The stewards shall be appointed in accordance with Section 10.1 herein. All the appointments, however, are subject to the approval of the West Virginia Racing Commission, which reserves the right to demand a change of personnel for what the Commission, in its sole discretion, deems good and sufficient reason, the successor to the official so replaced to be subject to the approval of the Commission.

Racing Commission

10.8 The stewards may suspend up to and including an indefinite period or they may fine not to exceed five hundred dollars (\$500), or both, anyone whom they have authority to supervise. 31.3 Subscriptions and all entries or rights of entry are valid when a horse is sold with his engagements duly transferred; in duly registered partnerships, when subscriptions, entries and rights of entries survive in the remaining partners; and when entries under the decedent's subscriptions have been made previous to the decedent's death, by the transfer of the right of entry.

31.4 Subscriptions and all entries or rights of entry under them become void on the death of a subscriber, except in case of duly registered partnerships or except subject to the sanction of the stewards, when the personal representative of an estate shall, in writing, request that the benefits of such accrue to the estate of the decedent subscriber for the privilege of transfer, and shall agree to assume any and all obligations incident to the original entries.

31.5 No person shall make or receive the transfer of a horse or engagement for the purpose of avoiding disqualification.

31.6 So long as the name of a person is on the arrears list no engagements can be transferred or accepted by him, and no horse can be entered by him or under his subscription for any race.

31.7 When a seller fails to declare a horse out of an engagement, not sold or transferred with the horse, the purchaser is not entitled to start the horse or to the stakes if he wins.

31.8 Should a horse be sold with his engagements or any part of them, the seller cannot declare the horse out of any such engagements.

§ 178-1-32. Entries, declarations and subscriptions.

32.1 When a person is ruled off a course or suspended, every horse owned, in whole or in part, by him or under his care and control shall be ineligible to be entered or start in any race until said horse has been reinstated, either by the rescinding of his owner's penalty or by his transfer through bona fide sale to an ownership acceptable to, and approved by the stewards or West Virginia Racing Commission.

When a person is ruled off a course or suspended, he shall not be qualified, whether acting as agent or otherwise, to subscribe for or to enter or run any horse in any race either in his own name or in that of any other person until the rescinding of such penalty.

Racing Commission  
Title 178  
Series 1

32.2 No horse shall be registered for racing or permitted to enter or start in a race unless stabled on the grounds of the association conducting the meeting or at other approved stabling facilities. Horses may be exchanged if approved by the racing secretary. This rule shall not prohibit entry or nomination of a horse or horses in a handicap, stakes or allowance race if being shipped in to participate in those specific races.

32.3 No person shall willfully enter, or cause to be entered or start a horse which he knows or believes to be ineligible or disqualified.

32.4 A horse shall not be qualified to start in any race unless he has been and continues properly entered therein.

32.5 No horse shall be allowed to race unless it has been lip tattooed. For good cause, the stewards may waive this requirement if the horse is otherwise properly identified. However, the horse shall be tattooed thereafter within such time as set by the stewards.

32.6 For all races, the racing secretary is the person authorized to receive entries and declarations.

32.7 Entries and declarations shall be made in writing and signed by the trainer of the horse, or his authorized agent, or some person deputized by him, and each association shall provide blank forms on which entries and declarations are to be made.

32.8 A signed entry blank shall be prima facie evidence that the contents of the entry blank express the desires and intent of the person making entry.

32.9 Entries may be made by telephone or telegraph with permission of the stewards.

32.10 No person not having an interest in a horse, equal at least to the interest or property of any other one (1) person is entitled to enter the horse in a race as the owner.

32.11 Joint subscriptions and entries may be made by any one or more of the owners. However, all partners and each of them shall be jointly and separately liable for all fees and forfeits.

32.12 In entering a horse, it must be clearly identified by stating its age, sex, name and color, names of its sire and dam.

Racing Commission  
Title 178  
Series 1

If the registration certificate indicates the dam was covered by more than one (1) stallion, the names of all of them must be given in order of service.

32.13 The stewards shall have power to call on any person in whose name a horse is entered to produce proof that the horse entered is not the property either wholly or in part of any person who is disqualified, or to produce proof of the extent of his interest or property in the horse, and in default of such proof being given to their satisfaction, may declare the horse out of the race.

32.14 The entries of any person, or the transfer of any entry, may be refused with notice and reason being given therefor.

32.15 No horse shall be allowed to start in any race unless duly registered and named with the registry office of The Jockey Club (New York) and the Certificate of Registration properly endorsed to the current owner is on file with the racing secretary one-half (1/2) hour prior to post time of the first race. For good cause the stewards may waive this requirement if the horse is otherwise properly identified.

