§18-1-4. Licenses and temporary permits.

4.1 Application for licenses and temporary permits.

(a) The Board shall furnish any person requesting an application for a license or temporary permit the necessary forms, and any other information or questionnaires as the Board considers desirable.

(b) The application forms shall be designed to provide the information necessary to satisfy the Board that all requirements pertaining to the West Virginia Code are being fulfilled.

(c) All applications shall be signed by the applicant, except any renewal applications submitted on-line. An Applicant who submits a renewal application on-line by credit card payment is considered to have signed the application.

(d) The application shall be accompanied by a money order, certified

check, or a personal check. Any application or renewal application may be paid by certain credit cards which have been approved by the Board .

(e) If an applicant fails to complete all forms and to provide all information, the Board may reject and return the application to the applicant.

(f) The Board shall deny a license to any person knowingly furnishing false information in an application or if the applicant has already been licensed before the falsification of the information has been made known to the Board, the license or temporary permit is subject to suspension or revocation. In addition, the Board may undertake prosecution of the applicant pursuant to W.Va. Code §30-23-13.

4.2 Issuance of licenses and temporary permits.

(a) The Board shall issue to each applicant a license or a temporary permit within thirty (30) days of receipt of a properly completed application and payment of the appropriate fee.

(c) A licensee shall renew his or her license annually without examination by applying for renewal on a form prescribed by the Board or by on-line renewal with the payment by a Board approved credit card. If submitted by U.S. mail, the licensee is responsible for obtaining, completing, signing and forwarding the renewal application to the Board with the required fee and documentation of their Continuing Education (CE) as required by the Board's rule, CONTINUING EDUCATION, 18CSR2. For on-line renewals the Board shall verify Continuing Education by obtaining biennium information from American Registry of Radiologic Technologist (ARRT). If the Continuing Education information cannot be obtained from the American Registry of Radiologic Technologist, the Board shall notify the licensee that the required documentation of Continuing Education compliance must be submitted to the office before the Board issues the renewal license.

Temporary permits may not be renewed or extended.

(b) The Board shall not honor a license issued to a person by another state in lieu of a license issued by the Board.
