Division of Public Safety
Title 81

4.2 If the Superintendent or his/her designee intends to assert the application of any statute, policy, rule, regulation or written agreement or submits any written response to the filed grievance at any level, a copy thereof shall be forwarded to the grievant and any representative of the grievant named in the filed grievance. Anything submitted and the grievant's response thereto, if any, shall become part of the record. Failure to assert a statute, policy, rule, regulation or written agreement at any level shall not prevent the subsequent submission thereof in accordance with the provisions of this subsection.

4.3 The grievant may file the grievance at the level vested with authority to grant the requested relief if each lower administrative level agrees in writing thereto. In the event a grievance is filed at a higher level, the Division of Public Safety shall provide copies to each lower administrative level.

4.4 A member may withdraw a grievance at any time by notice, in writing, to the level wherein the grievance is then current. The grievance may not be reinstated by the grievant unless reinstatement is granted by the grievance evaluator at the level where the grievance was withdrawn. If more than one member is named as grievant in a particular grievance, the withdrawal of one member shall not prejudice the rights of any other member named in the grievance. In the event a grievance is withdrawn or a member withdraws from a grievance, the Superintendent or his/her designee shall notify in writing each lower administrative level.

4.5 Grievances may be consolidated at any level by agreement of all parties.

4.6 A grievant may be represented by an employee organization representative, as defined in section 3 of this rule, or legal counsel including a fellow member in the preparation or presentation of the grievance. At the request of the grievant, such person or persons may be present, starting at level three and four of the procedure: Provided, That at level one and two of the grievance, as set forth in section 5.1 of this rule, a grievant may have no representative. The Division may, likewise, only be represented at level three and four.

4.7 If a grievance is filed which cannot be resolved within the time limits set forth in section four of this rule prior to the end of the grievant's term of employment, the time limit set forth in that section shall be reduced as agreed to in writing by both parties so that the grievance procedure may be concluded within ten days following the end of the employment term or an otherwise reasonable time.

4.8 No reprisals of any kind shall be taken by the Superintendent or his/her designee against any interested party, or any other participant in the grievance procedure by reason of such participation. A reprisal constitutes a grievance, and any person held to be responsible for reprisal action is subject to disciplinary action for insubordination.

4.9 Decisions rendered at all levels of the grievance procedure shall be dated, shall be in writing setting forth the decision or decisions and the reasons for the decision, and shall be transmitted by the grievance evaluator to the grievant and any representative named in the grievance within the time prescribed, with the exception of the informal, unwritten level of step one. If the grievant is denied the relief sought, the decision shall include the name of the individual at the next level to whom appeal may be made.

4.10 Once a grievance has been filed, supportive or corroborative evidence may be presented at any conference or hearing conducted pursuant to the provisions of this rule. Whether evidence substantially alters the original grievance and renders it a different grievance is within the discretion of the grievance evaluator at the level wherein the new evidence is presented. If the grievance evaluator rules that the evidence renders it a different grievance, the party offering the evidence may withdraw the evidence, the parties may consent to the evidence, or the grievance evaluator may decide to hear the evidence or rule that the grievant must file a new grievance. The time limitation for filing the new grievance shall be measured from the date of the ruling.

4.11 Any change in the relief sought by the grievant shall be consented to by all parties or may be granted at level four within the discretion of the hearing examiner.

4.12 Forms for filing grievances, giving notice, taking appeals, making reports and recommendations, and all other necessary documents shall be made available by the immediate supervisor to any member upon request. The forms shall include information as prescribed by the board. The grievant shall have access to the Division's equipment for purposes of preparing grievance documents subject to the reasonable rules of the employer governing the use of the equipment.

4.13 Notwithstanding the provisions of W. Va. Code §6-9A-3, or any other provision relating to open proceedings, all conferences and hearings pursuant to this rule shall be conducted in private except that, upon the grievant's request, conferences and hearings at levels two and three shall be open to employees of the grievant's immediate office or work area. Within the discretion of the hearing examiner, conferences and hearings may be public at level four.

4.14 No person shall confer or correspond with a hearing examiner regarding the merits of the grievance unless all parties to the grievance are present.

4.15 Grievances shall be processed during regular working hours. Attempts shall be made to process the grievance in a manner which does not interfere with the normal operation of the Division.

4.16 The grievant or the member selected by a grievant to represent him in the processing of a grievance through this procedure, or both, shall be granted by the Division necessary time off during working hours for the grievance procedure without loss of pay and without charge to annual or compensatory leave credits. In addition to actual time spent in grievance conferences and hearings, the grievant or the grievant's representative, or both, shall be granted time off during working hours, not to exceed four hours per grievance, for the preparation of the grievance without loss of pay and without charge to annual or compensatory leave credits. However, it shall be understood by all parties that the first responsibility of any member is the work assigned by the Division of Public Safety to the member. Grievance preparation and representation activities by a member shall not seriously affect the overall productivity of the member. Members submitting complaints or grievances, members involved in complaint and grievance investigations, and members participating in complaint and grievance meetings and proceedings may do so during working hours without loss of pay and without charge to accumulated leave, after requesting permission from the supervisor to do so. The supervisor shall not unreasonably withhold permission.

4.17 The aggrieved member, the Division of Public Safety and representatives of both have the right to call, examine and cross-examine witnesses who are employees of the Division of Public Safety against which the grievance is lodged and who have knowledge of the facts at issue.

4.18 Both parties may produce witnesses other than employees of the Division of Public Safety against which the grievance is lodged, and the witnesses are subject to examination and cross-examination.

4.19 Should the Superintendent or his/her designee cause a conference or hearing to be postponed without adequate notice to employees who are scheduled to appear during their normal work day, the employees shall not suffer any loss in pay for work time lost.

4.21 No less than one year following resolution of a grievance at any level, the grievant may request in writing that the Division remove any record of the grievant's identity from any file kept by the Division.

4.22 Procedures:

4.22.1 The Division Inspector is responsible for the coordination of grievance procedures.
