§ 4.03 (a)

number identifying owner of meat, and words "NOT FOR SALE" appear legibly on each tag. Ink used for marking tags must comply with the requirements of § 16.05 of these regulations.

(e) If a custom operator's final preparation consists only of a custom dressed carcass, sides, quarters, or wholesale cuts, each carcass, side, quarter, or wholesale cut is immediately, after final preparation, tagged as provided for in subdivision (d) of this subparagraph with exception that the words "NOT FOR SALE" in legible letters at least three-eighths inches in height will be the only marking requirement on the tag if a legible custom stamp had been applied directly on each carcass, side, quarter, or wholesale cut. All custom products must be kept so identified until delivered to the owner. Ink used for marking must comply with the requirements of subsection 16.05 of these regulations.

(f) If the custom products other than described in subdivision (e) of this subparagraph are marked at the time of final preparation with the term "NOT FOR SALE" in legible letters at least three-eighths inches in height on the wrapper or package, except that such products need not be so marked if in immediate containers properly labeled as provided for in subdivision (g) of this subparagraph. All custom products are kept so identified until delivered to the owner. Ink used for marking such products in wrappers must comply with the requirements of § 16.05 of these regulations.

(g) If immediate containers are utilized for packing custom prepared products, the custom prepared products must be packaged immediately after preparation and the following information must be legible and conspicuously displayed on the principal display panel or on a tag attached to the container and so identified until delivered to the owner:

(1) The words "NOT FOR SALE" in lettering not less than one-half inches in height.

(2) The abbreviations for West Virginia and word establishment and the establishment number (W. VA. Est. 666)^{1/} in lettering and numbers not less than one inch in height or as an alternative the custom stamp as provided in § 16.10 (d) of these regulations may be utilized if imprint is made from a rubber type stamp.

(h) If custom prepared products have no false or misleading labeling on packages or containers or be otherwise misbranded as defined in Section 2 (q) of these regulations.

(i) If the exempted custom prepared products are prepared and handled in accordance with §§ 18.05, 18.06, 18.07, 18.10, and 18.11 and Section 19 of these regulations and products as defined in Section 2 (rr) of the Law are not adulterated as defined in Section 2 (tt) of the Law.

(j) If the custom operators keep records, in addition to

^{1/} The number 666 is given as an example only. The establishment number of the official establishment shall be used in lieu thereof.
