Judy Cooper, Director
Administrative Law Division
Secretary of State's Office
Capitol Building
Charleston, West Virginia 25305

Dear Ms. Cooper:

Due to several changes in the West Virginia Code, Legislative Rule "Regulations for Handling and firing of Firearms", 58 CSR 46 (New Number 58 CSR 14), that was filed with your office on December 30, 1982, is no longer applicable. It is therefore requested that it be withdrawn from your active files. The number 58 CSR 14 will be reserved for later use by the Division of Natural Resources.

Thank you for your assistance.

Sincerely,

Charles B. Felton, Jr.
Director
