**PREAMBLE TO A REVISED LEGISLATIVE RULE CONCERNING
THE HUNTING AND TRAPPING REGULATIONS**

STATE AGENCY: West Virginia Department of Commerce, Labor, and Environmental Resources, Division of Natural Resources.

REGULATIONS: Title 47, Series 11, "Hunting and Trapping Regulations".

AUTHORITY: West Virginia Code §§20-1-7(30) and 20-1-17(7).

ACTION: Proposed Rule Revision.

DATES: The public comment period on the proposed revisions being filed today will end on August 10, 1990 at 4:30 p.m.; Written comments can be sent to the Director's Office of Environmental and Regulatory Affairs, Building 3, Room 712, State Capitol Complex, Charleston, West Virginia 25311.

SUMMARY: The revisions to the existing Hunting and Trapping Regulations being filed today add the definition of "bow" and allow the use of .38 caliber muzzle-loading rifles during the muzzle-loading hunting season. During the 1990 legislative session, a bill was passed (HB 4354) to change the allowable caliber of muzzle-loading rifles from .44 caliber to .38 caliber. Today's filing reflects that change.
