RE: 38CSR3 - "Rules for Quarrying and Reclamation" Filed September 14 as "Notice of an Emergency Amendment to an Emergency Rule"

Dear Ms. Cooper:

This letter will serve as my request to withdraw the above-referenced rule package that was filed as "Notice of an Emergency Amendment to an Emergency Rule" September 14, 2000 with your office and the Legislative Rule-Making Review Committee (LRMRC). Upon review of the Emergency Rule on your Web site, we discovered that we inadvertently filed the same version of the rule that was previously filed with your Office on July 20, 2000 as "Notice of Public Hearing."

We apologize for this error and any inconvenience it may have caused your Office, and as always your cooperation in the above request is very much appreciated. If you should have any questions or require additional information, please call Carrie Chambers in my Office at 759-0515.

Sincerely,

Michael C. Castle
 Commissioner
