O R D E R
THE WEST VIRGINIA STATE LOTTERY
COMMISSION

On the fifteenth day of December, 1993, the West Virginia Supreme Court of Appeals affirmed its order in the case styled State ex rel. Mountaineer Park, Inc. v. Polan et al. There being no existing statutory basis for video lottery game legislative regulations, this Commission by unanimous vote rescinded the video lottery games regulation now pending before the Legislative Rule-Making Review Committee.

It is therefore ORDERED, this tenth day of January, 1994, that the Director of the West Virginia Lottery immediately notify said Legislative Rule-Making Review Committee and the Secretary of State of this Commission action and to request that the regulation - 179 CSR 3 - be returned to the Lottery without further action.
