Fiscal Note Summary

Summarize in a clear and concise manner what impact this measure will have on costs and revenues of state government.

The proposed rule deletes the locations of Class Q and children's fishing areas which also are listed under Exempt Rule, Series 58-60-16, because of the season and bag limit restrictions at these locations. This proposed rule is not anticipated to have a fiscal impact upon state government.

Fiscal Note Detail

Show over-all effect in Item 1 and 2 and, in Item 3, give an explanation of Breakdown by fiscal year, including long-range effect.

Series 61, Special Fishing Rule

Rule Title: _____

Rule Title: _____

3. Explanation of above estimates (including long-range effect):

Please include any increase or decrease in fees in your estimated total revenues.

The Division of Natural Resources does not anticipate any changes in fees or revenues resulting from the proposed changes to this rule.

MEMORANDUM

Please identify any areas of vagueness, technical defects, reasons the proposed rule **would not** have a fiscal impact, and/or any special issues **not** captured elsewhere on this form.

This change represents a clarification in the listing of rules for Class Q and Children's fishing areas established under Series 61. The change removes the listing of these areas from Series 61 and references them under Series 60, Exempt Rule, with seasons and bag limits established through Series 60.
