Dear Ms. Cooper:

This letter is requesting that rule, Title 56, Series 2, "Rules and Regulations Governing the Standards for Mine Rescue Stations, Rescue Programs, and Mandatory Coverage for all Underground Mines", be withdrawn from the Secretary of State's Office, due to the passage of House Bill 4630, which went into effect June 1, 1992.

Should you have any questions please advise.

Sincerely,

Stephen F. Webber
