearer, and all liability of the State, its officials, officers, commission, and employees of the agency terminates upon payment.

7.9. All prizes shall be paid within a reasonable time after the claims are verified by the Director and a winner is determined. The date of the first installment payment of each prize to be paid in installment payments shall be the date the prize event is validated and certified. Subsequent installment payments shall be made annually from the date of the event in accordance with the type of prize awarded.

7.10. The Director may, at any time, delay any payment in order to review a change in circumstance relative to the prize awarded, the payee, the claim, or any other matter that may

have come to the Director's attention. All delayed payments shall be brought up to date immediately upon the Director's confirmation and continue to be paid on each originally scheduled payment date thereafter. If any prize is payable for the life of the claimant, only an individual may claim that prize, and if claiming on behalf of a group, a corporation, or the like, the life of the claim shall not exceed twenty (20) years.

7.11. The Director's decisions and judgments in respect to the determination of a winning ticket or any dispute arising from the payment or awarding of prizes are final and binding upon all participants in the Lottery.

7.12. In the event a dispute between the Director and claimant occurs as to whether the ticket is a winning ticket, and if the ticket prize is not paid, the Director may, solely at the Director's opinion, replace the disputed ticket with an unplayed ticket or tickets of equivalent sales price from that game. This shall be the sole and exclusive remedy of the claimant.

7.13. All prizes or portions thereof which remain unpaid at the time of a prize winner's death are payable to prize winner's estate.

7.14. The Director may rely wholly on the presentment of certified copies of a court's appointment of an administrator or executor, guardian, conservator or any other evidence of a person entitled to the payment of any prize winnings then due.

7.15. The payment to the estate of a deceased owner of any prize winnings by the Director absolves the Commission, Director and employees of the agency of any further liability for payment of the prize winnings. The Director need not look to pay the prize winnings beyond the estate or appointed representative.

7.16. The Commission or Director may petition any court of competent jurisdiction to request a determination of the payee for payment of any prize winnings which are or may become due the estate of a deceased winner or a winner under a disability because of minority, mental deficiency, or physical or mental incapacity.

§179-1-8. Use of West Virginia Lottery Trademarks.

8.1. The Commission has determined to permit the use, display, and promotion of the Lottery Logo, trademark, and other advertising materials without charge to the user or compensation to the Commission for its use.

8.1.1. Any use of the Lottery Logo or other trademarked or copyright materials, other intellectual property, or copy in advertising or production of consumer articles requires a prior written request and execution of the Lottery's License Agreement.

8.1.2. Any request for licensing shall be made by submitting a form provided by the Director. The form shall require information of sufficient quantity and detail to allow the determination of suitability for licensing of the applicant by the Director.

8.1.3. Any request for authorization properly submitted shall include a representative sample or samples of the materials for which authority is sought.

8.1.4. After review of the request and representative sample, the Director may issue a tentative authorization to proceed with production of proofs or samples of the merchandise.

8.1.5. The applicant may be required to submit the final proofs or samples representative of actual production items to the Director for his or her final approval before proceeding to produce the items for sale or distribution.

8.1.6. Upon receipt of notice of final approval, or upon execution of the License Agreement by both parties, if no final approval is required, the licensee may initiate production of goods or materials over the specified duration of the Licensing Agreement as set forth in this section.

8.1.7. The Director may, over the period of the License Agreement, exercise supervision over the quality of the materials produced under license, and may require as a condition to continuation of the license, changes in quality of the goods or material produced.

8.1.8. The Director and Commission may at any time terminate an agreement to license in the event that the licensee fails to meet the requirement of the agreement, or in the event that the continuation of the license is not considered to be in the best interest of the Lottery or of the State of West Virginia.
