Section 28 COLORS AND EQUIPMENT

28.¹ 328. All racing colors carried in races shall be registered annually with the Racing Commission.

A (A) No person shall start a horse in racing colors other than those registered in his own or assumed name, but a temporary change from the recorded racing colors may be approved by the Stewards.

B (B) Any dispute between claimants to the right of the particular racing colors shall be decided by the Stewards.

C (C) The Racing Commission will not permit the use of colors which in its opinion are not neat and clean and proper in other respects.

28.2 329. The Racing Association, at its discretion, may declare certain colors or parts of same to be standard for specific post positions and in such situations the Association shall supply same.

28.3 330. Permission for any change of equipment from that which a horse carried in his last previous race, during the current meeting, may be obtained only from the Stewards or their designee.

28.4 331. Permission to add blinkers to a horse's equipment or to discontinue the use of them must be approved by the Starter before being granted by the Stewards.

28.5 332. Permission to use or discontinue the use of a tongue tie must be secured from the Stewards. Under no circumstances shall the material to be used as a tongue tie be furnished by anyone other than the trainer of the horse on which it is to be used. No employee of the Association shall be permitted to tie the tongue or replace or repair a tongue tie.

28.6 333. A horse starting in a race, shall not be shod with ordinary or training shoes nor shall he run without shoes unless by permission of the Stewards.

28.7 334. Bar plates may be used only with consent of the Stewards, and discontinuance of their use must be approved by the Stewards.

28.8 335. Whips and/or blinkers may be used on two-year olds and other first time starters if schooled before the Starter with such equipment, and approved by him and the Stewards, before time of entry.

28.9 336. The use of plastic bridles and/or reins is prohibited unless they are steel reinforced.

28.10 337. No bridle shall exceed two (2) pounds in weight, and no whips shall exceed one (1) pound in weight or twenty-six (26) inches in length, unless approved by the Stewards.

Section 2 DECLARATIONS AND SCRATCHES

29.1 343. No horse shall be considered scratched or declared out of an engagement until the trainer, or some person deputized by him, shall have given due notice in writing to the Racing Secretary before the time stipulated by the regulations of the Associations.

29.2 344. For stakes races, if a horse is not named through the entry box at the usual time of closing, the horse is automatically out.

29.3 345. The declaration of a horse out of an engagement is irrevocable.

29.4 346. Scratches from stakes races will close forty-five (45) minutes before post time for that race.

29.5 347. If the miscarriage of any declaration by mail or otherwise is alleged, satisfactory proof of such miscarriage shall be required of the complainant, otherwise, the declaration shall not be accepted as of the time alleged.

29.6 348. No horse in an overnight race shall be scratched without the approval of the Stewards.

29.7 349. A report from the State Veterinarian shall be supplied to the Stewards and shall be used only as an aid in determining the final decision of a request to "Scratch."

29.8 350. Horses listed as "also eligible" shall be drawn into a race by lot unless a scratch card has been deposited by scratch time the day of the race. Horses listed as "also eligible" will have the preference of scratching. Horses listed as "also eligible" for which a scratch card has been deposited shall be given the following consideration:

A (A) If there are no scratches among horses assigned post positions, the preferential status of horses on the also eligible list shall remain unchanged.

B (B) If the opportunity to start, as determined by lot, is refused by scratching, said horse shall lose all preference.

C (C) If the opportunity to start, as determined by lot, is not provided, the preferential status of said horses shall remain unchanged.

29.9 351. In all races with more than eight (8) horses, trainers may declare out to that number by the specified scratch time on the day of the race, such right to be determined by lot when necessary. However, in all races involving the daily double, trifecta,

trizacta, superfecta, super exacta, and big perfecta, no entry may be withdrawn that would reduce the starting field to less than ten (10) interests without permission of the Stewards.

Section 30 DISCIPLINARY ACTION

30.1 357. No racing official other than the Steward and the Starter shall have the right to impose a fine or suspension.

30.2 358. All fines shall be paid to the West Virginia Racing Commission License Clerk at the Commission Office within forty-eight (48) hours after imposition.

30.3 359. ~~deleted~~

30.4 360. No person shall assume or pay, directly or indirectly, a fine imposed upon another.

30.5 361. An unpaid fine may not be rescinded except with the approval of the Racing Commission.

30.6 362. Violators of any Rule shall be subject to ejection from the grounds and/or to fine, suspension or to be ruled off.

30.7 363. If any licensee or permit holder be guilty of using profane, indecent or vulgar language to any racing official, carry or exhibit a deadly weapon, or otherwise disturb the peace on any race track enclosure, he or she may be fined, and/or suspended.

