**SUMMARY OF PROPOSED RULE AMENDMENT 14-1-8.3
CONTINUING EDUCATION**

The amendment establishes minimum standards for the forty required hours of continuing education for licensed optometrists during a two-year period. The hours will include a minimum of twelve hours of pharmacology or therapeutic courses, a maximum of six hours of study in practice management and a maximum of ten hours of optometric study by correspondence or via the Internet.

The amendment also lists a new subsection, 8.3a that gives permissive authority to the Board to update continuing education requirements to meet accepted standards of practice by a majority vote of the Board. The Board desires that wants this majority vote of the Board to have the force and effect of law.

**CIRCUMSTANCES REQUIRING LEGISLATIVE RULE AMENDMENT
TITLE 14-SERIES-1-8 CONTINUING EDUCATION**

The continuing education section is too general in its requirements. The amendment is needed to conform education requirements to optometric standards of practice. The Board wants these requirements to have the force and effect of law to protect the public interest.
