§58-45-1. General.

1.1. Scope. -- These regulations establish the open seasons and the bag, size, age, weight, and sex limits with respect to the hunting and trapping of wildlife in West Virginia.

1.2. Authority. -- W. Va. Code §§20-1-17(7) and 29A-1- 3(c).

1.3. Filing Date. -- October 2, 1998

1.4. Effective Date. -- October 2, 1998

1.5. Seasons in General. -- All seasons, unless otherwise noted, are statewide and subject to change under the provisions of W. Va. Code §20-1-7(7). Opening and closing dates are inclusive and time periods are prevailing time unless otherwise noted in these regulations. Should an opening date fall on a Sunday, the season will open on the following Monday. If the last day of a season falls on a Sunday, the season will close on the preceding Saturday.

§58-45-2. Definitions.

2.1. All terms shall have the meaning prescribed in W. Va. Code §20-1-2 and Title 58, Series 46 "Regulations Defining the Terms to be used Concerning all Hunting and Trapping Regulations" (58 C.S.R. 46).

§58-45-3. Deer Hunting Seasons.

3.1. Bucks-Only Deer Season. This season, for the firearms hunting of antlered deer, runs for thirteen (13) consecutive days commencing on the first Monday preceding Thanksgiving.

3.1.1. The bucks-only deer season is open in all counties except the following: Logan, McDowell, Mingo, Wyoming and Wilson Cove Study Area in Hardy.

3.2. Class N Antlerless Deer Season. This season, for the firearms hunting of antlerless deer, runs for the number of days and in counties or portions thereof designated by the Natural Resources Commission and published annually by the Director.

3.3. Archery Deer Season. This season opens on the Saturday nearest to October 15 and closes on the last day in December.

3.3.1. During the archery deer season, both antlered and antlerless deer may be hunted statewide with a bow, except that only antlered deer may be hunted statewide with a bow during the bucks-only deer season.

3.3.2. Special urban deer archery season. This season, which may be implemented within incorporated city limits, opens 14 days prior to the opening of the statewide deer archery season and runs for 14 consecutive days. This special deer season will in no way supersede local regulations or community prohibitions on hunting.

3.3.2.a. During this special season, two deer may be taken which shall not apply to the regular archery deer season bag limit under Section 3.5. of these regulations.

3.4. Muzzle-loading Firearms Deer Seasons. The early season runs for thirteen (13) consecutive days commencing on the Monday preceding Thanksgiving in the Wilson Cove Study Area in hardy County and the late season runs for six (6) consecutive days commencing on the third Monday in December in all counties open to firearm deer hunting.

3.4.1. Wilson Cove Study Area. Antlered deer only may be taken within boundaries of the study area during the early thirteen (13) day muzzle-loading firearm season.

3.4.1.a. The Wilson Cove Study Area is approximately 5,200 acres located on the Wardenville Wildlife Management Area of the George Washington National Forest in Hardy County.

3.4.2. Deer of either-sex may be taken during the six (6) day muzzle-loading firearms season in those counties or portions thereof, having a Class N antlerless season as designated by the Natural Resources Commission and published annually by the Director and antlered deer only may be taken in those counties having a bucks-only deer season.

3.5. No person may take more than seven (7) deer in this State during a calendar year unless he holds a valid permit to kill deer causing damage to crops as provided under 58 C.S.R. 15.

3.5.1. Deer taken during the open seasons established in Section 3 of these regulations may be a combination of the following:

3.5.1.a. One deer by bow during the archery deer season;

3.5.1.b. One antlered deer by either bow or firearm during the bucks-only deer season;

3.5.1.c. One antlerless deer by either bow or firearm during the Class N antlerless deer season; except that two antlerless deer may be taken by bow or firearm in selected counties designated by the Natural Resources Commission and published annually by the Director. Only residents may hunt during the Class N antlerless deer season on Wildlife

Management Areas designated by the Natural Resources Commission and published annually by the Director. Only one antlerless deer may be taken per Class N license;

3.5.1.d. One deer by bow on a Class R or RR license during the archery deer season;

3.5.1.e. One antlered deer by either bow or firearm on a Class R or RR license during the bucks-only deer season; or one antlerless deer during the antlerless Class N season in counties, or portions thereof as designated by the Natural Resources Commission; or one deer of either-sex during the muzzle-loading firearms season in counties, or portions thereof, as designated by the Natural Resources Commission except as provided in Section 3.4.1 of these regulations. A Class R or Class RR license is valid only on the day after the licensee has checked his or her first deer with a conservation officer or an official game checking station; and

3.5.1.f. One deer by single-shot muzzle-loading rifle or pistol during the muzzle-loading firearms deer season.

3.6. No person may hunt deer between thirty (30) minutes after sunset and thirty (30) minutes before sunrise on the following day.

3.7. The hunting of all game species for which a legal hunting season is open is permitted during the muzzle-loading firearms deer season.
