EMERGENCY RULE DECISION
(ERD 14-02)

AGENCY: DIVISION OF NATURAL RESOURCES
RULE: AMENDMENTS, 58CSR46, RULE DEFINING THE TERMS TO BE
USED CONCERNING ALL HUNTING & TRAPPING RULES
FILED AS AN EMERGENCY RULE: MAY 24, 2002

- par. 1 The Division of Natural Resources (DNR) has filed the above amendments to an existing rule as an emergency rule.
- par. 2 W. Va. Code 29A-3-15a requires the Secretary of State to review all emergency rules filed after March 8, 1986. This review requires the Secretary of State to determine if the agency filing such emergency rule: 1) has complied with the procedures for adopting an emergency rule; 2) exceeded the scope of its statutory authority in promulgating the emergency rule; or 3) can show that an emergency exists justifying the promulgation of an emergency rule.
- par. 3 Following review, the Secretary of State shall issue a decision as to whether or not such an emergency rule should be disapproved [§29A-3-15a].
- par. 4 (A) Procedural Compliance: W. Va. Code §29A-3-15 permits an agency to adopt, amend or repeal, without hearing, any legislative rule by filing such rule, along with a statement of the circumstances constituting the emergency, with the Secretary of State and forthwith with the Legislative Rule-Making Review Committee (LRMRC).
- par. 5 If an agency has accomplished the above two required filings with the appropriate supporting documents by the time the emergency rule decision is issued or the expiration of the forty-two day review period, whichever is sooner, the Secretary of State shall rule in favor of procedural compliance.

- par. 6 The DNR filed this emergency rule with supporting documents with the Secretary of State May 24, 2002 and with the LRMRC May 24, 2002.
- par. 7 It is the determination of the Secretary of State that the DNR has complied with the procedural requirements of W. Va. Code §29A-3-15 for adoption of an emergency rule.
- par. 8 (B) Statutory Authority -- W. Va. Code §20-1-7(30) reads:

(30) Promulgate rules, in accordance with the provisions of chapter twenty-nine-a of this code, to implement and make effective the powers and duties vested in him or her by the provisions of this chapter and take such other steps as may be necessary in his or her discretion for the proper and effective enforcement of the provisions of this chapter.
- par. 9 It is the determination of the Secretary of State that the DNR has not exceeded its statutory authority in promulgating this emergency rule.
- par. 10 (C) Emergency -- W. Va. Code §29A-3-15(f) defines "emergency" as follows:

(f) For the purposes of this section, an emergency exists when the promulgation of a rule is necessary for the immediate preservation of the public peace, health, safety or welfare or is necessary to comply with a time limitation established by this code or by a federal statute or regulation or to prevent substantial harm to the public interest.
- par. 11 There are essentially three classes of emergency broadly presented with the above provision: 1) immediate preservation; 2) time limitation; and 3) substantial harm. An agency need only document to the satisfaction of the Secretary of State that there exists a nexus between the proposal and the circumstances creating at least one of the above three emergency categories.
- par. 12 The facts and circumstances as presented by the DNR are as follows:

Staff legal counsel interpreted the current rule on bows to mean that hunters may not use bows that have been modified. In order to accommodate the physically challenged hunter, this rule needs to be in place before the fall hunting season. Interpretation of the current rule prohibits any person to use a bow that is modified. In some instances physically challenged individuals may not be capable of participating in the archery season unless they were permitted to use a draw lock or other device that would aid them in holding the bow at full draw.
- par. 13 It is the determination of the Secretary of State that this proposal qualifies under the definition of an emergency as defined in §29A-3-15(f).

par. 14

This decision shall be cited as Emergency Rule Decision 14-02 or ERD 14-02 and may be cited as precedent. This decision is available from the Secretary of State and has been filed with the Division of Natural Resources, the Attorney General and the Legislative Rule Making Review Committee.