Section 31 ENGAGEMENTS AND TRANSFER

31.1 368. If a horse is sold by private treaty, or at public auction, the written acknowledgment of both parties is necessary to prove the fact that he was sold with his engagements, but when a horse is claimed out of a claiming race, the horse's engagements are included; but the sale, under any circumstances, to a person ruled off or to a disqualified person, shall not give such person the privilege of racing the horse.

~~31.4~~ 369. No horse entered in a race may be sold or transferred until after the race in which he is entered has been run, without permission of the Stewards. Neither shall a horse so entered be transferred to another trainer until after the race in which he is entered has been run, without permission of the Stewards.

~~31.5~~ 370. Subscriptions and all entries or rights of entry are valid when a horse is sold with his engagements duly transferred; in duly registered partnerships, when subscriptions, entries and rights of entries survive in the remaining partners; and when entries under the decedent's subscriptions have been made previous to the decedent's death, by the transfer of the right of entry.

~~31.4~~ 371. Subscriptions and all entries or rights of entry under them become void on the death of a subscriber, except in case of duly registered partnerships, or except subject to the sanction of the Stewards, when the personal representative of an Estate shall, in writing, request that the benefits of such accrue to the Estate of the decedent subscriber for the privilege of transfer, and shall agree to assume any and all obligations incident to the original entries.

~~31.5~~ 372. No person shall make or receive the transfer of a horse or engagement for the purpose of avoiding disqualification.

~~31.4~~ 373. So long as the name of a person is on the arrears list no engagements can be transferred or accepted by him, and no horse can be entered by him or under his subscription for any race.

~~374~~ 374. When a vendor fails to strike a horse out of an engagement, not sold or transferred with the horse, the purchaser is not entitled to start the horse, or to the stakes if he wins.

~~375~~ 375. Should a horse be sold with his engagements, or any part of them, the seller cannot strike the horse out of any such engagements.

Section 32 ENTRIES, DECLARATIONS AND SUBSCRIPTIONS

381. When a person is ruled off a course or suspended, every horse owned in whole or in part by him or under his care and control shall be ineligible to be entered or start in any race until said horse has been reinstated, either by the rescinding of his owner's penalty or by his transfer through bona fide sale to an ownership acceptable to, and approved by the Stewards or West Virginia Racing Commission.

When a person is ruled off a course or suspended, he shall not be qualified, whether acting as agent or otherwise, to subscribe for or to enter or run any horse in any race either in his own name or in that of any other person until the rescinding of such penalty.

32.2 382. No horse shall be registered for racing or permitted to enter or start in a race unless stabled on the grounds of the Association conducting the meeting or at other approved stabling facilities. Horses may be exchanged if approved by the Racing Secretary. However, the horse removed from the grounds must also be removed from the Preferred List. This rule shall not prohibit entry or nomination of a horse or horses in a Handicap, Stakes or Allowance Race if being shipped in to participate in those specific races.

32.3 383. No person shall wilfully enter, or cause to be entered, or start a horse which he knows or believes to be ineligible or disqualified.

32.4 384. A horse shall not be qualified to start in any race unless he has been and continues properly entered therein.

32.5 385. No horse shall be allowed to race unless it has been lip tattooed. For good cause, the Stewards may waive this requirement if the horse is otherwise properly identified. However, the horse shall be tattooed thereafter within such time as set by the Stewards.

32.6 386. For all races, the Racing Secretary is the person authorized to receive entries and declarations.

32.7 387. Entries and declarations shall be made in writing and signed by the owner of the horse, or his authorized agent, or some person deputized by him, and each Association shall provide blank forms on which entries and declarations are to be made.

32.8 388. A signed entry blank shall be prima facie evidence that the contents of the entry blank express the desires and intent of the person making entry.

32.9 389. Entries may be made by telephone or telegraph with permission of the Stewards.

32.10 390. No person not having an interest in a horse, equal at least to the interest or property of any other one person is entitled to enter the horse in a race as the owner.

32.11 391. Joint subscriptions and entries may be made by any one or more of the owners. However, all partners and each of them shall be jointly and separately liable for all fees and forfeits.

32¹² 392. In entering a horse, it must be clearly identified by stating its age, sex, name and color, names of its sire and dam. If the registration certificate indicates the dam was covered by more than one stallion, the names of all of them must be given in order of service.

32¹³ 393. The Stewards shall have power to call on any person in whose name a horse is entered to produce proof that the horse entered is not the property either wholly or in part of any person who is disqualified, or to produce proof of the extent of his interest or property in the horse, and in default of such proof being given to their satisfaction, may declare the horse out of the race.