32.16 If a horse's name is changed, his new name shall be registered with the Jockey Club (New York) and no entry shall be accepted until such time as new Certificate of Registration has been issued by the Jockey Club (New York).

32.17 No maiden six (6) years or older shall be permitted to start in West Virginia. Any horse thirteen (13) years or older will not be allowed to start in West Virginia unless special permission is granted in response to a request by anyone, who is licensed, by the West Virginia Racing Commission.

32.18 No horse shall be permitted to enter or to start in any race unless he is in the care of, and the saddling is supervised by, a trainer currently licensed in West Virginia.

32.19 No horse shall be permitted to start whose name and true ownership is not registered with the racing secretary.

32.20 The entry of a horse must be in the name of his true owner.

32.21 A horse must be eligible at the time of starting.

Racing Commission  
Title 178  
Series 1

32.22 No horse involved in a partnership shall be permitted to enter or to start until the rules for the registration of partnerships have been complied with.

32.23 If an entry from any disqualified person or a disqualified horse is received, such entry shall be void and any money paid for such entry shall be void and any money paid for such entry shall be returned if the disqualification is disclosed forty-five (45) minutes before post time for the race. Otherwise any such money shall be paid to the winner.

32.24 Rescinded.

32.25 No horse on the schooling list, veterinarian list or stewards list, shall be qualified to be entered, or to start.

32.26 No owner or trainer shall enter or start a horse that:

32.26.1 is not in serviceable sound racing condition;

32.26.2 is a known bleeder unless cleared under Section 21.2 of these rules;

32.26.3 has been trachea-tubed;

32.26.4 has been "nerved," except as herein provided in Section 52.20 of these rules; and

32.26.5 is afflicted by the disease known as periodic ophthalmia, moon blindness or similar disease afflicting the vision.

32.27 If a horse is sold to a disqualified person, said horse's racing engagements shall be void as of the date of sale.

32.28 No horse shall be allowed to enter or to start in any race if the owner of that horse is in arrears, except with the approval of the racing secretary or stewards.

32.29 No more than two (2) horses of the same ownership or interest shall be entered in a purse race, and both may start, except:

32.29.1 When making an entry, the trainer must express a preference; and in no case may two (2) horses start as an entry even though uncoupled for wagering purposes if it deprives a single

Racing Commission  
Title 178

entry from starting.

32.29.2 Stake rules shall apply at all tracks regardless of size.

32.30 In the races comprising the daily double, only one (1) horse may be raced in a single interest, or trained by one (1) trainer. No entries will be allowed in the races comprising the daily double, trifecta, trizacta, super exacta, superfecta, and/or big perfecta etc. In all simulcast races entries and/or field rules shall be those used at host track.

32.31 If a race is declared off, the racing secretary may split or divide any overnight race which may have closed and cause a new drawing for post positions.

32.32 Entries shall be closed at an advertised time, and no entry accepted thereafter. The racing secretary, however, may postpone closing of overnight races.

32.33 If the number of entries to any purse race is in excess of the number of horses that may, because of track limitations, be permitted to start, the "starters" for the race and their post positions shall be determined by lot in public. The same methods shall be employed in determining the starters and post positions in split races.

32.34 If a horse is successfully claimed or transferred, the original Registration Certificate shall be delivered to the new owner.

32.35 Any licensee who refuses to deliver any such Registration Certificate, if the same is reasonably available, shall be suspended until the same is delivered.

32.36 Entries which have closed shall be compiled without delay by the racing secretary and conspicuously posted.

32.37 No alteration shall be made in any entry after closing of entries, but an error may be corrected.

32.38 Any horse which has been excused from starting on account of sickness or physical disability, will not be eligible to start for a minimum of five (5) calendar days, exclusive of the day of scratch. The entry must be accompanied by a certificate of fitness from the state veterinarian and be approved by the

stewards.

32.39 Mares who are or who may be in foal will not be eligible for racing unless full information as to services has been filed with the racing secretary and approval has been given by the track veterinarian. This information will be posted on the bulletin board in the racing secretary's office. Should the in-foal mare be claimed, the original owner shall supply the stallion service certificate to owner of said mare at time of foaling.

32.40 No horse shall be permitted on the grounds of a racing association in this State unless the horse has had a negative Coggins test within the past twenty-four (24) months if stabled in West Virginia or six (6) months if stabled out of the State of West Virginia. All horses from a state with a program comparable to the West Virginia program shall be permitted on the grounds of a racing association if accompanied by an official Health Certificate giving a positive description of the animal and showing a negative coggins test within the last twelve (12) months. If a horse is in the entries, and if the coggins has expired, blood may be taken and the horse will be allowed to run.

32.41 No entry shall be received of any horse not stabled upon the grounds of the racing association where the race is run, unless the stabling area elsewhere has been approved by the stewards representing the West Virginia Racing Commission or his designee.

