**CIRCUMSTANCE AND SUMMARY FOR EXEMPT RULE
CONCERNING FISHING REGULATIONS**

AGENCY: Bureau of Commerce, Division of Natural Resources

REGULATION: Title 58, Series 60, Fishing Regulations

SUMMARY: Series 60 revises the current Fishing Regulations which were made effective January 1, 2001. This rule prescribes the open seasons and the creel and size limits with respect to fishing in specially designated waters in West Virginia. The rule will become effective January 1, 2003.

CIRCUMSTANCE: This rule make changes in the season and bag limits of sport fish species in West Virginia. The Natural Resources Commission revises these rules annually to reflect management measures for different species and to provide optimal recreational opportunity.

FISCAL NOTE FOR PROPOSED RULE

Rule Title: Series 60, Fishing Regulations

OFFICE WEST VIRGINIA
SECRETARY OF STATE

SERIES 60
FISHING REGULATIONS
(EXEMPT RULE)

§58-60-1. General.

- 1.1. Scope and Purpose. -- These regulations establish the open seasons and the size and creel limits with respect to the taking of fish and other aquatic species in West Virginia.
- 1.2. Authority. -- W. Va. Code §§20-1-7(30) and 20-1-17(7).
- 1.3. Filing Date. -- ~~December 14, 2000~~; December 4, 2002.
- 1.4. Effective Date. -- ~~January 1, 2001~~; January 1, 2003.

§58-60-2. Definitions.

- 2.1. "Aggregate" means the total creel or possession limit of similar kinds of game fish. For example, the daily creel limit for trout is six (6). This could be two (2) brown trout, two (2) brook trout, and two (2) rainbow trout, or any combination of six (6) trout, but not more than a total of six (6) per day nor more than a total of twelve (12) in possession.
- 2.2. "Impoundment" means any natural or artificial impoundment, lake, pond, or reservoir that is partially or wholly within the territorial limits of West Virginia and is owned and administered by the federal government or by the State or any political subdivision thereof.
- 2.3. "Possession Limit" means fish that are in any way under the control of the fisherman (i.e., the total of all fish of a single species in a vehicle, home freezer, commercial food locker, or other storage place).
- 2.4. All other terms shall have the meaning prescribed in W. Va. Code §20-1-2.

§58-60-3. General Fishing Rules.

- 3.1. It is illegal to catch, take, kill, or attempt to catch, take, or kill any fish at any time by any means other by rod, line, and hooks with natural or artificial lures unless otherwise authorized by Section 11 of these regulations.
- 3.2. It is illegal to use a firearm, a crossbow, dynamite or any like explosive, or a poisonous

mixture placed in the water for the purpose of killing or taking fish, frogs, aquatic turtles, or other forms of aquatic life.

3.3. It is illegal to take fish, frogs, aquatic turtles, or other forms of aquatic life from a State fish hatchery.

3.3.1. Federal regulations prohibit the taking of fish or other forms of aquatic life from a federal fish hatchery.

3.4. To catch, take, kill, or attempt to catch, take, or kill a paddlefish (*Polyodon spathula*) at any time by any means shall be prohibited.

§58-60-4. Opening and Closing Dates.

4.1. Black Bass Season (Largemouth, Smallmouth, and Spotted Bass). -- The black bass season is open year-round, except as provided in Sections 4.1.1 and 4.1.2 of these regulations.

4.1.1. The black bass season is closed from March 1 through June 15 on the following:

4.1.1.a. The North Branch of the Potomac River between the States of Maryland and West Virginia.

4.1.1.b. The Potomac River between the states of Maryland and West Virginia.

4.1.2. However, these areas are open during that period for catch-and-release fishing only.

4.2. Trout Season (Brook, Brown, Rainbow, and Golden Rainbow Trout). -- The trout season is open year-round, except as provided in Sections 4.2.1 through 4.2.3 of these regulations.

4.2.1.a. The North Branch of the Potomac River Catch-and-Release Trout Fishing Area described in Section 9.1.11.c. -- The trout season in this area is open year-round; however, from October 1 through June 15, the calendar year following, this area is open for catch-and-release trout fishing only.

4.2.2. The Middle Wheeling Creek Catch-and-Release Trout Fishing Area described in Section 9.1.16 -- The trout season in this area is open year-round; however, from February 1 through May 31, this area is open for catch-and-release trout fishing only.

4.2.3. The Clear Fork of Guyandotte River Catch-and-Release Trout Fishing Area described in Section 9.1.17 -- The trout season in this area is open year-round; however, from March 1 through May 31, this area is open for catch-and-release trout fishing only.

4.3. Muskellunge Season. -- Open year-round.

- 4.4. Tiger Musky Season. -- Open year-round.
- 4.5. Northern Pike Season. -- Open year-round.
- 4.6. Hybrid Striped Bass Season. -- Open year-round.
- 4.7. Walleye Season. -- Open year-round.
- 4.8. Sauger Season. -- Open year-round.
- 4.9. Saugeye Season. -- Open year-round.
- 4.10. Channel Catfish Season. -- Open year-round.

4.11. Other Game and Nongame Fish Seasons. -- The seasons for game and nongame fish species not listed in Section 4 of these regulations are open year-round, except as provided in Section 11 of these regulations.

4.12. Frog Season (Bullfrogs and Green Frogs). -- This season opens at nine o'clock postmeridian (9:00 p.m.) on the Saturday nearest to June 15 and closes at midnight on July 31, except as provided in Section 4.12.1 of these regulations.