32¹⁴ 394. The entries of any person, or the transfer of any entry, may be refused with notice and reason being given therefor.

32¹⁵ 395. No horse shall be allowed to start in any race unless duly registered and named with the Registry Office of the Jockey Club (New York) and the Certificate of Registration properly endorsed to the current owner is on file with the Racing Secretary one-half hour prior to post time of the first race. For good cause the Stewards may waive this requirement if the horse is otherwise properly identified.

32¹⁶ 396. If a horse's name is changed, his new name shall be registered with the Jockey Club (New York) and no entry shall be accepted until such time as new Certificate of Registration has been issued by the Jockey Club (New York).

32.17 397. No maiden over five (5) years of age nor any horse over twelve (12) years of age will be allowed to start in West Virginia unless special permission to deviate from this rule is requested by an Association and approved by the Commission.

No maiden five (5) years of age which does not have a record of previous starts on a recognized track, appearing in the Daily Racing Form, will be permitted to start.

32.18 398. No horse shall be permitted to enter or to start in any race unless he is in the care of, and the saddling is supervised by, a trainer currently licensed in West Virginia.

32.19 399. No horse shall be permitted to start whose name and true ownership is not registered with the Racing Secretary.

32.20 400. The entry of a horse must be in the name of his true owner.

32.21 401. A horse must be eligible at the time of starting.

32.22 402. No horse involved in a partnership shall be permitted to enter or to start until the rules for the registration of partnerships have been complied with.

32.23 403. If an entry from any disqualified person or a disqualified horse is received, such entry shall be void and any money paid for such entry shall be returned if the disqualification is disclosed forty-five (45) minutes before post-time for the race. Otherwise any such money shall be paid to the winner.

32.24 404. Rescinded.

32.25 405. No horse on the Schooling list, Veterinarian list or Stewards list shall be qualified to be entered, or to start.

32.26 406. No owner or trainer shall enter or start a horse that;

A ~~(A)~~⁸ Is not in serviceably sound racing condition;

B ~~(B)~~⁷ Is a known bleeder unless cleared under ~~Rule 263~~ Section 21.2

C ~~(C)~~⁹ Has been trachea-tubed;

D ~~(D)~~⁷ Has been "nerved," except as herein provided in ~~Rule 717~~ Section 52.20

E ~~(E)~~⁸ Is afflicted by the disease known as periodic ophthalmia, moon

blindness or similar disease affecting the vision.

32.27 407. If a horse is sold to a disqualified person, said horse's racing engagements shall be void as of the date of sale.

32.28 408. No horse shall be allowed to enter or to start in any race if the owner of that horse is in arrears, except with the approval of the Racing Secretary or Stewards.

32.29 409. No more than two horses of the same ownership or interest shall be entered in a purse race, and both may start, except:

A ~~(A)~~⁸ When making an entry, the trainer must express a preference;

and in no case may two horses start as an entry even though uncoupled for wagering purposes if it deprives a single entry from starting.

B ~~(B)~~⁸ Stake Rules shall apply at all tracks regardless of size.

32.30 410. In the races comprising the Daily Double, only one horse may be raced in a single interest, ~~or~~ trained by one trainer. No entries will be allowed in the races comprising the Daily Double, Trifecta, Trizacta, Super Exacta, Superfecta, and/or Big Perfecta.

32.31 411. If a race is declared off, the Racing Secretary may split or divide any overnight race which may have closed and cause a new drawing for post positions.

32.32 412. Entries shall be closed at an advertised time, and no entry accepted thereafter. The Racing Secretary, however, may postpone closing of overnight races.

32.33 413. If the number of entries to any purse race is in excess of the number of horses that may, because of track limitations, be permitted to start, the "starters" for the race and their post positions shall be determined by lot in public. The same methods shall be employed in determining the starters and post positions in split races.

32.34 414. If a horse is successfully claimed or transferred, the original Registration Certificate shall be delivered to the new owner.

32.35 415. Any licensee who refuses to deliver any such Registration Certificate, if the same is reasonably available, shall be suspended until the same is delivered.

32.36 416. Entries which have closed shall be compiled without delay by the Racing Secretary and conspicuously posted.

32.37 417. No alteration shall be made in any entry after closing of entries, but an error may be corrected.

32.38 418. Any horse which has been excused from starting on account of sickness or physical disability, will not be eligible to start for a minimum of five (5) calendar days, exclusive of the day of scratch. The entry must be accompanied by a certificate of fitness from the State Veterinarian and be approved by the Stewards.