32.42 No entry shall be accepted from husband or wife while either is disqualified. For the purpose of these rules, husband and wife shall be considered as one unless legally separated and evidence of such separation is on file with the West Virginia Racing Commission.

§ 178-1-33. Also eligible.

33.1 A list of names (number to be determined by the racing secretary) may be drawn from the overflow entries and listed as "also eligible" to start if and when horses originally carded are "scratched." Horses gaining a position in the race from the "also eligible" list shall be determined by lot.

33.2 If the owner of a horse on the "also eligible" list is not given the opportunity of starting his horse because of insufficient "scratches," the name of said horse shall be placed on the preferred list. The name of no horse shall be placed on the

preferred list if the owner thereof did not accept when presented the opportunity of starting. However, where a substitute race or extra race is used, or placed on the over-night to be used, if needed, all horses entering in such races and not given the opportunity of starting shall be placed on the preferred list. In case of an "entry," the preferred horse only, shall be given a place on the preferred list unless the second choice of an entry should be included in another division of a divided race and does not gain a position in the race (may not exclude a single interest), he then shall be given a place on the preferred list.

33.3 Any horse which has drawn a position in a race and enters again on the next day that entries are taken shall be termed and "in-today" horse and if the race in which the horse is entered overfills, the horse shall be given no consideration whatsoever, stakes excepted. If a horse is on the "also eligible" list and draws in a race the next day, he is an automatic scratch from the "eligible" list the first day.

§ 178-1-34. Preferred list.

34.1 A copy of the preferred list will be posted each afternoon and any claim of error must be made by scratch time of the following day. No claim of error not made within the prescribed time will be recognized by the stewards.

34.2 In entering horses on the preferred list, a claim of preference must be made at time of entry and noted on the entry or the preference shall be lost and no claim of error will be considered by the stewards if the person making the claim has signed an entry not marked in keeping with this rule.

§ 178-1-35. Penalties and allowances.

35.1 Penalties and allowances are not cumulative, unless so declared by the conditions of the race, and shall take effect at the time of starting, except that in overnight events a horse shall have only the allowance to which it was entitled at the time of entry.

35.2 Penalties are obligatory. Allowances are optional as to all or any part thereof, and in overnight events must be claimed at the time of entry.

35.3 No horse shall receive allowance of weight nor be relieved from extra weight for having been beaten in one or more

Racing Commission  
Title 178  
Series 1

aces, but this rule shall not prohibit maiden allowance or allowances to horses that have not won a race within a specified period or a race of a specified value.

35.4 Failure to claim a weight allowance by oversight or omission is not cause of disqualification. Claims of weight allowance to which a horse is not entitled shall not disqualify unless such incorrect weight is carried in the race. However, a fine may be imposed upon the person claiming allowance to which his horse is not entitled.

35.5 Eligibility, penalties and allowances of weight for all races will be determined after considering the reports, records and statistics published by the daily racing form and other racing statistical publications, but responsibility for weight carried and eligibility still remain with the owner and trainer as prescribed by the Rules of Racing.

35.6 No horse shall incur a weight penalty for placement from which he is disqualified, but a horse placed through the disqualification of another horse shall incur the weight penalties of that placement. No such placement shall make a horse ineligible to a race which has already been run.

35.7 When a race is in dispute, both the horse that finished first and any horse claiming the race shall be liable to all penalties attached to the winner of that race until the matter is decided.

35.8 Races written to be run under "Scale of Weights or Weight for Age" shall be run under the weights as provided for in the scale of weights chart appearing in this book.

35.9 It shall be within the power of the racing secretary to write races either above or below scale as he may see fit: Provided, That his weights comply with the minimum weight rule.

§ 178-1-36. Licenses and licensees.

36.1 Any person who is engaged in or employed by those engaged in racing or operating a race meeting, or those operating concessions for or under authority from any association, except those persons in an executive capacity by the association, must be licenced by the West Virginia Racing Commission.

36.2 In the event that a dispute should arise between a West

Virginia Licensee and West Virginia Permit Holders, at any race track in the State of West Virginia and in the event the said permit holders or said licensee desire to terminate or discontinue their activities under an existing license or permit, then in such event the said licensee or said permit holders, as the case may be, shall give seven (7) days notice, in writing, of their intention to terminate or discontinue all activities under their existing license or permit to the licensee or permit holders, as the case may be, and to the West Virginia Racing Commission. The Commission may, upon request from either party, within the aforesaid seven (7) day period conduct hearings in an attempt to arbitrate and settle any disputes by and between the parties. In the event either the West Virginia licensee or West Virginia permit holders fail to provide by the notice provision set forth herein, same shall be grounds for permanent suspension by the West Virginia Racing Commission.

