OFFICE WEST VIRGINIA
SECRETARY OF STATE

§58-45-1. General.

1.1. Scope. -- These rules establish the open seasons and the bag, size, age, weight, and sex limits with respect to the hunting and trapping of wildlife in West Virginia.

1.2. Authority. -- W. Va. Code §§20-1-17(7) and 29A-1-3(c).

1.3. Filing Date. -- August 24, 2001

1.4. Effective Date. -- September 1, 2001

1.5. Seasons in General. -- All seasons, unless otherwise noted, are statewide and subject to change under the provisions of W. Va. Code §20-1-7(7). Opening and closing dates are inclusive and time periods are prevailing time unless otherwise noted in these rules. Should an opening date fall on a Sunday, the season will open on the following Monday. If the last day of a season falls on a Sunday, the season will close on the preceding Saturday.

§58-45-2. Definitions.

2.1. All terms shall have the meaning prescribed in W. Va. Code §20-1-2 and Title 58, Series 46 "Regulations Defining the Terms to be used Concerning all Hunting and Trapping Rules" (58 C.S.R. 46).

§58-45-3. Deer Hunting Seasons.

3.1. Bucks-Only Deer Season. This season, for the firearms hunting of antlered deer, runs for thirteen (13) consecutive days commencing on the first Monday preceding Thanksgiving.

3.1.1. The bucks-only deer season is open except in the following: Logan, McDowell, Mingo and Wyoming counties; and the Hillcrest WMA and the Wilson Cove Study Area.

3.2. Class N Antlerless Deer Season. This season, for the firearms hunting of antlerless deer, runs for the number of days and in counties or portions thereof designated by the Natural Resources Commission and published annually by the Director.

3.3. Archery Deer Season. This season opens on the Saturday nearest to October 15 and closes on the last day in December.

3.3.1. During the archery deer season, both antlered and antlerless deer may be hunted statewide with a bow, except that only antlered deer may be hunted statewide with a bow during the bucks-only deer season.

3.3.2. Special urban deer archery season. This season, which may be implemented within incorporated city limits of a city, town or village, opens 14 days prior to the opening of the statewide deer archery season and closes on the last day in December. This special deer season will in no way supersede local regulations or community prohibitions on hunting.

3.3.2.a. This season may also be implemented within incorporated homeowners associations that have defined boundaries. The governing entity of these associations shall submit a letter to the Director prior to March 1 of the year that the hunt is requested. Based on a field review, the Director may or may not grant the request. This special deer season will in no way supersede local regulations or community prohibitions on hunting.

3.3.2.a.b. During this special season, two deer may be taken which shall not apply to the regular archery deer season bag limit under Section 3.5. of these rules.

3.4. Muzzle-loading Firearms Deer Seasons. The early season runs for thirteen (13) consecutive days commencing on the Monday preceding Thanksgiving in the Wilson Cove Study Area in Hardy County and Hillcrest WMA in Hancock County and the late season runs for six (6) consecutive days commencing on the second Monday in December in all counties open to firearm deer hunting.

3.4.1. Wilson Cove Study Area and Hillcrest WMA. Antlered deer only may be taken within boundaries of these areas during the early thirteen (13) day muzzle-loading firearm season.

3.4.1.a. The Wilson Cove Study Area is approximately 5,200 acres located on the Wardensville Wildlife Management Area of the George Washington National Forest in Hardy County.

3.4.1.b. Hillcrest WMA is a 2,212 acre area located in Hancock County.

3.4.2. Deer of either-sex may be taken during the six (6) day muzzle-loading firearms season in those counties or portions thereof, having a Class N antlerless season as designated by the Natural Resources Commission and published annually by the Director and antlered deer only may be taken in those counties having a bucks-only deer season.

3.5. No person may take more than eight (8) deer in this State during a calendar year unless otherwise provided for in this series or he holds a valid permit to kill deer causing damage to crops as provided under 58 C.S.R. 15.