32.39 419. Mares who are or who may be in-foal will not be eligible for racing unless full information as to services has been filed with the racing secretary and approval has been given by the track veterinarian. This information will be posted on the bulletin board in the racing secretary's office. Should the in-foal mare be claimed, the original owner shall supply the stallion service certificate to owner of said mare at time of foaling.

32.40 420. No horse shall be permitted on the grounds of a Racing Association in this State unless the horse has had a negative Coggins test within the past twelve (12) months if stabled in West Virginia or six (6) months if stabled out of the State of West Virginia. All horses from a State with a program comparable to the West Virginia program shall be permitted on the grounds of a Racing Association if accompanied by an official Health Certificate giving a positive description of the animal and showing a negative Coggins test within the last twelve (12) months.

32.41 421. No entry shall be received of any horse not stabled upon the grounds of the Racing Association where the race is run, unless the stabling area elsewhere has been approved by the Steward representing the West Virginia Racing Commission or his designee.

Section 33 ALSO ELIGIBLE

- 33.1 425. A list of names (number to be determined by the Racing Secretary) may be drawn from the overflow entries and listed as "also eligible" to start if and when horses originally are "scratched." Horses gaining a position in the race from the "also eligible" list shall be determined by lot.
- 33.2 426. If the owner of a horse on the "also eligible" list is not given the opportunity of starting his horse because of insufficient "scratches," the name of said horse shall be placed on the preferred list. The name of no horse shall be placed on the preferred list if the owner thereof did not accept when presented the opportunity of starting. However, where a substitute race or extra race is used or placed on the overnight to be used, if needed, all horses entering in such races and not given the opportunity of starting shall be placed on the preferred list. In case of an "entry," the preferred horse only, shall be given a place on the preferred list unless the second choice of an entry should be included in another division of a divided race and does not gain a position in the race (may not exclude a single interest), he then shall be given a place on the preferred list.
- 33.3 427. Any horse which has drawn a position in a race and enters again on the next day that entries are taken shall be termed an "in-today" horse and if the race in which the horse is entered overfills, the horse shall be given no consideration whatsoever, stakes excepted. If a horse is on the "also eligible" list and draws in a race the next day, he is an automatic scratch from the "eligible" list the first day.

Section 34 PREFERRED LIST

433. A copy of the preferred list will be posted each afternoon and any claim of error must be made by scratch time of the following day. No claim of error not made within the prescribed time will be recognized by the Stewards.

434. In entering horses on the preferred list, a claim of preference must be made at time of entry and noted on the entry or the preference shall be lost and no claim of error will be considered by the Stewards if the person making the claim has signed an entry not marked in keeping with this rule.

Section 35 PENALTIES AND ALLOWANCES

35.1 440. Penalties and allowances are not cumulative, unless so declared by the conditions of the race, and shall take effect at the time of starting, except that in overnight events a horse shall have only the allowance to which it was entitled at the time of entry.

35.2 441. Penalties are obligatory. Allowances are optional as to all or any part thereof, and in overnight events must be claimed at the time of entry.

35.3 442. No horse shall receive allowance of weight nor be relieved from extra weight for having been beaten in one or more races, but this rule shall not prohibit maiden allowance or allowances to horses that have not won a race within a specified period or a race of a specified value.

35.4 443. Failure to claim a weight allowance by oversight or omission is not cause of disqualification. Claims of weight allowance to which a horse is not entitled shall not disqualify unless such incorrect weight is carried in the race. However, a fine may be imposed upon the person claiming allowance to which his horse is not entitled.

35.5 444. Eligibility, penalties and allowances of weight for all races will be determined after considering the reports, records and statistics published by the Daily Racing Form and other racing statistical publications, but responsibility for weight carried and eligibility still remain with the owner and trainer as prescribed by the Rules of Racing.

35.6 445. No horse shall incur a weight penalty for placement from which he is disqualified, but a horse placed through the disqualification of another horse shall incur the weight penalties of that placement. No such placement shall make a horse ineligible to a race which has already been run.

35.7 446. When a race is in dispute, both the horse that finished first and any horse claiming the race shall be liable to all penalties attached to the winner of that race until the matter is decided.

35.8 447. Races written to be run under "Scale of Weights or Weight for Age" shall be run under the weights as provided for in the Scale of Weights Chart appearing in this book.

35.9 448. It shall be within the power of the Racing Secretary to write races either above or below scale as he may see fit, provided his weights comply with the minimum weight rule.