36.3 Applicant for license may be called upon to submit satisfactory evidence of financial responsibility, and after license has been issued, must maintain a record of financial responsibility during the period for which license is issued.

36.4 The Commission may refuse to issue or renew a license, or may suspend or revoke a license issued pursuant to these rules, if it shall find that the applicant, or any person who is a partner, agent, employee or associate of the applicant, has been convicted of a crime in any jurisdiction, or is or has been associating or consorting with any such person who has or persons who have been convicted of a crime or crimes in any jurisdiction or jurisdictions, or is consorting or associating with or has consorted or associated with bookmakers, touts or persons of similar pursuits, or has himself engaged in similar pursuits, or is financially irresponsible, or has been guilty of or attempted any fraud or misrepresentation in connection with racing, breeding or otherwise, or has violated or attempted to violate any law with respect to racing in any jurisdiction or any rule regulation or order of the Commission, or adopted by the Commission, or has been guilty of or engaged in similar, related or like practice.

36.5 All applications for licenses shall be filed with the West Virginia license clerk in the Commission office and submitted to the stewards who shall have the authority to issue the license, hold the application for further investigation, or refer it to the Racing Commission for final action. All stewards shall review and sign all license applications.

36.8 Every person who is suspended, or whose license is revoked, or to whom a license is denied by any racing board or Commission belonging to the National Association of State Racing Commissioners, must apply to and be reinstated by the Board or Commission of the state in which the original ruling was made before being eligible to be licensed in any capacity by the West Virginia Racing Commission.

36.9 All licensed personnel shall visibly display their card at all times in restricted areas and shall be held responsible for the safekeeping of it. No license shall be transferable and no duplicate cards shall be issued except upon payment of a fee of five dollars (\$5.00).

36.10 Any licensed person who allows another to use his license card or badge or any person who uses the license card or badge of another person for the purpose of transferring any of the benefits pertaining thereto may be suspended, fined or both.

36.11 When the denial of a license has been ordered by the Racing Commission, the secretary of the Commission shall report the particulars to the applicant and shall further report the matter to the National Association of State Racing Commissioners, giving detailed reasons why the denial was made.

36.12 A trainer or jockey may be permitted by the stewards to pursue his vocation pending action upon his application or an owner may race his horses upon issuance of a temporary license; but a jockey, trainer or owner having been suspended or ruled off and subsequently reinstated after the expiration of his license, shall not be permitted to pursue his vocation until a license has been granted.

36.13 Every license shall be for not more than one (1) year and shall expire on December 31 of each year.

36.14 The Commission may deny or revoke a license to any person who shall have been refused a license by any other State Racing Commission or Racing Authority: Provided however, That the State Racing Commission or Racing Authority of each other state extends to the Racing Commission of West Virginia reciprocal courtesy to maintain the disciplinary control. The Racing Commission may deny or revoke any license where the holder thereof

Racing Commission  
Title 178

has violated the Rules and Regulations of the Commission or who has falsified his application of or for said license.

36.15 The responsibility of licensing an employee rests with the employer. Employment of a nonlicensed individual without reporting such employment to the stewards and immediately obtaining a license for said employee may be cause for fine, suspension or both.

36.16 No application for a license will be considered for, or license granted to, anyone under sixteen (16) years of age.

36.17 The stewards or the Racing Commission may impose such condition or conditions on the issuance of a license or permit as they deem necessary in their sole discretion to protect the best interest and integrity of racing. The stewards or Racing Commission may deny a license or permit if a conflict of interest exists or could exist as a result of the issuance of said license or permit.

36.18 Any person under suspension, by the licensing body in any country, shall remain under suspension in this State until reinstated by the original licensing country.

36.19 The following conditions must be observed in obtaining a license as a tip sheet vendor:

36.19.1 Any family, corporation, partnership or sole proprietorship, or any employees thereof, may publish no more than one (1) version of a tip sheet for use at any one (1) track on any given race day. There is no limit on the number of copies of the one (1) version that may be produced and sold.

36.19.2 To ensure fair conditions for the betting public, a tip sheet vendor may not use the same facilities to produce a tip sheet as are used by another tip sheet vendor at the same track.

36.19.3 All tip sheet vendor applicants must meet the conditions set forth in (a) and (b) to the full satisfaction of the state steward.

§ 178-1-37. Jockeys and apprentice jockeys.

37.1 Each jockey and apprentice jockey must obtain a license from the Commission and no license shall be issued to any jockey

Racing Commission  
Title 178

or apprentice jockey under sixteen (16) years of age.

37.2 No person who has never ridden in a race shall be granted a license; however, by permission of the Commission and the stewards, a temporary license may be granted for the riding of ten(10) or more races and, if approved by the stewards and the Commission after having consulted with the representatives of the jockeys, said temporary license may be replaced with a license.

