The Board may deny an application for license, place a licensee on probation, limit or restrict a license, suspend a license or revoke any license issued by the Board, upon satisfactory proof that a licensee has been convicted of a felony or is, in his or her professional capacity, engaged in conduct, practices or acts constituting professional negligence or a willful departure from accepted standards of professional conduct in violation of West Virginia Code § 30-20-1 *et seq.* or the rules of the Board.

5.6. Upon receipt of a complaint, the Board shall issue one of the following acknowledgments to the complainant:

5.8. Requests for comment on complaints sent to Licensees, Permittees or Applicants shall be considered properly served when sent to their last known address. It is the responsibility of the Licensee, Permittee or Applicant to keep the Board informed of his or her current address.

5.9. Upon receipt of a Licensee's, Permittee's or Applicant's comments in response to a complaint, the Board shall promptly send a copy of the same, including any supporting documentation, to the complainant.

5.10. After receipt and review of a complaint, unless the complaint is determined to fall within the provisions of sub-division 5.6.2 of this rule, the Board shall cause to be conducted any reasonable inquiry or investigation it considers necessary to determine the truth and the validity of the allegations set forth in the complaint. The review of complaints and any view or investigation thereof may, at the discretion of the Board, be assigned to a committee of the Board.

5.11. At any point in its investigation of a complaint the Board may, at its discretion, assign the matter to an Ethics Investigator for review and investigation.

5.12. Upon receipt of a complaint the Ethics Investigator shall, within sixty (60) days, review and investigate the same and provide the Board with a report. The report shall contain a

statement of the allegations, a statement of facts, and an analysis of the complaint including a description of the care provided, the records reviewed and a statement of the Ethics Investigator's findings and recommendations. The Ethics Investigator shall, upon request, be afforded an opportunity to have an investigation interview with the Licensee, Permittee or Applicant in question or other involved parties, a report of which shall be placed in the investigation file.

5.13. To facilitate the disposition of a complaint, the Board or the committee may request any person to attend an informal conference, or to appear at a regular meeting of the Board, at any time prior to the Board entering any order with respect to the complaint. The Board or the committee shall give notice of the conference, which notice shall include a statement of issues to be informally discussed. Statements made at a conference may not be introduced at any subsequent hearing on the merits without the consent of all parties to the hearing. No prejudice shall attach for failure to attend a conference pursuant to a request.

Any such request shall be accompanied by a brief statement specifying the necessity for the same.

5.15. At any point in the course of an investigation or inquiry into a complaint, the Board may determine that there is not and will not be sufficient evidence to warrant further proceedings, or that the complaint fails to allege misconduct for which a Physical Therapist, Physical Therapy Aide, Physical Therapist Assistant, Permittee or Applicant may be sanctioned by the Board: Provided, that in the event the review and investigation of a complaint is assigned to the committee or an Ethics Investigator, the committee or Ethics Investigator shall make their respective findings and recommendations to the Board prior to the Board dismissing the complaint.

§ 16.5.1. Contested Case Hearings.

5.1. The Board may refuse to renew a license or suspend a license if it determines there is probable cause to believe that Physical Therapist, Physical Therapy Aide, Physical Therapist Assistant, or Permittee's conduct, practices or acts constitute an immediate danger to the public.

§ 16.5.2. Appeals.

6.1. Any Applicant who has had his or her application for a license denied by order of the Board may appeal the order within thirty (30) days of that action in accordance with the contested case hearing procedures set forth in West Virginia Code § 29A-6-1 *et seq.* and the rules of the Board: Provided, that the appeal shall not include cases in which the Board denies a license or certificate after an examination to test the knowledge or the ability of the applicant where the controversy concerns whether the examination was fair or whether the applicant passed the examination.
