**Statement of Circumstances Which Require
The Proposed Rule and Summary of Content
Of Proposed Rule**

This proposed rule would eliminate the six hundred dollar (\$600) fee for medical examination as the Board of Medicine no longer administers such examinations.

The proposed rule raises fees for active medical and podiatric licensure and for renewal of such licensure, to recoup the costs to the Board of processing those applications.

The proposed rule raises fees for the Board giving the podiatric examination commensurate with an increase in the fees to the Board for such examination.

Without such increase, the Board will not have adequate funds to perform its statutory responsibilities.