37.3 No jockey, or his wife, or her husband, shall be the owner of any race horse, neither shall they have any interest in one.

37.4 A jockey shall not ride or agree to ride in any race without the consent of the owner to whom he is under contract.

37.5 All jockeys shall faithfully fulfill all engagements in respect to racing.

37.6 A jockey may not ride in any race against a starter of his contract employer unless his mount and his contract employer's starter are both in the hands of the same trainer.

37.7 In riding a race, a jockey must be neat in appearance and judgment of the stewards shall control in this regard. All riders must be dressed in clean jockey costume, cap and jacket of silk, satin or waterproof, white or light breeches and top boots. In all races, jockeys must wear approved safety helmets, the weight of which shall not be included in the jockey's weight.

37.8 A jockey must wear the colors of the owner or owners of the horse he is riding (except by special permission or orders from the stewards) and a number on the saddle cloth corresponding to the number of the horse as exhibited in the official program.

37.9 A jockey shall wear a number on his right arm (also on his left arm if the judges' stand is inside the infield) and it and the saddle cloth number shall correspond to the number of the horse in the official program.

37.10 Every jockey who is to ride shall report and weight out at the appointed time unless excused by the stewards. Every jockey who has an engagement to ride in a stake race must report in the jockey room not later than one (1) hour before post time of that race. Jockeys shall not leave the jockey room, except to view the races from a point approved by the stewards or to ride in a race,

Racing Commission

unless by permission granted by the stewards, until all of his engagements of the day have been fulfilled.

37.11 All jockeys must pass a physical examination once a year before being permitted to ride, by a doctor designated by the Commission. The stewards may require that any jockey be reexamined and may refuse to allow any jockey to ride until he successfully passes such an examination. If a jockey has previously passed such an examination prior to his appearance at a track in this State, he must present a physical fitness card signed by the examining doctor that shows the date upon which the examination was made.

37.12 No jockey shall make a bet on any race nor accept the promise or token of any bet, with respect to the race in which he is riding, except through or from the owner or trainer of the horse he rides and then only on that horse.

37.13 Jockey's riding fees must be paid to the horsemen's bookkeeper.

37.13.1 If any owner or trainer engages two (2) or more jockeys for the same race, he shall pay the losing fee for each engaged jockey not riding in the race, as well as the proper fee to the jockey who does ride.

37.14 A jockey's fee shall be considered earned when the jockey is weighed out by the clerk of scales. The fee shall not be considered earned if the jockey, of his own free will, takes himself off his mount, where injury to the horse or rider is not involved. Any conditions or considerations not covered by the above ruling shall be at the discretion of the stewards.

37.15 In a dead heat, the jockeys involved shall divide equally the sum total of the fees they would have received individually had one beaten the other or others. Likewise, the owners of the horses involved shall pay their equal share.

37.16 A jockey who is under suspension will not be permitted to fulfill any engagements including stakes races. A jockey under suspension in any other state will not be permitted to ride in West Virginia during such suspension.

37.16.1 Jockey's serving a suspension of 10 days or less are permitted to ride in a designated race during the suspension if the:

race meeting at the association.

(b). Race has been approved as a designated race by the stewards officiating at the meeting.

(c). Jockey is named not later than at the time set for the close of entries for the race, and

(d). Jockey agrees to serve an additional day of suspension in place of the day on which the jockey rides in a designated race.

37.17 The suspension of a jockey for an offense not involving fraud shall begin on the second day after the ruling, unless otherwise ordered by the stewards. A suspension for fraud shall begin immediately after the ruling.

37.18 A jockey temporarily suspended, may be permitted to exercise or gallop horses until the track closed for the morning.

37.19 A forfeiture must be paid by the jockey himself and any other person paying it shall be subject to punishment.

37.20 Every jockey may have one (1) agent and no more. All engagements to ride, other than those for his contract employer, shall be made by himself or his agent; however, the one (1) making the engagements shall be held responsible for the proper maintenance of the engagement book.

37.21 No jockey shall have an attendant other than those provided by the association.

37.22 Employers retaining the same jockey have precedence according to priority of the retainers as specified in the contracts.

37.24 Jockey apprentices must obtain a license from the West Virginia Racing Commission and shall be bound by all of the rules for jockeys, except insofar as said rules may be in conflict with the following specific regulations for apprentices.

37.25 Apprentice contracts entered into in the State of West Virginia must be made on forms approved by the Racing Commission, and a duplicate original copy, along with a satisfactory record of birth, shall be filed permanently with the Racing Commission.

