3.3. Tagging - No person may give, put, or leave waterfowl at any place, or in the custody of another person, unless the birds are tagged by the hunter with the following information:

3.3.1. The hunter's signature; address; total number of birds involved, by species; and the date on which each bird was killed.

3.4. Field Dressing - No person may completely field dress waterfowl and then transport the birds from the field. One (1) fully-feathered wing must remain attached to all waterfowl being transported between the port of entry and one's home or to a migratory bird preservation facility, as defined in 50 C.F.R. §20.11. No person may import waterfowl killed in any foreign country, except Canada, unless such birds are dressed (except as required in 50 C.F.R. §20.63), drawn, and the head and feet removed. No person may import waterfowl belonging to another person.

3.7. Federal Migratory Bird Hunting and Conservation Stamp - Each waterfowl hunter sixteen (16) years of age and over must carry on his person a valid federal Migratory Bird Hunting and Conservation Stamp (i.e., "duck stamp") signed in ink across the face. This stamp is not needed in order to hunt coots or gallinules.
