Dear Mr. Secretary:

Enclosed are two copies of amendments to the 1980-81 Hunting and Trapping Regulations, designated Series IV of Chapter 20-1, to be filed in the State Register as "emergency regulations."

These changes deal with the black bear and raccoon hunting seasons, and are proposed after deliberation by the Natural Resources Commission in the interest of protecting these species. These changes have already been approved by the Legislative Rule-making Review Committee for 1981-82.

Thank you.

Sincerely,
