10.19 The judges shall have the power at any time, to order an examination by such person or persons, as they think fit, of any greyhound entered for a race or which has run in a race.

10.25.2 The decision as to whether said greyhound or greyhounds were prevented from starting by a mechanical failure shall be determined by the judges and such decision shall be final.

10.26 The judges shall decide which greyhound wins and assign the respective places to as many greyhounds as they think proper. In determining the places of the greyhounds at the finish of the race, the judges shall consider only the relative position of the respective muzzles of such greyhounds.

10.26.1 In the event that a greyhound loses its muzzle or finishes with a hanging muzzle, the judges shall then consider only the relative position of the nose of such greyhound and the muzzles of the other greyhounds in the race.

10.27 The judges shall promptly display the numbers of the first three (3) greyhounds in each race in order of their finish. If the judges differ in their placing, the majority shall prevail.

29.24 An entry in a sweepstake is a subscription and cannot be withdrawn.

29.25 A greyhound shall not become a starter for a stake race unless there has been duly paid any stake or entrance money payable in respect to that race.

29.26 Entrance money is not refunded on the death of a greyhound or his failure to start.

29.27 The nominator is liable for the entrance money or stake and the death of a greyhound or a mistake in its entry when eligible, does not release the subscriber or transferee from liability for stakes.

29.28 In the absence of notice to the contrary, entrance and declarations for sweepstakes which close during or on the eve of a racing meeting, close at the office of the racing secretary who shall make provisions therefor. Closing at all other times for sweepstakes shall be at the office of the association.

29.29 When an hour for closing is designated entries and declarations for sweepstakes cannot be received afterwards; but if an hour is not designated, they may be mailed or telegraphed up to midnight of the day of closing, Provided, That they are received in

Racing Commission
Title 178
Series 2

time for compliance with every condition of the race.

29.30 Nomination for stake races received and postmarked before midnight of the day of closing shall be valid if received twenty-four (24) hours in advance of closing overnight entries.

29.31 If a miscarriage of any entry or declaration in a stake is alleged, satisfactory proof that it was mailed or telegraphed must be presented within a reasonable time or it shall not be received.

29.32 A person entering a greyhound thereby becomes liable for the entrance money or stake.

29.33 An entry of a greyhound in a sweepstake is a subscription to the sweepstakes and the subscriber is liable for stake and forfeit, but should he transfer the entry he is liable only in cause of default to the transferee. Similarly, the seller of a greyhound with engagements is liable for stake or forfeit if the engagement is not kept.

29.34 A person making a wrong entry or nomination shall be liable for stake and forfeits under the nomination.

29.35 The entrance money, starting and subscription fees, in every race shall go to the winner unless otherwise provided in the conditions of the race, but when, from any cause, a race is not run off, all stakes or entrance money, if any is paid, shall be refunded.

29.36 When a person is prevented by these rules from entering or starting a greyhound for any race without pay arrears in which he would not otherwise be liable, he may, by paying the same, enter or start the greyhound and have the arrears placed on the forfeit list as due to himself.

29.36.1 If the seller of a greyhound with engagements is compelled to pay arrears through the purchaser's default, he may place the amount on the forfeit list as due from the purchaser to him. This rule shall also apply in the transfer of entries when the transferee defaults.

29.36.2 The racing secretary, with the approval of the judges, shall have full authority to waive the obligations incurred by this rule according to the circumstances of the case.

29.37 Any person not having money to his credit with the association must, before his greyhound can start, pay (in cash, if

Racing Commission
Title 178
Series 2

required) to the association, all entrance money, stakes and arrears then due it or on the greyhound he intends to start.

29.38 If a greyhound is sold to a disqualified person, said greyhound's racing engagements shall be void as of the date of sale.

29.39 In case of fire or accident, or for other reasons, after due public notice, all races or stakes may be postponed or declared off, and when so declared off, all subscriptions and declarations money paid must be refunded.

29.40 No more than one (1) greyhound of any licensed owner shall be allowed to run in any race, except as in stake or sweepstakes races unless express written permission has been granted by the West Virginia Racing Commission.