37.26 The original apprentice jockey contract shall be kept in full force and effect throughout its contract period. Any and all amendments to said contract must be made a part of and either added to or attached to the copies in possession of the parties and a like copy of said amendments sent to the Commission where the original contract is filed.

37.28 If an apprentice contract is transferred, said transfer must be approved by the stewards and registered with the Racing Commission by both the transferer and the transferee.

37.29 No person shall be allowed to enter into a contract in West Virginia with an apprentice jockey unless he is the owner or trainer of such a stable of horses as would, in the opinion of the stewards, warrant his employment of an apprentice.

Such licensed trainer shall sign in the presence of the stewards a form furnished by the association accepting complete responsibility of the horse or horses being entered or running.

45.4 A licensed trainer may represent the owner in the matter of entries, declarations, and the employment of jockeys, but shall not be allowed to withdraw any money from the association, either in his own name or that of an owner, nor may he contract obligations against the account of any owner or part owner unless he is the authorized agent of said owner or part owner, and has a license having been issued by the West Virginia Racing Commission as such.

45.5 A trainer shall have his horse in the paddock at the time appointed.

45.6 If, for any reason, the trainer of a horse is not or cannot be present at the time of collection of urine, blood or other samples, it shall be deemed by the Commission that the person actually in custody of the horse is duly authorized to witness the taking and sealing of the specimen and has the trainer's authority to sign as witness to such action.

45.7 A trainer shall attend his horse in the paddock, and shall be present to supervise his saddling, unless he has obtained the permission of a steward to send another licensed trainer as a substitute. He shall also be present following the running of a race to attend his horse or cause a licensed employee to be present for that purpose.

45.8 A trainer shall be responsible for the condition of a horse trained by him.

45.13 No trainer shall accept, directly or indirectly, any bribe, gift or gratuity in any form which might influence the result of any race or which would tend to do so.

45.14 No trainer shall move or permit to be moved any horse or horses in his care from the grounds of an association without permission from the racing secretary or the stewards.

45.15 No trainer shall employ a jockey for the purpose of preventing him from riding in any race.

45.16 The trainer shall be responsible as an absolute insurer of the condition of the horses he enters regardless of any act of a third party as further set forth in Section 58.4. of these rules.

45.17 An applicant for a trainer's license, who has not been previously licensed, must have the written statement of two (2) reputable persons to the effect that the applicant is personally known to them and that he is a person of good reputation and capable of satisfactory performance of the vocation he seeks to follow. This rule shall not apply to racing equipment used by jockeys only.

§ 178-1-47. Claiming.

47.1 In claiming races any horse is subject to claim for its entered price by any licensed owner in good standing, or by the holder of a certificate of eligibility to claim. The procedure of obtaining a certificate to claim shall be as follows:

47.1.1 An applicant shall, five (5) days before entering a claim, submit an application for the owner's original license, to be accompanied by:

47.1.1.1 A financial statement;

47.1.1.2 The name of a licensed trainer or person eligible to be licensed as a trainer who will assume care and

responsibility for the horse claimed; and

47.1.1.3 The requisite fee for owners license.

47.1.2 This certificate shall be valid for the remainder of the calendar year.

47.2 No one may claim more than one horse out of any one race.

47.2.1 No trainer, even though he be an owner and qualified under the rules to claim, may submit a claim out of the same race in which the owner of horses trained by him, has submitted a claim. If such an act inadvertently occurs, the claim made by the trainer shall be declared void.

47.2.2 No authorized agent, although representing more than one owner, shall submit more than one claim in any one race.

47.2.3 When a stable consists of horses owned by more than one owner, trained by the same trainer, not more than one claim may be entered on behalf of such stable in any one race. In case such an act inadvertently occurs, the owners shall compete by lot for the right of claim.

47.2.4 When a stable consists of horses owned by more than one owner, trained by the same trainer, such owners will not be eligible to claim from that trainer's stable.

47.3 If a horse is claimed, it shall not start in a selling or claiming race for a period of thirty (30) days from the date of claim for less than twenty-five percent (25%) more than the amount for which it was claimed, nor shall it be entered for thirty (30) days after being claimed in a race in which the determining eligibility price is less than twenty-five percent (25%) more than the price at which the horse was claimed. The day claimed shall not count but the following calendar day shall be the first day and the horse shall be entitled to enter whenever necessary so the horse may start on the thirty-first calendar day following the claim for any claiming price. This provision shall not apply to starter handicaps in which the weight to be carried is assigned by the handicapper.

47.4 Any horse so claimed shall not be sold or transferred, wholly or in part thereof, to anyone for sixty (60) days thereafter, except in another claiming race, nor shall it remain in

Racing Commission  
Title 178  
Series 1

the same barn or under the control or management of its former owner or trainer for a like period, unless reclaimed, nor shall it race at any other racing jurisdiction for a period of sixty (60) days.