Section 36 LICENSES AND LICENSEES

36.1 453. Any person who is engaged in or employed by those engaged in racing or operating a race meeting, or those operating concessions for or under authority from any Association, except those persons in an executive capacity by the Association, must be licensed by the West Virginia Racing Commission.

36.2 454. In the event that a dispute should arise between a West Virginia Licensee and West Virginia Permit Holders, at any race track in the State of West Virginia and in the event the said Permit Holders or said Licensee desire to terminate or discontinue their activities under an existing license or permit, then in such event the said Licensee or said Permit Holders, as the case may be, shall give seven days notice, in writing, of their intention to terminate or discontinue all activities under their existing license or permit to the Licensee or Permit Holders, as the case may be, and to the West Virginia Racing Commission. The Commission may, upon request from either party, within the aforesaid seven day period conduct hearings in an attempt to arbitrate and settle any disputes by and between the parties. In the event either the West Virginia Licensee or West Virginia Permit Holders fail to provide by the notice provision set forth herein, same shall be grounds for permanent suspension by the West Virginia Racing Commission.

455. Applicant for license may be called upon to submit satisfactory evidence of financial responsibility, and after license has been issued, must maintain a record of financial responsibility during the period for which license is issued.

456. The Commission may refuse to issue or renew a license, or may suspend or revoke a license issued pursuant to these rules, if it shall find that the applicant, or any person who is a partner, agent, employee or associate of the applicant, has been convicted of a crime in any jurisdiction, or is or has been associating or consorting with any person who has or persons who have been convicted of a crime or crimes in any jurisdiction or jurisdictions, or is consorting or associating with or has consorted or associated with bookmakers, touts, or persons of similar pursuits, or has himself engaged in similar pursuits, or is financially irresponsible, or has been guilty of or attempted any fraud or misrepresentation in connection with racing, breeding or otherwise, or has violated or attempted to violate any law with respect to racing in any jurisdiction or any rule, regulation or order of the Commission, or adopted by the Commission, or has been guilty of or engaged in similar, related or like practices.

457. All applications for licenses shall be filed with the West Virginia License Clerk in the Commission office and submitted to the Stewards who shall have the authority to issue the license, hold the application for further investigation, or refer it to the Racing Commission for final action. All Stewards shall review and sign all license applications.

458. The Association shall provide equipment for fingerprinting and photographing all licensees and shall provide such equipment necessary to plastic coat the license with the picture and fingerprints of the applicant.

468. No application for a license will be considered for, or license granted to, anyone under sixteen (16) years of age, nor will a license be granted to any minor which will in any manner violate any statute pertaining to child labor which now exists in the State of West Virginia or which may be enacted in the future.

469. The Stewards or the Racing Commission may impose such condition or conditions on the issuance of a license or permit as they deem necessary in their sole discretion to protect the best interest and integrity of racing. The Stewards or Racing Commission may deny a license or permit if a conflict of interest exists or could exist as a result of the issuance of said license or permit.

470. Any person under suspension, by the licensing body in any country, shall remain under suspension in this State until reinstated by the original licensing country.

Jockeys

474. Each jockey and apprentice jockey must obtain a license from the Commission and no license shall be issued to any jockey or apprentice jockey under sixteen (16) years of age.

475. No person who has never ridden in a race shall be granted a license; however, by permission of the Commission and the Stewards, a temporary license may be granted for the riding of ten (10) or more races and, if approved by the Stewards and the Commission after having consulted with the representatives of the jockeys, said temporary license may be replaced with a license.

37.3 476. No Jockey or Jockey's, or his wife, or her husband, shall be the owner of any race horse, neither shall they have any interest in one.

37.4 477. A jockey shall not ride or agree to ride in any race without the consent of the owner to whom he is under contract.

37.5 478. All jockeys shall faithfully fulfill all engagements in respect to racing.

37.6 479. A jockey may not ride in any race against a starter of his contract employer unless his mount and his contract employer's starter are both in the hands of the same trainer.

37.7 480. In riding a race, a jockey must be neat in appearance and judgment of the Stewards shall control in this regard. All riders must be dressed in clean jockey costume, cap and jacket of silk, satin or waterproof, white or light breeches and top boots. In all races, jockeys must wear approved safety helmets, the weight of which shall not be included in the jockey's weight.

The Stewards may require that any jockey be re-examined and may refuse to allow any jockey to ride until he successfully passes such an examination. A (A) If any owner or trainer engages two or more jockeys for the same race, he shall pay the losing fee for each engaged jockey not riding in the race, as well as the proper fee to the jockey who does ride.

