**BRIEF SUMMARY OF AND STATEMENT OF CIRCUMSTANCES WHICH REQUIRE
THE PROPOSED LEGISLATIVE RULE**

**BOARD OF PHARMACY RULES FOR CONTINUING EDUCATION FOR
LICENSURE OF PHARMACISTS**

15 CSR 3

Summary and Statement of Circumstances: The Board last modified this Series in 2002. Since that time, certain terminology has changed, and the manner in which continuing pharmacy education (CPE) has evolved. Therefore, the Board determined that it needed to modify the rule to update definitions and references to match modern terminology, such as the proper name for the national accreditation organization for CPE, and the use of “continuing pharmacy education” in place of “continuing pharmaceutical education”. Further, the Board sought to bring our rule into compliance with standards used by the national accreditation organization, including the methods by which CPE is provided and what constitutes a credit hour (60 minutes of instruction per credit). Next, the Board sought to clarify the process for approval of course offerings by providers. Finally, the Board sought to clean up and make minor clarifications throughout.

For Further Information: Copies of the proposed rule may be obtained from the website of the West Virginia Secretary of State at www.wvsos.com, or interested parties may call the Administrative Law Division of the Office of the Secretary of State at (304) 558-6000.

Further information may be obtained by contacting the West Virginia Board of Pharmacy, David E. Potters, Executive Director and General Counsel, 232 Capitol Street, Charleston, West Virginia, 25301, telephone (304) 558-0558.

Note: This is a modification of the Series, such that changes are reflected by strike-throughs and underlining in the proposed rule.