4.12.1. Big Sandy River (Wayne County) and Tug Fork River (Mingo and Wayne counties). The frog season on portions of these rivers between the states of Kentucky and West Virginia opens at noon, eastern standard time, on the third Friday in May and closes at midnight on October 31.

§58-60-5. Daily Creel Limits and Possession Limits.

5.1. Black Bass (Largemouth, Smallmouth, and Spotted Bass). -- The daily creel limit is six (6) black bass in aggregate and the possession limit is twelve (12) black bass in aggregate, except as provided in Sections 5.1.1 through 5.1.3 of these regulations.

5.1.1. The daily creel limit is zero (0) black bass and the possession limit is zero (0) black bass on Catch-and-Release Black Bass Fishing Areas.

5.1.2. The daily creel limit is five (5) black bass in aggregate and the possession limit is ten (10) black bass in aggregate on the following:

5.1.2.a. Jennings Randolph Lake (Mineral County).

5.1.2.b. That section of the North Branch of the Potomac River between the states of Maryland and West Virginia that lies outside the boundaries of the North Branch of the Potomac River Catch-and-Release Black Bass Fishing Area.

5.1.2.c. The Potomac River between the states of Maryland and West Virginia excluding the section between Dam #3 and Dam #4.

5.1.3. The daily creel limit is five (5) black bass in aggregate, of which one may be fifteen inches (15") or larger, and the possession limit is ten (10) black bass in aggregate on the Potomac River between the states of Maryland and West Virginia on the section between Dam #3 and Dam #4.

5.2. Trout (Brook, Brown, Rainbow and Golden Rainbow Trout). -- The daily creel limit is six (6) trout in aggregate and the possession limit is twelve (12) trout in aggregate, except as provided in Sections 5.2.1 through 5.2.5 of these regulations.

5.2.1. The daily creel limit is zero (0) trout and the possession limit is zero (0) trout on Catch-and-Release Trout Fishing Areas.

5.2.2. The daily creel limit is zero (0) fish and the possession limit is zero (0) fish on Fly-Fishing-Only Areas.

5.2.3. The daily creel limit is five (5) trout in aggregate and the possession limit is five (5) trout in aggregate on the following:

5.2.3.a. Jennings Randolph Lake (Mineral County).

5.2.3.b. The North Branch of the Potomac River between the states of Maryland and West Virginia, except as provided in Sections 5.2.1. and 5.2.4. of these regulations.

5.2.3.c. The Potomac River between the states of Maryland and West Virginia.

5.2.4. The daily creel limit is two (2) trout in aggregate and the possession limit is two (2) trout in aggregate on the following:

5.2.4.a. That section of the North Branch of the Potomac River in Garrett County, Maryland bordering Grant County, West Virginia from the uppermost boundary of Maryland's Potomac State Forest near Wallman and extending upstream to the Preston County West Virginia line.

5.2.4.b. A seven (7) mile long section of the North Branch of the Potomac River in Garrett County, Maryland bordering Grant and Mineral counties, West Virginia from the uppermost boundary of Maryland's Potomac State Forest near Wallman and extending downstream to the lowermost boundary of Maryland's Potomac State Forest near Lostland Run, except that the daily creel limit is zero and the possession limit is zero during the period October 1 through June 15, the calendar year following.

5.2.5. The daily creel limit is four (4) trout in aggregate on the following:

- 5.2.5.a. Impoundments designated by the director and published annually.
- 5.2.5.b. Big Sandy Creek (Preston County).
- 5.2.5.c. Buffalo Creek (Brooke County).
- 5.2.5.d. Clear Fork (McDowell County).
- 5.2.5.e. Clear Fork of Guyandotte River (Wyoming County).
- 5.2.5.f. East Lynn Lake Tailwaters (Wayne County).
- 5.2.5.g. Edwards Run (Hampshire County).
- 5.2.5.h. Hopkins Fork (Boone County).
- 5.2.5.i. Indian Creek (Summers County).
- 5.2.5.j. Kings Creek (Hancock County).
- 5.2.5.k. Laurel Creek (Clay County).
- 5.2.5.l. North Fork of Fishing Creek (Wetzel County).
- 5.2.5.m. Paint Creek (Fayette County).
- 5.2.5.n. Panther Creek (McDowell County).
- 5.2.5.o. Paw-Paw Creek (Marion County).
- 5.2.5.p. Pond Fork (Boone County).
- 5.2.5.q. South Fork of Fishing Creek (Wetzel County).
- 5.2.5.r. Spruce Laurel Fork (Boone County).
- 5.2.5.s. Tomlinson Run (Hancock County).
- 5.2.5.t. West Fork of Twelvepole Creek (Wayne County).
- 5.2.5.u. Wheeling Creek (Marshall and Ohio counties).

5.3. Muskellunge. -- The daily creel limit is two (2) muskellunge and the possession limit is four (4) muskellunge, except as provided in Sections 5.3.1 and 5.3.2 of these regulations.

5.3.1. The daily creel limit is zero (0) muskellunge and the possession limit is zero (0) muskellunge on Catch-and-Release Muskellunge Fishing Areas.

5.3.2. The daily creel limit is one (1) muskellunge or tiger musky in aggregate and the possession limit is one (1) muskellunge or tiger musky in aggregate on the following:

5.3.2.a. The North Branch of the Potomac River between the states of Maryland and West Virginia.

5.3.2.b. The Potomac River between the states of Maryland and West Virginia.

5.4. Tiger Musky. -- The daily creel limit is two (2) tiger musky and the possession limit is four (4) tiger musky, except as provided in Section 5.3.2 of these regulations.

5.5. Northern Pike. -- The daily creel limit is two (2) northern pike and the possession limit is four (4) northern pike, except as provided in Section 5.5.1 of these regulations.