3714 487. A jockey's fee shall be considered earned when the jockey is weighed out by the Clerk of Scales. The fee shall not be considered earned if the jockey, of his own free will, takes himself off his mount, where injury to the horse or rider is not involved. Any conditions or considerations not covered by the above ruling shall be at the discretion of the Stewards.

3715 488. In a dead heat, the jockeys involved shall divide equally the sum total of the fees they would have received individually had one beaten the other or others. Likewise, the owners of the horses involved shall pay their equal share.

- 37.30 508. An application for a license as apprentice jockey shall be accompanied by
- (a) an original, a notarized or photostatic copy of his agreement with his contract employer;
 - (b) written proof of at least one year of service with a racing stable; and (c) birth certificate or satisfactory evidence of the date of birth.
- 37.31 509. All engagements for an apprentice jockey to ride, other than those for his contract employer shall be made by himself, his agent, or his contract employer, who may act as his agent without license as such; however, the one making the engagements shall be held responsible for the proper maintenance of the engagement book.
- 37.32 510. A. 3. The holder of the contract at the time the boy rides his first winner shall be considered the original contract employer.

4. The original apprentice jockey contract shall be kept in full force and effect throughout its contract period. Any and all amendments to said contract must be made a part of and either added to or attached to the copies in the possession of the parties and like copy of said amendments sent to the Commission where the original contract is filed.

B. An Apprentice Jockey may be granted an Apprentice Certificate in lieu of an apprentice contract provided he is between the ages of eighteen (18) and twenty-five (25). The Apprentice Certificate shall grant the Apprentice all the allowances and conditions granted to the Apprentice who is under contract.

511. The Commission shall take jurisdiction on application for extension in cases where personal injuries in the conduct of his duty and restrictions on racing occurred at tracks licensed by the Commission. In order to qualify for an extension of his apprentice allowance, an apprentice rider must have been rendered unable to ride during the period in which he was entitled to an apprentice allowance.

- 37.34 512. In the cases of inability of an apprentice to ride because of services in the Armed Forces of the United States, the Commission will take jurisdiction only on such Contracts which were executed and filed at time of execution in this State. All extensions must be acted on by the Commission in which the original contract was filed.

~~526. If, for good reason, a jockey agent is short of his permissible quota of jockeys and wishes to take on the task of making engagements for a rider not named in his license, he must obtain permission from the Stewards before making such engagements.~~

38.6 527. If any jockey agent gives up the making of engagements for any rider, he shall immediately notify the Stewards, the Commission and the Racing Secretary; and he shall also turn over to the Stewards a list of any unfilled engagements he may have made for that rider.

38.7 528. Jockey agents shall not be allowed in the paddock or on the race track at any time, except by special permission from the Stewards.

38.8 529. A jockey agent shall not give to anyone, directly or indirectly, any information or advice, pertaining to a race or engage in the practice commonly known as "touting," for the purpose of influencing any person, or that would tend to do so, in the making of a wager on the result of any race.

38.9 530. No person other than a jockey agent shall make engagements for an apprentice jockey or jockey. However, a jockey not represented by an agent may make his own engagements.

38.10 531. Jockey agents will be called upon to explain rival claims for any mount or for any rider and inability to satisfy the Stewards that the rival claim arose through honest bona fide error shall be considered a falsification of records.

38.11 532. Conflicting claims for the services of a jockey shall be decided by the Stewards and first call shall have priority.

38.12 533. Any agent who falsifies his record shall be suspended by the Stewards.

38.13 534. A jockey agent may be licensed in no other capacity as long as he holds an agent's license unless additional license is approved by the Commission.

38.14 535. An applicant for a Jockey Agent license, who has not been previously licensed in this State, must have the written statement of two (2) reputable persons to the effect that the applicant is personally known to them and that he is a person of good reputation and capable of satisfactory performance of the vocation he seeks to follow. Such applicant shall be given a thorough written and/or oral examination by the Stewards.

Section 39 NAMING OF RIDERS

540. Jockeys shall be named no later than scratch time of the day of the race.

Section 40 OWNERS - TRAINERS

548. Each owner must obtain a license from the West Virginia Racing Commission.

549. All owners and trainers of horses and their stable employees are subject to the laws of West Virginia and the Rules promulgated by its Commission immediately upon acceptance and occupancy of stabling accommodations from or approved by an Association or upon making entry to run on its track. Said owners, trainers and stable employees

shall abide by said Laws and Rules and accept the decision of the Stewards on any and all questions, subject to their right of appeal to the Commission.