§ 178-2-30. Post position.

30.1 The post position of greyhounds in starting shall be assigned by lot or drawing, supervised by the Commission judge and racing secretary, at a time and place properly posted in the paddock, at least one (1) day previous to the running of the races, so that any and all owners, trainers or authorized agents interested may be present if they so desire.

§ 178-2-31. Declarations.

31.1 The declaration of a greyhound out of an engagement is irrevocable.

31.2 Declarations in sweepstakes shall be made in the same manner as is provided for making entries therein to the racing secretary who shall record the day and hour of receipt and give early publicity thereto.

31.3 Declarations in purse races must be made by the trainer, to the racing secretary or his assistant at any time before the time designated for the posting of post positions on the day previous to the day on which the greyhound is to race.

§ 178-2-32. Scratches.

32.1 To scratch a greyhound entered in a race, sufficient cause must be given to satisfy the judges. All scratches and the cause must be reported immediately to the judges.

Racing Commission
Title 178
Series 2

32.2 Any scratches that occur that are the result of a violation of a racing rule must carry a penalty and/or suspension of said greyhound for a period of six (6) racing days. Scratches for other causes must be disciplined at the discretion of the judges.

32.2.1 However, if any owner or trainer fails to have the greyhound entered at the track at the appointed time for weighing-in, and, as a result, said greyhound is scratched, the judges shall impose a forfeiture and/or suspension on the person responsible.

32.3 If three (3) or more greyhounds are withdrawn or scratched in any one race, the race may be canceled.

32.4 The judges may scratch a greyhound entered in a race for sufficient cause.

§ 178-2-33. The race.

33.1 If a greyhound bolts the course, of his own volition runs in the opposite direction or does not run the entire prescribed distance for the race, it shall forfeit all rights in the race and, no matter where it finished, the judge shall declare the finish of the race the same as if said greyhound were not a contender. However, for the purpose of the rule, said greyhound shall be considered a "starter".

33.2 If a greyhound bolts the course, of his own volition or runs in the opposite direction during the running of the race, and in so doing, said greyhound, in the opinion of the judges, interfered with any other greyhound in the race, the judges shall declare it "No Race" and all moneys wagered shall be refunded; except when, in the opinion of the judges, such interference clearly did not interfere with the outcome of the race.

33.3 If it appears that a greyhound may interfere with the running of the race because of failure to leave the box, because of an accident or for any other reason, any person under the supervision of the judges stationed around the track, may remove said greyhound from the track. However, for the purpose of the rule, said greyhound shall be considered a "starter".

33.4 All greyhounds must wear the regulation association muzzle and blanket while racing. Blinker muzzles may not be used.

33.5 Muzzles and blankets must be carefully examined in the paddock by the paddock judge before the greyhounds leave the post and

again be examined before the judges at the judges' stand or before the starter at the starting box by the patrol judge.

33.6 All greyhounds must be exhibited in the show paddock before post time of the race in which they are entered.

33.7 After the greyhounds leave the paddock on their way to the starting point, and until the judges direct the gates to be reopened, all persons except the racing officials and necessary attendants shall be excluded from the track to be run over.

33.8 No race shall be called official unless the lure is in advance of the greyhound at all times during the race, and if at any time during the race, any greyhound or greyhounds catch or pass the lure, the judges shall declare it "No Race" and all moneys shall be refunded.

33.9 The judges shall closely observe the operation of the lure and hold the lure operator to strict accountability for any inconsistency of operation.

33.10 If a greyhound is left in the box when the starting box is opened at the start, there shall be no refunds.

33.11 If a race is marred by jams, spills or racing circumstances other than accident to the machinery while a race is being run, and three (3) or more greyhounds finish, the judges shall declare the race finished; but if less than three (3) greyhounds finish, the judges shall declare it "No Race" and all moneys shall be refunded. This rule remains in force and will be applicable to any and all types of wagering.

§ 178-2-34. Weights and weighing.