5.5.1. The possession limit is two (2) northern pike on the following:

5.5.1.a. Jennings Randolph Lake (Mineral County).

5.5.1.b. The North Branch of the Potomac River between the states of Maryland and West Virginia.

5.5.1.c. The Potomac River between the states of Maryland and West Virginia.

5.6. Hybrid Striped Bass. -- Except as provided in Section 5.9.1 of these regulations, the daily creel limit is four (4) hybrid striped bass and the possession limit is eight (8) hybrid striped bass on the following:

5.6.1. Beech Fork Lake (Wayne County).

5.6.2. East Lynn Lake (Wayne County).

5.6.3. R.D. Bailey Lake (Mingo and Wyoming counties).

5.6.4. Mount Storm Lake (Grant County).

5.7. Walleye, Sauger and Saugeye. -- The daily creel and possession limits for walleye, sauger and saugeye are as follows:

5.7.1. The daily creel limit for walleye, sauger, and saugeye is ten (10) in aggregate and the possession limit is twenty (20) in aggregate on all rivers except as provided in Section 5.7.1.a.

5.7.1.a. The daily creel limit is five (5) walleye and the possession limit is five

(5) walleye on the North Branch of the Potomac and Potomac Rivers between the states of Maryland and West Virginia.

5.7.2. The daily creel limit for walleye, sauger, and saugeye is eight (8) in aggregate and possession limit is sixteen (16) in aggregate on all lakes except as provided in Section 5.7.2.a.

5.7.2.a. The daily creel limit is five (5) walleye and the possession limit is five (5) walleye on Jennings Randolph Lake (Mineral County).

5.8. Channel Catfish. -- The daily creel and possession limit for channel catfish are as follows:

5.8.1. The daily creel limit is four (4) channel catfish and the possession limit is sixteen (16) channel catfish on impoundments designated by the director and published annually.

5.8.2. The daily creel limit is five (5) channel catfish and the possession limit is ten (10) channel catfish on the Potomac River between the states of Maryland and West Virginia.

5.9. Striped Bass and White Bass. -- There are no daily creel or possession limits for striped bass and white bass except for the following:

5.9.1. In all rivers of this State and Bluestone Lake (Summers County), the daily creel limit for hybrid striped bass, striped bass, and white bass measuring fifteen inches (15") or longer is four (4) in aggregate and the possession limit for hybrid striped bass, striped bass, and white bass measuring fifteen inches (15") or longer is eight (8) in aggregate.

5.10. Other Game and Nongame Fish. -- There are no daily creel or possession limits on game and nongame fish species not listed in Section 4 of these regulations, except as provided in 5.10.1 of these regulations.

5.10.1. The daily creel limit is five (5) chain pickerel on the following:

5.10.1.a. Jennings Randolph Lake (Mineral County).

5.10.1.b. The North Branch of the Potomac River between the states of Maryland and West Virginia.

5.10.1.c. The Potomac River between the states of Maryland and West Virginia.

5.11. Bullfrogs and Green Frogs. -- The daily (noon to noon) creel limit is ten (10) frogs and the possession limit is twenty (20) frogs.

5.12. Mussels -- Possession of mussels or any parts thereof is prohibited.

5.13. Minnows and other Aquatic Life. -- A person may have in his possession no more than fifty (50) minnows nor more than a total of one hundred (100) aquatic animal life unless obtained

from a licensed dealer and accompanied by a bill of sale.

§58-60-6. Size Limits.

6.1. Black Bass (Largemouth, Smallmouth, and Spotted Bass). -- There are no size limits for black bass, except as provided in Sections 6.1.1 through 6.1.3 of these regulations.

6.1.1. There is a twelve inch (12") minimum size limit for black bass on the following:

6.1.1.a. Barboursville Lake (Cabell County).

6.1.1.b. Beech Fork Lake (Wayne County).

6.1.1.c. Chief Logan Lake (Logan County).

6.1.1.d. Conaway Run Lake (Tyler County).

6.1.1.e. South Mill Creek Lake (Grant County).

6.1.1.f. Wallback Lake (Clay and Roane counties).

6.1.1.g. Jennings Randolph Lake (Mineral County).

6.1.1.h. That section of the North Branch of the Potomac River between the states of Maryland and West Virginia that lies outside the boundaries of the North Branch of the Potomac River Catch-and-Release Black Bass Fishing Area.

6.1.1.i. The Potomac River between the states of Maryland and West Virginia excluding the section between Dam #3 and Dam #4.

6.1.1.j. Wheeling Creek (Marshall and Ohio counties).

6.1.2. There is a twelve to sixteen inch (12" to 16") slot limit in effect at East Lynn Lake (Wayne County) (i.e., all black bass twelve to sixteen inches in length that are caught at East Lynn Lake must be released immediately).

6.1.3. There is an eleven to fifteen inch (11" to 15") slot limit in effect on the Potomac River between the states of Maryland and West Virginia on the section between Dam #3 and Dam #4 (i.e., all black bass eleven to fifteen inches in length that are caught on the Potomac River between Dam #3 and Dam #4 must be released immediately).

6.1.4. There is a twelve to twenty inch (12" to 20") slot limit on black bass in effect on the Greenbrier River on the section between the Route 60 bridge near Caldwell and the Route 219 bridge at Ronceverte. Only one black bass over 20 inches may be part of the daily creel limit within the slot limit area. The remainder of the creel limit must be less than 12 inches in length. All black

bass twelve to twenty inches in length that are caught on the Greenbrier in this designated area must be released immediately.