3.5.1. Deer taken during the open seasons established in Section 3 of these rules may be a combination of the following:

3.5.1.a. One deer by bow during the archery deer season;

3.5.1.b. One antlered deer by either bow or firearm during the bucks-only deer season;

3.5.1.c. One antlerless deer by either bow or firearm during the Class N antlerless deer season; except that two antlerless deer may be taken by bow or firearm in selected counties designated by the Natural Resources Commission and published annually by the Director. Only residents may hunt during the Class N antlerless deer season on Wildlife Management Areas designated by the Natural Resources Commission and published annually by the Director. Only one antlerless deer may be taken per Class N license;

3.5.1.d. Two deer by bow on a Class R or RR licenses during the archery deer season; provided that one of the deer must be an antlerless deer taken in a county open to Class N antlerless deer hunting;

3.5.1.e. One antlered deer by either bow or firearm on a Class R or RR license during the bucks-only deer season; or one antlerless deer during the antlerless Class N season in counties, or portions thereof as designated by the Natural Resources Commission; or one deer of either-sex during the muzzle-loading firearms season in counties, or portions thereof, as designated by the Natural Resources Commission except as provided in Section 3.4.1 of these rules.

3.5.1.f. A Class R or Class RR license is valid ~~only~~ beginning on the day after the licensee has checked his or her first deer for the respective season with a conservation officer or an official game checking station; and

3.5.1.g. One deer by single-shot muzzle-loading rifle or pistol during the muzzle-loading firearms deer season.

3.6. No person may hunt deer between thirty (30) minutes after sunset and thirty (30) minutes before sunrise on the following day.

3.7. The hunting of all game species for which a legal hunting season is open is permitted during the muzzle-loading firearms deer season.

3.8. Special Deer Season. This season which may be implemented within the boundaries of lands owned, operated, or controlled by the Federal or State government, opens 14 days prior to the opening of the statewide deer archery season and runs for 14 consecutive days. This special deer season will only be implemented when the resident deer population cannot be managed by general public hunting during the regular deer seasons for reasons of safety, security or other special circumstances, as recommended by the Wildlife Resources Section.

3.8.1. During this special deer season, two deer may be taken which shall not apply to the regular annual archery or firearms deer seasons bag limits under Section 3.5 of these rules.

3.9. Special Youth Deer Season. ~~This one day (1) There will be a special split youth deer season for youth hunters, ages 10 to less than 15, to will be held on the last Saturday in October and on the last Friday and Saturday in December on private land in counties or portions thereof, open to Class N antlerless deer hunting and on selected wildlife management areas designated by the Natural Resources Commission and published annually by the Director. A designated number of free permits for selected wildlife management areas will be available and required in accordance with Title 58 Series 50.~~

3.9.1. During this special ~~one day~~ season ~~only one (1)~~ antlerless deer may be taken ~~per day~~ which will not apply to the regular deer firearms bag limit under Section 3.5 of these rules.

3.10. Antler restrictions on McClintic WMA. All antlered bucks taken on McClintic WMA in Mason County during the archery, bucks-only and muzzleloader seasons must have an outside antler spread of fourteen (14) inches or greater.

3.11. Blennerhassett Island State Park Deer Season. This season, for the hunting of deer with muzzleloader, shotgun with slugs, and archery, will be a permit hunt implemented within the boundaries of Blennerhassette Island State Park. The season runs for six (6) consecutive days commencing on first Monday in November.

3.11.1. During this season, two (2) deer may be take by each hunter, one deer per day which shall not apply to the regular annual firearms, muzzleloader or archery deer season bag limits under Section 3.5 of these rules. Only antlerless deer may be taken during this hunt, except that each day of the hunt an on-site lottery will be held which will allow five (5) hunters to hunt a deer of either sex.

§58-45-4. Bear Hunting Seasons.

4.1. Firearms Dog Bear Season.