34.1 All greyhounds must be weighed not less than one (1) hour before the time of the first race of the day.

34.2 Before a greyhound is allowed to school or race at any track, the trainer must establish its racing weight with the paddock judge.

34.3 At weighing-in time should there be a variation of more than one and one-half (1 1/2) pounds either way from its established weight, the judges shall order said greyhound scratched.

34.4 At weighing-out time, if a greyhound loses weight in excess

Racing Commission
Title 178
Series 2

of one and one-half (1 1/2) pounds from its weigh-in weight while in the lock-out kennels, the judges shall order said greyhound scratched. However, upon certificate from the veterinarians that such loss of weight while in the lock-out kennels does not impair the racing condition of the greyhound, the judges may allow said greyhound to race.

34.5 If at weighing-in time, should there be more than two (2) pounds variation between the weight of its present race and the weight at weighing-in time of its last race, the judges shall order said greyhound scratched.

34.6 The weight regulations provided in Sections 34.1, 34.2, 34.3, 34.4, 34.5 and 34.6 above shall be printed in the daily program.

34.7 The established racing weight may be changed from time to time on written request of the owner or trainer and by written consent of the judges; Provided, that such change is made four (4) calendar days before the greyhound is allowed to race at the new weight.

34.7.1 All greyhounds having an established weight change of more than one (1) pound must be schooled at least once; or more at the discretion of the judges, at the new established weight before being eligible for starting.

34.8 Greyhounds that have not raced or schooled officially for a period of three (3) weeks will be allowed to establish a new racing weight with the written consent of the judges and may be schooled officially immediately upon receipt of said written consent.

34.9 The judges shall have the privilege of weighing a greyhound entered in a race at any period from the time he is entered in a race until post time.

34.10 Immediately after being weighed in, the greyhounds shall be placed in lock-out kennels under the supervision of the paddock judge, and no owner or other person excepting the paddock judge, veterinarian, kennel master, scales clerk, lead-out, judges or Commission's representatives shall be allowed in or near the lock-out kennels.

§ 178-2-35. Grading.

35.1 There will be six (6) grades for experienced greyhounds. When designating the grades of races, the Grades AA, A, B, C, D, and M will be used. Grade AA shall be the highest classification, but this

Racing Commission
Title 178
Series 2

grade shall not be in effect unless twenty (20) or more greyhounds are on the premises and capable of being entered in this grade.

Grade D shall be the lowest classification. Grade S indicates a stake race. Grade M refers to Maiden classification, which indicates greyhounds that have not won an official race.

35.2 The winner of any graded race shall advance one (1) grade until reaching Grade AA; Provided, however, That any greyhound which wins in a Maiden classification shall have the option of racing in a Grade C or Grade D event.

35.3 In Grades AA, A, B any greyhound which fails to finish third or better in three (3) consecutive events shall be dropped one (1) grade. In these grades, any greyhound that fails to finish better than one third in any four (4) consecutive starts shall likewise be lowered one (1) grade. In Grade C events any greyhound that fails to finish fourth or better in any four (4) consecutive starts shall be lowered one (1) grade. In Grade D events any greyhound that fails to finish third or better in any four (4) consecutive starts shall be ineligible to race for the balance of the current race meeting.

35.4 T races designate mixed grade races and shall consist of greyhounds within two consecutive grades and shall be at a distance of 3/8 or longer. The greyhound's regular grade shall follow the designation T in the program.

35.5 S (stake races) may be of a mixed grade and may be scheduled by the racing association with the approval of the West Virginia Racing Commission. However, all stake races shall carry a purse of at least one thousand dollars (\$1,000). The greyhound's regular grade shall follow the designation S in the program.

35.6 Stakes qualifying races shall be indicated by "Q". The regular grade of the greyhound shall also be listed.

§ 178-36. Dead Heats.

36.1 When greyhounds run a dead heat for first place, all moneys and prizes to which such greyhounds would have been entitled, shall be divided equally between them and this applies in dividing prizes whatever the number of greyhounds running a dead heat. Each greyhound shall be deemed a winner.