550. If any owner changes trainers, he must notify the Stewards and obtain a transfer certificate.

551. No owner shall employ a jockey for the purpose of preventing him from riding in any race.

552. No owner shall accept, directly or indirectly, any bribe, gift or gratuity in any form which might influence the result of any race, or tend to do so.

560. Each authorized agent must obtain a license from the Racing Commission.

561. Application for license must be filed for each owner represented.

562. A written instrument signed by the owner must accompany the application and shall clearly set forth among the delegated powers whether or not said agent is empowered to collect money from the Association and the owner's signature must be acknowledged before a notary public.

563. If the written instrument is a power of attorney, it shall be filed permanently with the Racing Commission, attached to the regular application form.

564. Any changes must be in writing and filed as above provided.

565. The term of the license shall expire December 31st of each year, unless the agent's appointment is revoked by the owner of the license or revoked by the Racing Commission prior thereto.

No license as an owner shall be granted to a corporation or to the lessee or lessees of any corporation unless such corporation shall have no more than ten stockholders or members, each of whom shall be the registered and beneficial owner of stock or membership in such corporation; nor shall any corporation having more than ten such stockholders have the power to lease for racing purposes to any natural person or persons, or partnership, any horse owned or controlled by it. Each stockholder must file an application for an owner license. All the stockholders or members of a corporation which own or lease horses for racing purposes in the State of West Virginia and also all such corporations shall make and file with the Commission as and when requested by it, a report or reports containing such information as the Commission may specify; and upon refusal or failure to file such report or reports, the Commission may refuse a license to any lessee or lessees of such corporation, or may revoke any such license which it may have granted.

Section 43 PARTNERSHIPS

578. Each and every member of a partnership, including husband and wife, must obtain an owner's license to allow such partnership to function on the tracks of West Virginia and complete proper partnership forms.

579. An authorized agent must be appointed to represent a partnership in all matters and only he shall withdraw money or sign claims for said partnership. A notarized

instrument must be signed by all members of a partnership in the appointment of an authorized agent.

- E ~~(E)~~⁹ With whom the power of entry and declaration rests.
- F ~~(F)~~⁹ The terms of any contingency, lease or any other arrangement.

581. All partnership papers must be signed by all parties or by their authorized agent.

582. In case of emergency, authority to sign declarations of partnerships may be given to the West Virginia Racing Commission by a telegram promptly confirmed in writing.

583. The part owner of any horse cannot assign his share or any part of it, without the written consent of the other partners, the said consent to be lodged with the Racing Commission and the Racing Secretary.

584. An alteration in a recorded partnership registration, to be effective, must be reported in writing to the Commission and signed by all partners.

585. All parties to a partnership and each of them shall be jointly and severally liable for all stakes, forfeits and other obligations.

A ~~(A)~~ All names used not revealing the actual identity or identities of the owner or owners shall be considered a "Stable Name."

B ~~(B)~~ In applying to race under a Stable Name, the applicant must disclose the identity or the identities behind the Stable Name. If a partnership is involved in the identity behind a Stable Name, the Rules covering partnerships must be complied with in detail.

C ~~(C)~~ Changes in identities must be reported immediately to and be approved by the Commission.

D ~~(D)~~ A person cannot register more than one Stable Name at the same time, nor can he use his real name for racing purposes, so long as he has a registered Stable Name.

E ~~(E)~~ Any person who has been registered under a Stable Name may, at any time, cancel it after he has given written notarized notice to the Racing Commission.

F ~~(F)~~ A person cannot register as his Stable Name, one which has been registered by any other person with an Association conducting a recognized meeting or the Jockey Club (New York) or with another racing authority.

I (I) A Stable Name shall be plainly distinguishable from that of another duly registered as a Stable Name. When appearing on the program, the Stable Name must be accompanied by the legal name of the owner. If the Stable Name has more than one owner, one legal name of an owner must appear followed by the term "et al."

J (J) A corporate name shall be considered as a Stable Name for the purpose of these Rules, but the Racing Commission reserves the right to refuse any corporation the privileges of registering a Stable Name or racing as a corporation.

K (K) No Stable Name shall be used for advertising purposes.

L (L) If more than one (1) person races with a Stable Name registered as the owner, an authorized agent shall be appointed and he shall transact all business.

Section 45 TRAINERS

598. No owner or trainer shall harbor on the grounds of an Association, engage or retain in his employ, any unlicensed person.

599. When a trainer is to be absent from his stable or the grounds where his horses are racing for a period of more than one racing day, and his horses are entered or are to be entered, he must provide a licensed trainer to assume the complete responsibility of the horses he is entering or running. Such licensed trainer shall sign in the presence of the Stewards a form furnished by the Association accepting complete responsibility of the horse or horses being entered or running.