47.5 The claiming price of each horse in a claiming race shall be printed on the program, and all claims for said horse shall be for the amount so designated, plus sales tax. Should more than one claim be filed for the same horse, the disposition of the horse shall be determined by lot under the direction of one or more of the stewards or one deputized to act for them.

47.6 All claims must be made in writing on forms and in envelopes approved by the Commission. Both forms and envelopes must be filled out completely and accurately, otherwise the claim will be void. The envelope shall have no identification marked on it, but shall be marked with the number of the race for which the claim is being made. The envelopes must be sealed, time stamped, and deposited in a locked box provided for this purpose. No money shall accompany the claim. Each person desiring to make a claim must first deposit with the association the whole amount of the claim in cash, plus sales tax, unless at the time of depositing said claim, he shall have such amount to his credit and unencumbered with the association. The spelling of a horses' name, on the official program on the day of claiming may be considered to be the accurate information for the purpose of claiming. Responsibility for determining sex of the horse, notwithstanding any designation of sex appearing on the racing program or in any racing publication, the claimant of a horse shall be solely responsible for determining the sex of the horse claimed. When a claim has been filed, it is irrevocable and at the risk of the claimant.

47.7 All claims must be deposited in the claiming box at least fifteen (15) minutes before post time of the race with respect to which the claim is made, and no official of said association shall give any information as to the filing of claims therein until after the race has been run. All claims shall be passed upon by the stewards.

47.8 A horse claimed shall not be delivered by the original owner to the successful claimant until authorization shall be given by the stewards, and every horse so claimed shall run in the interest and for the account of the owner who entered it in the race, but title to the claimed horse shall be vested in the successful claimant from the time said horse becomes a "Starter"

Racing Commission  
Title 178

and said successful claimant shall become the owner of the horse, whether it be alive or dead, sound or unsound, or injured during the race or after it.

47.9 Any person making a claim for a horse in any claiming race shall sign an affidavit which shall be part of the claim blank, certifying that he is claiming said horse for his own account or as an authorized agent and not for any other person. Any person making such affidavit falsely shall be immediately suspended and his case referred to the Commission for further action.

47.10 No person shall refuse to deliver to the person or persons entitled thereto under these rules, a horse claimed out of a claiming race, and furthermore, the horse in question shall be barred along with all other horses owned or trained by said person, until delivery is made.

47.11 No person shall offer, or enter into an agreement, to claim or attempt to prevent another person from claiming, any horse in a claiming race; nor shall any person attempt by intimidation to prevent any one from running a horse in any race for which it is entered; nor shall any owner or trainer running horses in any claiming race make any agreement for the protection of each other's horses.

47.12 No person or persons shall start or allow to be started in a claiming race, a horse against which any claim is held, either as a mortgage, bill of sale, or lien of any kind, unless before starting the horse a written consent of the holder of the claim is on file with the Horsemen's Bookkeeper. A person may not claim ownership in a horse after the horse has run in a claiming race in the name of another person, who, at the time of the race, had peaceable and undisputed possession of the horse.

47.13 Any horse that has been claimed shall, after the race has been run, be taken to the paddock for delivery to the claimant, who must present written authorization for the claim, from the stewards or their designee.

47.14 If a horse has been claimed, the trainer or his designee must accompany his horse to the test barn if said horse is required to go to the test barn, and remain in the test barn until said horse has been released by the state veterinarian or his agent. The trainer or his designee must accompany the horse to the test barn if the horse has been designated to go to the test barn

Racing Commission

even though delivery has been made in accordance with Section 47.13. of these rules.

47.15 All horses claimed in other states and racing here shall be subject to the conditions of the claiming rule in the state where the claim was made.

47.16 The stewards shall be sole judge of the quality of the horses in the stable of the claimant, and shall decide when the spirit as well as the intent of the rule is being violated. They may, at their discretion, declare any claim void.

§ 178-1-48. Postponement and cancellation of races.

48.1 If the whole or a part of a racing program is abandoned, any purse race involved must be declared off.

48.2 If the whole or a part of a racing program is abandoned, any stakes race involved may be postponed or declared off.

48.3 If a stakes race is declared off, all subscriptions and fees paid in connection with that race shall be refunded.

§ 178-1-49. Dead heats.

49.1 When two (2) or more horses run a dead heat, the dead heat shall not be run off.

49.2 The owners of the horses in a dead heat shall divide equally the purse money involved.

49.3 If a dead heat is for first place, each horse shall be considered a winner of the amount received according to the preceding rule.

49.4 When a dead heat is run for second place and an objection is made to the winner of the race, and sustained, the horses which run the dead heat shall be deemed to have run a dead heat for first place.