6.2. Trout (Brook, Brown, Rainbow, and Golden Rainbow Trout). -- There are no size limits for trout.

6.3. Muskellunge. -- There is a thirty inch (30") minimum size limit for muskellunge except as provided in Section 6.3.1 of these regulations.

6.3.1. There is a thirty-six inch (36") minimum size limit for muskellunge on the following:

6.3.1.a. The North Branch of the Potomac River between the states of Maryland and West Virginia.

6.3.1.b. The Potomac River between the states of Maryland and West Virginia.

6.4. Tiger Musky. -- There is a twenty-eight inch (28") minimum size limit for tiger musky except as provided in Section 6.4.1 of these regulations.

6.4.1. There is a thirty-six inch (36") minimum size limit for tiger musky on the following:

6.4.1.a. The North Branch of the Potomac River between the states of Maryland and West Virginia.

6.4.1.b. The Potomac River between the states of Maryland and West Virginia.

6.5. Northern Pike. -- There is a twenty-eight inch (28") minimum size limit for northern pike, except as provided in Section 6.5.1 of these regulations.

6.5.1. There is a twenty-four inch (24") minimum size limit for northern pike on the following:

6.5.1.a. Jennings Randolph Lake (Mineral County).

6.5.1.b. The North Branch of the Potomac River between the states of Maryland and West Virginia.

6.5.1.c. The Potomac River between the states of Maryland and West Virginia.

6.6. Hybrid Striped Bass. -- There is a fifteen inch (15") minimum size limit for hybrid striped bass on the following:

6.6.1. Beech Fork Lake (Wayne County).

6.6.2. East Lynn Lake (Wayne County).

6.6.3. R.D. Bailey Lake (Mingo and Wyoming counties).

6.6.4. Mount Storm Lake (Grant County).

6.7. Walleye. -- There are no size limits for walleye, except as provided in Sections 6.7.1 and 6.7.2 of these regulations.

6.7.1. There is a fifteen inch (15") minimum size limit for walleye on the following:

6.7.1.a. Jennings Randolph Lake (Mineral County).

6.7.1.b. The North Branch of the Potomac River between the states of Maryland and West Virginia.

6.7.1.c. The Potomac River between the states of Maryland and West Virginia.

6.7.2. There is a twenty inch (20") maximum size limit for walleye on the Potomac River between the states of Maryland and West Virginia from January 1 through April 15.

6.8. Sauger. -- There are no size limits for sauger.

6.9. Saugeye. -- There are no size limits for saugeye.

6.10. Channel Catfish. -- There are no size limits for channel catfish.

6.11. Striped Bass and White Bass. -- Except as provided in Section 5.9.1 of these regulations, there are no size limits for striped bass or white bass.

6.12. Other Game and Nongame Fish. -- There are no size limits for game and nongame fish species not listed in Section 4 of these regulations, except as provided in Section 6.11.1 of these regulations.

6.12.1. There is a fourteen inch (14") minimum size limit for chain pickerel on the following:

6.12.1.a. Jennings Randolph Lake (Mineral County).

6.12.1.b. The North Branch of the Potomac River between the States of Maryland and West Virginia.

6.12.1.c. The Potomac River between the states of Maryland and West Virginia.

6.13. Bullfrogs and Green Frogs. -- There are no size limits for frogs.

§58-60-7. Catch and Release Black Bass Fishing Regulations.

7.1. Catch-and-Release Black Bass Fishing Areas.

7.1.1. Dunkard Fork Lake (Marshall County).

7.1.2. Elk Fork Lake (Jackson County).

7.1.3. Kimsey Run Lake (Hardy County).

7.1.4. Millers Fork Pond (Wayne County).

7.1.5. O'Brien Lake (Jackson County).

7.1.6. Rockhouse Lake (Logan County).

7.1.7. Stonewall Jackson Lake (Lewis County).

7.1.8. Tuckahoe Lake (Greenbrier County).

7.1.9. Upper Mud River Lake (Lincoln County).

7.1.10. Woodrum Lake (Jackson County).

7.1.11. The South Branch of the Potomac River (Hampshire County): -- A nine and one half (9.5) mile section in Hampshire County beginning at the Romney Bridge (U.S. Route 50 and State Route 28) and extending downstream to the Blue Beach Bridge (State Route 28) at Grace.

7.1.12. The South Branch of the Potomac River (Hardy County): -- An eight (8) mile section in Hardy County beginning three (3) miles east of Petersburg at the Petersburg Gap Bridge (U.S. Route 220 and State Route 28) and extending downstream to the Fisher Bridge (County Route 13).

7.1.13. The North Branch of the Potomac River (Mineral County): -- A twenty-five (25) mile section beginning at the U.S. Route 220 bridge at Keyser and extending downstream to the spillway in Cumberland, Maryland.

7.1.14. The New River (Raleigh, Summers and Fayette counties): -- A twelve (12) mile section beginning at the I-64 bridge near Sandstone and extending downstream to the NPS Grandview Sandbar Public Access Site near Quinnimont.

7.2. All black bass caught on Catch-and-Release Black Bass Fishing Areas must be returned to the water at once. To release a deeply hooked or gill-hooked bass, the line should be cut.

§58-60-8. Catch and Release Muskellunge Fishing Regulations.

8.1. Catch and Release Muskellunge Fishing Areas.

8.1.1. Middle Island Creek (Tyler County): -- A six (6) mile section beginning at the State Route 18 bridge near Centerville and continuing downstream to the low water bridge near the Jug. Included in this area are sections of Indian Creek and McElroy Creek from the mouth to the first riffle.