36.2 Likewise, when greyhounds run a dead heat for second place, they shall divide the second and third moneys.

36.3. When greyhounds run a dead heat for third place, they shall divide the third and fourth moneys.

36.4 If the dividing owners cannot agree as to which of them is to have a cup or other prize which cannot be divided, the question shall be determined by lot in the presence of one (1) or more of the judges.

§ 178-2-37. Objections.

37.1 All objections must be made to the judge in writing, signed by the objector and a copy thereof sent immediately to the Commission.

37.2 Permission of the judges is necessary before an objection can be withdrawn.

37.3 Any person or persons lodging an objection must pay all costs and expenses incurred in determining the objection in such proportions as the judges shall decide, unless relieved from such expense by the Commission.

37.4 The judges may require a cash deposit before considering an object on which may be forfeited if the objection should prove to be frivolous or without foundation.

37.5 The judges must decide every objection pertaining to the race. From every decision an appeal in writing may be made to the Commission within forty-eight (48) hours of the time the objector has been officially informed of said decision.

37.6 Objections to a greyhound engaged in a race may be made by the owner or trainer of some other greyhound engaged in the same race or by an official of the meeting to one of the judges.

37.7 Pending a decision on an objection, any prize which the greyhound against which the objection is lodged, may have won or may win in the race shall be withheld until the objection is determined.

37.8 Objections shall be filed with the judges within forty-eight (48) hours (exclusive of Sundays) from the time the race is run in which the greyhound that occasioned the objection participated.

37.9 In all cases of fraud or willful deception, the time limitation shall not apply: Provided, That the judges are satisfied that the allegations are bona-fide.

Racing Commission
Title 178

37.10 If an objection to a greyhound which has won or which has been placed in a race is declared valid, that greyhound is disqualified and the other greyhounds in the race are entitled to place in the order in which they finished.

§ 178-2-38. Disciplinary action.

38.1 No racing official other than the judges shall have the right to impose a fine or suspension.

38.2 All fines shall be paid to the West Virginia Racing Commission license clerk at the Commission office within forty-eight (48) hours after imposition.

38.3 No person shall assume or pay, directly or indirectly, a fine imposed upon another.

38.4 An unpaid fine may not be rescinded except with the approval of the Racing Commission.

38.5 Violators of any rule shall be subject to ejection from the grounds and/or to fine, suspension or to be ruled off.

38.6 If any licensee or permit holder be guilty of using profane, indecent or vulgar language to any racing official, carry or exhibit a deadly weapon, or otherwise disturb the peace on any track enclosure, he or she may be fined and/or suspended.

§ 178-2-39. Licenses and Licensees.

39.1 Any person who is engaged in or employed by those engaged in racing or operating a race meeting, or those operating concessions for or under authority from any association, except those persons in an executive capacity by the association, must be licensed by the West Virginia Racing Commission.

39.2 In the event that a dispute should arise between a West Virginia licensee and West Virginia permit holders, at any race track in the State of West Virginia and in the event the said permit holders or said licensee desire to terminate or discontinue their activities under an existing license or permit, then in such event the said licensee or said permit holders, as the case may be, shall give seven (7) days notice, in writing, of their intention to terminate or discontinue all activities under their existing license or permit to the licensee or permit holders, as the case may be, and to the West Virginia Racing Commission. The Commission may, upon request from

either party, within the foresaid seven (7) day period conduct hearings in an attempt to arbitrate and settle any disputes by and between the parties. In the event either the West Virginia licensee or West Virginia permit holders fail to provide by the notice provision set forth herein, same shall be grounds for permanent suspension by the West Virginia Racing Commission.

39.3 Applicant for license may be called upon to submit satisfactory evidence of financial responsibility, and after license has been issued, must maintain a record of financial responsibility during the period for which license is issued.

