**STATEMENT OF CIRCUMSTANCES REQUIRING THE AMENDMENT
TO THE RULES ON INSPECTION OF MEAT AND POULTRY**

The Federal Meat Inspection Act and the Poultry Products Inspection Act require a State meat and poultry inspection program to be "at least equal to" the Federal inspection program in terms of law, regulations, inspection procedures, etc.

Periodical updates to our rules are needed in order to maintain the equivalency of the State inspection program and continuation of the Federal 50% Funding for the program (approximately \$750,000 per Year).