8.1.2. Buckhannon River (Upshur County): -- A six and one-half (6.5) mile section beginning at the city of Buckhannon's water supply dam upstream to the first riffle. Included in this area is the section of French Creek, from its mouth to the first riffle.

8.2. All muskellunge caught on Catch-and-Release Muskellunge Fishing Areas must be returned to the water at once.

§58-60-9. Catch and Release Trout Fishing Regulations.

9.1. Catch-and-Release Trout Fishing Areas.

9.1.1. The Back Fork of the Elk River Catch-and-Release Trout Fishing Area: -- A four (4) mile section in Webster County beginning two (2) miles upstream from Webster Springs near County Route 24/3 and extending upstream along County Route 24 to a point near Breece.

9.1.2. The Shavers Fork Catch-and-Release Trout Fishing Area: -- A five and one-half (5.5) mile section in Monongahela National Forest, Randolph County that extends from the mouth of Whitmeadow Run downstream to the mouth of McGee Run. This area can be reached from Forest Service Route 92, which intersects U.S. Route 250 four (4) miles west of Cheat Bridge.

9.1.3. The North Fork of the South Branch of the Potomac River Catch-and-Release Trout Fishing Area: -- A three-quarter (.75) mile section in Pendleton County at the mouth of Seneca Creek near the Seneca Rocks Visitors Center. This area can be reached from County Route 28/3.

9.1.4. The Williams River Catch-and-Release Trout Fishing Area: -- A two (2) mile section in Pocahontas County beginning two (2) miles below Tea Creek extending downstream. This area can be reached by Forest Service Route 86.

9.1.5. The South Branch of the Potomac River Catch-and-Release Trout Fishing Area: -- A one (1) mile section in Pendleton County beginning one (1) mile below U.S. Route 220 at Eagle Rock and extending downstream.

9.1.6. The Cranberry River Catch-and-Release Trout Fishing Area: -- A four and three tenths (4.3) mile section in Webster and Pocahontas counties beginning at the junction of the North and South Forks and extending downstream to the low water bridge at Dogway Fork. Access is by foot on Forest Service Route 76 from the Cranberry Glades parking area.

9.1.7. The North Fork of Cranberry River Catch-and-Release Trout Fishing Area: -- A one-quarter (.25) mile section in Pocahontas County beginning at the mouth and extending upstream to the dam. Access is by foot on Forest Service Route 76.

9.1.8. The Woodbine Catch-and-Release Trout Fishing Area: -- A one and two tenths (1.2) mile section of Cranberry River in Nicholas County beginning at the Woodbine Recreation Area and extending downstream to the mouth of Jakeman Run. Access is by Forest Service Routes 76 and 83.

9.1.9. The Elk River Catch-and-Release Trout Fishing Area: -- A two (2) mile section in Randolph County beginning at Elk Springs and extending downstream to the Rose Run bridge. Access is by secondary route 49.

9.1.10. The Blackwater River Catch-and-Release Trout Fishing Area: -- A three and one-half (3.5) mile section in Tucker County that extends from the secondary route 28 bridge downstream to the mouth of the North Fork.

9.1.11. The North Branch of the Potomac River Catch and Release Trout Fishing Areas.

9.1.11.a. A three-quarter (.75) mile section in Garrett County, Maryland bordering Mineral County, West Virginia from the mouth of an unnamed tributary at Bench Mark 1218 on the Westernport U.S.G.S. Quadrangle and extending downstream to a red post located 100 yards above the upstream concrete abutments at Barnum, West Virginia.

9.1.11.b. A four (4) mile section in Garrett County, Maryland from a red post just below a pool known as Blue Hole, approximately 1/3 mile upstream of Bench Mark 1110 on the Westernport U.S.G.S. Quadrangle, and extending downstream to the confluence of Piney Swamp Run.

9.1.11.c. A seven (7) mile section in Garrett County, Maryland bordering Grant and Mineral counties, West Virginia from the uppermost boundary of Maryland's Potomac State Forest near Wallman and extending downstream to the lowermost boundary of Maryland's Potomac State Forest near Lostland Run. This section is approximately six (6) miles above Jennings Randolph Lake.

9.1.12. The Glade Creek of New River Catch-and-Release Trout Fishing Area: -- A three (3) mile section in Raleigh County that extends from the mouth of Glade Creek upstream to the National Park Service footbridge.

9.1.13. The Slaty Fork section of Elk River Catch and Release Trout Fishing Area: -- A three and six-tenths (3.6) mile section in Pocahontas County beginning at the junction of Old Field Fork and Big Spring Fork and extending downstream to the railroad bridge. Access is by foot from County Route 219/12 on the south and 219/2 on the north.

9.1.14 The North Fork of Cherry River Catch-and-Release Trout Fishing Area: -- A one

and eight-tenths (1.8) mile section in Nicholas County that extends from the Richwood water supply dam upstream to the first State Route 39 bridge. Access is by State Route 39.

9.1.15. The Paint Creek Catch-and-Release Trout Fishing Area: -- A two (2) mile section in Fayette County beginning near the mouth of Skitter Creek and extending upstream. Access is by County Route 15.

9.1.16. The Middle Wheeling Creek Catch-and-Release Trout Fishing Area: -- A one and two-tenths (1.2) mile section in Ohio County beginning just above the upper limit of Middle Wheeling Creek Lake and extending upstream to the mouth of Gillespie Run. Access is by County Route 39/6.

9.1.17. The Clear Fork of Guyandotte River Catch-and-Release Trout Fishing Area: -- A one (1) mile section in Wyoming County beginning at the County Route 6 bridge and extending upstream to the R.D. Bailey Wildlife Management Area manager's residence.