39.4 The Commission may refuse to issue or renew a license, or may suspend or revoke a license issued pursuant to these rules, if it shall find that the applicant, or any person who is a partner, agent, employee or associate of the applicant, has been convicted of a crime in any jurisdiction, or is or has been associating or consorting with any person who has or persons who have been convicted of a crime or crimes in any jurisdiction or jurisdictions, or is consorting or associating with or has consorted or associated with bookmakers, touts or persons of similar pursuits, or has himself engaged in similar pursuits, or is financially irresponsible, or has been guilty of or attempted any fraud or misrepresentation in connection with racing, breeding or otherwise, or has violated or attempted to violate any law with respect to racing in any jurisdiction or any rule, regulation or order of the Commission, or adopted by the Commission, or has been guilty of or engaged in similar, related or like practices.

39.17 The judges or the Racing Commission may impose such condition or conditions on the issuance of a license or permit as they deem necessary in their sole discretion to protect the best interest and integrity of racing. Such licensed trainer shall sign in the presence of the judges a form furnished by the West Virginia license clerk accepting complete responsibility of the greyhound or greyhounds being entered or running.

Racing Commission
Title 178

40.4 A trainer shall have his greyhound in the paddock at the time appointed.

40.5 If, for any reason, the trainer of a greyhound is not or cannot be present at the time of collection of urine, it shall be deemed by the Commission that the person actually in custody of the greyhound is duly authorized to witness the taking and sealing of the specimen and has the trainer's authority to sign as witness to such action.

40.6 A trainer shall be responsible for the condition of a greyhound trained by him.

40.7 Each trainer shall register with the racing secretary all the greyhounds in his charge giving the name, age, sex, breeding and ownership of each. Any greyhound kenneled on the grounds of the association or under the jurisdiction of the association without having been so registered, will be cause for disciplinary action.

40.11 No trainer shall move or permit to be moved any greyhound or greyhounds in his care from the grounds of an association without permission from the racing secretary and the judges.

40.12 The trainer shall be responsible as an absolute insurer of the condition of the greyhounds he enters regardless of any act of a third party.

40.13 Trainers shall report greyhounds under their care or superintendence that are off racing form or in poor physical condition to the racing secretary who shall immediately notify the judges. Greyhounds so reported shall not be eligible to enter or to start until approved by the state veterinarian and schooled to the satisfaction of the judges. Violators of this rule may be subject to a fine,

42.2 No electrical or mechanical device or other expedient designated or intended to increase or decrease the speed of a greyhound shall be possessed by anyone or applied by anyone to a greyhound at any time during a meeting whether in a race or otherwise.

42.3 No person shall tamper or attempt to tamper with any greyhound in such a way as to affect its speed in a race, nor shall he counsel or in any way aid or abet such tampering.

42.4 Any greyhound that has been the subject of corrupt practices may be disqualified by the judges of the meeting for no longer period than the duration of the meeting and they shall report the circumstances to the Commission for such action as it may deem proper.

42.5 The judges shall have the power to declare any act which they deem to be an unfair advantage to any or all persons engaged in the sport of racing in any way, or any act which would tend to mislead the betting public, or any act which they deem to be detrimental to the best interest of racing, a corrupt practice and shall have the power to impose fitting punitive action, and such action shall be referred to the Commission.

42.6 All persons guilty of any dishonest or corrupt practices, fraudulent act, or other conduct detrimental to racing, including bookmaking, touting or selling or purchasing mutuel tickets other than through mutuel machines, committed while within or without any racing enclosure, either a licensee or not, shall be ruled-off all racing enclosures under the jurisdiction of the Commission, and it shall be the duty of judges and those authorized by them to exclude from all places under their jurisdiction persons who commit such offenses or are so ruled off.

42.12 No person who is known as or reputed to be a bookmaker, or a vagrant within the meaning of the statute of West Virginia, or a fugitive from justice, or whose conduct at a race track in West Virginia, or elsewhere is or has been improper, obnoxious, unbecoming or detrimental to the best interests of racing, shall enter or remain upon the premises of any licensed association conducting a race meeting under the jurisdiction of this Commission, and all such persons shall, upon discovery or recognition, be forthwith ejected.

Any such person failing to give such notice shall be suspended or his license revoked.