49.5 Owners shall divide equally all moneys and other prizes and if no agreement can be reached as to which of them shall receive a cup, plate or other indivisible prize, they shall draw lots for it in the presence of one or more of the stewards.

49.6 In case of a dead heat for "win," each of the horses

involved is a winner for the purpose of these rules.

§ 178-1-50. Paddock to post.

50.1 In a race each horse shall carry a conspicuous saddlecloth number and a head number, corresponding to his number on the official program. In the case of an entry, each horse making up the entry shall carry the same number (head and saddlecloth) with a distinguishing letter. For example, 1 - 1A. In the case of field, the horses comprising the field shall carry an individual number, i.e., 10, 11, 12 and so on or 10, 10A, 10B and so on.

50.2 Horses must be in the paddock at least twenty (20) minutes before post time unless otherwise authorized by the stewards.

50.3 Every horse must be saddled by his trainer in the paddock unless special permission has been granted by the stewards to saddle elsewhere.

50.4 After entering the track not more than twelve (12) minutes shall be consumed in the parade of the horses to the post except in cases of unavoidable delay. After passing the stand once, horses will be allowed to break formation and canter, warm up or go as they please to the post unless otherwise directed by the stewards. When horses have reached the post, they will be started without unnecessary delay.

50.5 After the horses enter the track, no jockey shall dismount and no horse shall be entitled to the care of an attendant without consent of the stewards or the starter, and the horse must be free of all hands other than those of the jockey or assistant starter before the starter releases the barrier.

50.6 In case of accident to a jockey or to his mount or equipment, the stewards or the starter may permit the jockey to dismount and the horse to be cared for during the delay and may permit all jockeys to dismount and all horses to be cared for during the delay.

50.7 If a jockey is thrown on the way from the paddock to the post, the horse must be remounted, return to the point where the jockey was thrown and then proceed over the route of the parade to the post. Horse must carry his assigned weight from paddock to post and from post to finish.

Racing Commission  
Title 178  
Series 1

50.8 If the jockey is so injured on the way to the post as to require another jockey, the horse shall be taken to the paddock and another jockey obtained, and then ridden over an uncompleted portion of the exact route of the parade to the starting point.

50.9 If a horse leaves the course while moving from paddock to post, he shall return to the course at the nearest practical point to that at which he left the course, and shall complete his parade to the post from the point at which he left the course.

50.10 No person shall willfully delay the arrival of a horse at the post.

50.11 No person other than the rider, starter or assistant starter shall be permitted to strike a horse or attempt, by shouting or otherwise, to assist it in getting a start.

§ 178-1-51. Post to finish.

51.1 A jockey shall put forth every reasonable effort and exercise the greatest diligence in riding a race. If in the opinion of the stewards, a jockey does not put forth every reasonable effort or use proper diligence in the riding of a race, such jockey shall be subject to disciplinary action.

51.2 When clear, a horse may be taken to any part of the course, but no horse shall cross or weave in front of other horses in such a way as to impede them or constitute or cause interference.

51.3 No horse or jockey shall willfully jostle another horse.

51.4 During a race, no jockey shall willfully strike, strike at or touch another jockey or another jockey's horse or equipment for the purpose of interfering with that horse or jockey.

amount of alcohol which would constitute legal impairment or intoxication.

Acting with reasonable cause, the stewards or a designated Racing Commission representative may direct any such licensee or employee to submit to a breathalyzer test. Such licensee or employee shall, when so directed, submit to such examination. If the results thereof show a reading of .05 percent alcohol content or more, such licensee or employee shall not be permitted to continue his/her duties for that day. Such licensee or employee shall then be subject to fine or suspension by the stewards or Racing Commission.

For a subsequent violation such licensee or employee may be subject to Procedures Following Positive Chemical Analysis (below).

65.2 No licensee or employee of any entity associated with the conduct of racing while on the grounds of a licensed or franchised racetrack shall have present within his/her system any controlled substance as listed in schedule I-V of the U.S. Code, Title 21 (Food and Drugs Section 812), or any prescription legend drug unless such prescription legend drug is obtained directly or pursuant to valid prescription or order from a duly licensed physician who is acting in the course of his/her professional practice.

After such professional evaluation, if said licensee's or employee's condition proves non-addictive and not detrimental to the best interest of racing, said licensee or employee shall be allowed to participate in racing provided he/she can produce a negative test result and agrees to further testing at the discretion of the stewards or designated Racing Commission representative to insure his/her unimpairment.

After such professional evaluation, should said licensee's or employee's condition prove addictive or detrimental to the best interest of racing, said licensee or employee shall not be allowed to participate in racing until such time as he/she can produce a negative test result and show documented proof that he/she has successfully completed a certified alcohol drug rehabilitation program approved by the Racing Commission.