9.2. Fishing on Catch-and-Release Trout Fishing Areas is permitted during daylight hours only, except that on the three (3) North Branch of the Potomac River Catch-and-Release Trout Fishing Areas fishing is permitted between the hours of 5:30 a.m. and 10:00 p.m. only.

9.3. Only artificial flies and lures made of metal, wood, feathers, hair, or synthetic material may be used or in one's possession on Catch-and-Release Trout Fishing Areas.

9.3.1. Multiple-hook lures must have barbless hooks, except on the three (3) North Branch of the Potomac River Catch-and-Release Trout Fishing Areas.

9.3.2. Single-hook lures may have barbed hooks.

9.4. All trout caught on Catch-and-Release Trout Fishing Areas must be returned to the water at once. To release a deeply hooked or gill-hooked trout, the line should be cut.

§58-60-10. Fly-Fishing-Only Fishing Regulations.

10.1. Fly-Fishing-Only Areas.

10.1.1. Second Creek Fly-Fishing-Only Area: -- A one and one-half (1.5) mile section on the Monroe County - Greenbrier County line at Rodgers Mill.

10.1.2. Milligan Creek Fly Fishing Only Area: -- A one-third mile (.33) mile section beginning one (1) mile north of U.S. Route 60 from the County Route 60/15 bridge and extending downstream to a fence crossing.

10.1.3. Dogway Fork Fly Fishing Only Area: -- Includes the mainstem from its junction with Cranberry and all tributaries in Webster, Pocahontas and Greenbrier counties. Access is by foot on Forest Service Route 78.

10.1.4. Red Run of Dry Fork Fly Fishing Only Area: – Includes the mainstem from its junction with Dry Fork and all tributaries in Tucker County. Access is by foot from Secondary Route 72.

10.1.5. Buffalo Creek of New River Fly Fishing Only Area: – Includes the mainstem from its junction with New River and all tributaries in Fayette County. Access is by foot from County Route 25.

10.1.6. Thorn Creek Fly Fishing Only Area: – A one-half (.5) mile marked section beginning three (3) miles above the mouth. Access is by County Route 20.

10.2. Fishing on Fly-Fishing-Only Areas is permitted during daylight hours only.

10.3. Only artificial flies and streamers may be used or in one's possession on Fly-Fishing-Only Areas.

10.4. Only conventional fly fishing tackle may be used on Fly-Fishing-Only Areas (i.e., open-faced and closed-face spinning or spin cast reels are prohibited).

10.5. All fish caught on Fly-Fishing-Only Areas must be returned to the water at once. To release a deeply hooked or gill-hooked fish, the line should be cut.

§58-60-11. Other Fishing Methods.

11.1. Dipping.

11.1.1. Dipping for nongame fish is legal from February 1 through midnight on April 30.

11.1.2. A dip net may not exceed thirty-six (36) square feet in overall area and its mesh may not be smaller than one-quarter inch (1/4").

11.2. Bow Fishing.

11.2.1. Residents must have a valid fishing license in order to fish using a bow and must observe all applicable provisions of these regulations.

11.2.2. Nonresidents must have a valid Class E license in order to fish using a bow and must observe all applicable provisions of these regulations.

11.2.3. It is illegal to use an arrow having an explosive head or shaft while bow fishing.

11.2.4. It is illegal to use an arrow dipped in or smeared with poison or other chemicals while bow fishing.

11.2.5. It is illegal to use a crossbow in bow fishing.

11.2.6. Carp may be taken by bow year-round; other nongame fish may be taken by bow during all months except May and June.

11.3. Gigging, Snagging, and Snaring.

11.3.1. It is illegal to take game fish by gigging, snagging, or snaring.

11.3.2. Nongame fish, turtles, and eels may be taken by gigging, snagging, or snaring from January 1 through May 15 and from July 15 through December 31, except as provided in Section 11.3.3 of these regulations: Provided, however, that snagging and gigging shall be prohibited within one hundred (100) feet of all U.S. Army Corps of Engineers Locks and Dams and their appurtenances.

11.3.3. Suckers, carp, fallfish, and creek chubs may be taken by snaring year-round.

11.4. Trotlines and Droplines.

11.4.1. Trotlines and droplines must be attached to the bank, or a tree thereon.

11.4.2. Trotlines and droplines must bear an identification tag that is legible and waterproof.

11.4.3. Trotlines and droplines must be attended at least once every twenty-four (24) hours.

11.4.4. Wire or cable lines and hooks with more than one point are prohibited.

11.4.5. Trotlines.

11.4.5.a. It is illegal to attach a trotline to public piers and docks or within fifty (50) feet of dam appurtenances.

11.4.5.b. Trotlines are prohibited on impoundments designated by the director and published annually.

11.4.5.c. Trotlines may be used at the following impoundments:

11.4.5.c.A. Beech Fork (Wayne County).

11.4.5.c.B. Bluestone (Summers County).

11.4.5.c.C. Burnsville (Braxton County).

11.4.5.c.D. East Lynn (Wayne County).

- 11.4.5.c.E. Hawks Nest (Fayette County).
- 11.4.5.c.F. Jennings Randolph (Mineral County).
- 11.4.5.c.G. R. D. Bailey (Mingo and Wyoming counties).
- 11.4.5.c.H. Stonecoal (Lewis and Upshur counties).
- 11.4.5.c.I. Stonewall Jackson (Lewis County).
- 11.4.5.c.J. Summersville (Nicholas County).
- 11.4.5.c.K. Sutton (Braxton County).
- 11.4.5.c.L. Tygart (Taylor County).

11.4.6. Droplines.

11.4.6.a. Droplines are prohibited on the following:

- 11.4.6.a.A. Impoundments designated by the director and published annually.
- 11.4.6.a.B. Elk River (Randolph, Webster, Braxton, Clay, and Kanawha counties).
- 11.4.6.a.C. Hughes River (Wirt County).
- 11.4.6.a.D. Little Kanawha River (Braxton, Gilmer, Calhoun, Wirt, and Wood counties).
- 11.4.6.a.E. Middle Island Creek (Tyler and Pleasants counties).
- 11.4.6.a.F. South Fork of Hughes River (Doddridge, Ritchie, and Wirt counties).

11.4.6.b. Droplines may be used at the following impoundments:

- 11.4.6.b.A. Beech Fork (Wayne County).
- 11.4.6.b.B. Bluestone (Summers County).
- 11.4.6.b.C. Burnsville (Braxton County).
- 11.4.6.b.D. East Lynn (Wayne County).

- 11.4.6.b.E. Hawks Nest (Fayette County).
- 11.4.6.b.F. Jennings Randolph (Mineral County).
- 11.4.6.b.G. R. D. Bailey (Mingo and Wyoming counties).
- 11.4.6.b.H. Stonecoal (Lewis and Upshur counties).
- 11.4.6.b.I. Stonewall Jackson (Lewis County).
- 11.4.6.b.J. Summersville (Nicholas County).
- 11.4.6.b.K. Sutton (Braxton County).
- 11.4.6.b.L. Tygart (Taylor County).

11.5. Seining for Minnows, Minnow Traps and Thrownets.

11.5.1. Game fish may not be seined, trapped or taken with thrownets.

11.5.2. A seine may be used to obtain minnows for use as bait provided the seine is not larger than six (6) feet nor deeper than four (4) feet.

11.5.3. Minnow traps may be used provided the openings are not larger than one inch (1") in diameter.

11.5.4. Thrownets may be used provided the diameter is no larger than six (6) feet and the mesh size is no larger than three-eighths (3/8) inch.

11.6. Underwater Spearfishing.

11.6.1. Nongame fish, except catfish, may be taken by underwater spearfishing from July 1 through September 30 during daylight hours only.

11.6.2. Spearfishing is prohibited on the following:

11.6.2.a. Elk River, from Sutton Dam downstream to the U.S. Route 19 bridge at Sutton.

11.6.2.b. New River, from Bluestone Dam downstream to the lower bridge at Hinton.

11.6.3. Spearguns may be discharged only beneath the surface of the water.

11.6.4. It is illegal to use a bolt having an explosive head or shaft while spearfishing.

11.6.5. It is illegal to use a bolt dipped in or smeared with poison or other chemicals while spearfishing.

11.6.6. A diver may not spearfish in such a manner as to interfere with other fishermen.

11.6.7. A diver may not spearfish in heavily-travelled boat lanes, marked swimming areas, or marked waterskiing areas.

11.6.8. Fish taken by spearfishing may not be returned to the water or left on the bank.

§58-60-12. Use of Live Minnows as Bait.

12.1. The use of live minnows as bait is prohibited at the following impoundments:

- 12.1.1. Anawalt (McDowell County).
- 12.1.2. Anderson (Kanawha County).
- 12.1.3. Barboursville (Cabell County)
- 12.1.4. Bear Rocks (Ohio County).
- 12.1.5. Berwind (McDowell County).
- 12.1.6. Big Ditch (Webster County).
- 12.1.7. Boley (Fayette County).
- 12.1.8. Brandywine (Pendleton County).
- 12.1.9. Brushy Fork (Pendleton County).
- 12.1.10. Buffalo Fork (Pocahontas County).
- 12.1.11. Cacapon (Morgan County).
- 12.1.12. Camp Run (Pendleton County).
- 12.1.13. Charles Fork (Roane County).
- 12.1.14. Chief Cornstalk (Mason County).
- 12.1.15. Chief Logan (Logan County).
- 12.1.16. Conaway Run (Tyler County).

- 12.1.17. Coonskin (Kanawha County).
- 12.1.18. Coopers Rock (Monongalia County).
- 12.1.19. Edwards Run (Hampshire County).
- 12.1.20. Elk Two Mile (Site 12) (Kanawha County).
- 12.1.21. Elk Two Mile (Site 13) (Kanawha County).
- 12.1.22. Elk Two Mile (Site 14) (Kanawha County).
- 12.1.23. Fitzpatrick (Raleigh County).
- 12.1.24. Fork Creek (Boone County).
- 12.1.25. French Creek (Upshur County).
- 12.2.26. Frozencamp Left Fork (Jackson County)
- 12.2.27. Frozencamp Right Fork (Jackson County)
- 12.1.28. Handley (Pocahontas County).
- 12.1.29. Horse Creek (Wyoming County).
- 12.1.30. Hurricane (Putnam County).
- 12.1.31. James P. Bailey (Mercer County).
- 12.1.32. Jimmy Lewis (Mercer County).
- 12.1.33. Jonathan Larck (Putnam County)
- 12.1.34. Kanawha State Forest (Kanawha County).
- 12.1.35. Kee (Mercer County).
- 12.1.36. Kimsey Run (Hardy County).
- 12.1.37. Laurel (Mingo County).
- 12.1.38. Little Beaver (Raleigh County).
- 12.1.39. Logan County Airport Pond (Logan County).

- 12.1.40. Miletree (Roane County).
- 12.1.41. Mill Creek (Barbour County).
- 12.1.42. Millers Fork (Wayne County).
- 12.1.43. Moncove (Monroe County).
- 12.1.44. Mountwood (Wood County).
- 12.1.45. New Creek (Dam Number 14) (Grant County).
- 12.1.46. North Bend (Ritchie County)
- 12.1.47. Pennsboro (Ritchie County).
- 12.1.48. Pipestem (Summers County).
- 12.1.49. Plum Orchard (Fayette County).
- 12.1.50. Poor House (Berkeley County).
- 12.1.51. Raleigh County Airport Pond.
- 12.1.52. Ridenour (Kanawha County).
- 12.1.53. Rock Cliff (Hardy County).
- 12.1.54. Rockhouse (Logan County).
- 12.1.55. Rollins (Jackson County).
- 12.1.56. Seneca (Pocahontas County).
- 12.1.57. Sherwood (Greenbrier County).
- 12.1.58. Silcott Fork (Roane County).
- 12.1.59. South Mill Creek (Grant County).
- 12.1.60. Spruce Knob (Randolph County).
- 12.1.61. Summit (Greenbrier County).
- 12.1.62. Teter Creek (Barbour County).

- 12.1.63. Tracy (Ritchie County).
- 12.1.64. Trout (Hardy County).
- 12.1.65. Tuckahoe (Greenbrier County).
- 12.1.66. Underwood (Cabell County).
- 12.1.67. Upper Cove Run (Hardy County).
- 12.1.68. Wallback (Clay and Roane counties).
- 12.1.69. Warden (Hardy County).
- 12.1.70. Watoga (Pocahontas County).
- 12.1.71. Westover Park (Monongalia County).
- 12.1.72. Wolf Run (Marshall County).

§58-60-13. Night Fishing Regulations.

- 13.1. Fishing at night is prohibited or restricted at the following impoundments:
 - 13.1.1. Barboursville (Cabell County): -- No night fishing allowed.
 - 13.1.2. Boley (Fayette County): -- Night fishing by registered campers only.
 - 13.1.3. Coonskin (Kanawha County): -- No night fishing allowed.
 - 13.1.4. Coopers Rock (Monongalia County): -- No night fishing allowed.
 - 13.1.5. Dog Run (Harrison County): -- No night fishing allowed.
 - 13.1.6. Edwards Run (Hampshire County): -- No night fishing allowed.
 - 13.1.7. Elk Two Mile (Site 12) (Kanawha County): -- No night fishing allowed.
 - 13.1.8. Elk Two Mile (Site 13) (Kanawha County): -- No night fishing allowed.
 - 13.1.9. Elk Two Mile (Site 14) (Kanawha County): -- No night fishing allowed.
 - 13.1.10. French Creek (Upshur County): -- No night fishing allowed.
 - 13.1.11. James P. Bailey (Mercer County): -- No night fishing allowed.

- 13.1.12. Jonathan Larck (Putnam County): -- No night fishing allowed.
- 13.1.13. Krodel (Mason County): -- No night fishing allowed.
- 13.1.14. Larenim (Mineral County): -- No night fishing allowed.
- 13.1.15. Little Beaver (Raleigh County): -- Night fishing by permit only.
- 13.1.16. Logan County Airport Pond (Logan County): -- No night fishing allowed.
- 13.1.17. Lumberport (Harrison County): -- No night fishing allowed.
- 13.1.18. Mill Creek (Barbour County): -- No night fishing allowed.
- 13.1.19. Millers Fork (Wayne County): -- No night fishing allowed.
- 13.1.20. North Bend (Ritchie County): -- Night fishing by registered campers only.
- 13.1.21. Pipestem (Summers County): -- No night fishing allowed.
- 13.1.22. Poor House (Berkeley County): -- No night fishing allowed.
- 13.1.23. Raleigh County Airport Pond (Raleigh County): -- No night fishing allowed.
- 13.1.24. Rock Cliff (Hardy County): -- Night fishing by registered campers only.
- 13.1.25. Rockhouse (Logan County): -- No night fishing allowed.
- 13.1.26. Seneca (Pocahontas County): -- No night fishing allowed.
- 13.1.27. Sherwood (Greenbrier County): -- Night fishing by permit only.
- 13.1.28. Stephens (Raleigh County): -- Night fishing by permit only.
- 13.1.29. Tomlinson Run (Hancock County): -- No night fishing allowed.
- 13.1.30. Underwood (Cabell County): -- No night fishing allowed.
- 13.1.31. Wallback (Clay and Roane counties): -- No night fishing allowed.
- 13.1.32. Watoga (Pocahontas County): -- No night fishing allowed.
- 13.1.33. Westover Park (Monongalia County): -- No night fishing allowed.

§58-60-14. McClintic Wildlife Management Area.

- 14.1. The applicable provisions of Sections 3, 4, 5, 6, and 10 of these regulations are in effect

at the McClintic Wildlife Management Area, except as provided in Sections 14.2 through 14.5 of these regulations.

14.2. The use of live minnows as bait is prohibited at the McClintic Wildlife Management Area.

14.3. The following ponds are closed to fishing year-round: Ponds #12, and #13.

14.4. The following ponds are open for fishing year-round: Ponds #4, #5, #10, #14, #15, #23, #24, #26, #27, #28, #29, #30, #31, #32, #33, #37, and #38.

14.5. The following ponds are open for fishing during the period commencing at thirty minutes past four o'clock postmeridian (4:30 p.m.) on the Friday prior to Memorial Day (Observed) and closing on December 31: Ponds #3, #6, #7, #8, #9, #11, #16, #17, #18, #19, #20, #34, #36, #39, and #40.