600. A licensed trainer may represent the owner in the matter of entries, declarations, and the employment of jockeys, but shall not be allowed to withdraw any money from the Association, either in his own name or that of an owner, nor may he contract obligations against the account of any owner or part owner unless he is the authorized agent of said owner or part owner, and has a license having been issued by the West Virginia Racing Commission as such.

601. A trainer shall have his horse in the paddock at the time appointed.

602. If, for any reason, the trainer of a horse is not or cannot be present at the time of collection of urine or saliva, it shall be deemed by the Commission that the person actually in custody of the horse is duly authorized to witness the taking and sealing of the specimen and has the trainer's authority to sign as witness to such action.

45.7 603. A trainer shall attend his horse in the paddock, and shall be present to supervise his saddling, unless he has obtained the permission of a Steward to send another licensed trainer as a substitute. He shall also be present following the running of a race to attend his horse or cause a licensed employee to be present for that purpose.

45.8 604. A trainer shall be responsible for the condition of a horse trained by him.

45.9 605. Each trainer shall register with the Racing Secretary all the horses in his charge giving the name, age, sex, breeding and ownership of each. Any horse stabled on the grounds of the Association or under the jurisdiction of the Association without having been so registered, or occupying a stall not assigned for him, unless by special permission, will be cause for disciplinary action.

45.10 606. Any alteration in the sex of a horse must be reported and noted by the trainer to the Racing Secretary or horse identification office immediately and that office must note the same on the foal certificate.

45.11 607. Each trainer shall register with the Racing Secretary and the Security Department every person in his employ. He must also be responsible for the licensing of each employee and not harbor, engage or have in his charge, any person or persons not so licensed.

45.12 608. A trainer shall not have in his charge nor under his supervision any horse owned, in whole or in part, by a disqualified person.

45.13 609. No trainer shall accept, directly or indirectly, any bribe, gift or gratuity in any form which might influence the result of any race or which would tend to do so.

45.14 610. No trainer shall move or permit to be moved any horse or horses in his care from the grounds of an Association without permission from the Racing Secretary or the Stewards.

45.15 611. No trainer shall employ a jockey for the purpose of preventing him from riding in any race.

45.16 612. The trainer shall be responsible as an absolute insurer of the condition of the horses he enters regardless of any act of a third party as further set forth in Rule 793. 58.4

45.17 613. An applicant for a trainer's license, who has not been previously licensed in this State, must have the written statement of two (2) reputable persons to the effect that the applicant is personally known to them and that he is a person of good reputation and capable of satisfactory performance of the vocation he seeks to follow. Such applicant shall be given a thorough written and/or oral examination by the Stewards and such other examination as deemed necessary by the Stewards.

Section 46 JOCKEY ROOM CUSTODIAN

- 46.1 618. It shall be the duty of the Jockey Room Custodian to see to it that order, decorum and cleanliness are maintained in the Jockey and Scale Rooms.
- 46.2 619. The Custodian shall assist the Clerk of the Scales in the performance of his duties.
- 46.3 620. The Custodian shall see to it that no person, other than Racing Officials, the Racing Commission, or its representatives, Representatives of Jockeys and the necessary jockey room attendants, is admitted to the jockey room on a day of racing without express permission of the Stewards for each time of entry.
- 46.4 621. The Custodian shall oversee the care and storage of all racing colors.
- 46.5 622. The Custodian shall oversee the jockey attendants and arrange their rotation among jockeys in the matter of weighing out.
- 46.6 623. The Custodian shall see to it that no jockey attendant not approved by the Stewards and not licensed by the West Virginia Racing Commission is permitted to assist any jockey at any time.

46.7 624. The Custodian shall report to the Stewards any irregularities that occur in this province.

46.8 625. The Custodian shall see to it that jockeys are neat in appearance and attired in keeping with the Rules when they leave the rooms to ride in a race.

Section 47 CLAIMING

47.1 631. In Claiming Races any horse is subject to claim for its entered price by anyone registered in good faith for racing at that meeting and also starting a horse at the meeting, (such starter includes all horses that go to the post up to and including the race in which the claim is made) AND WHO, AT THE TIME OF ENTERING HIS CLAIM, IS THE REGISTERED OWNER OF A HORSE STABLED ON THE GROUNDS OR AT ANOTHER APPROVED STABLING FACILITY OF THE ASSOCIATION CONDUCTING THE MEETING AT WHICH SUCH CLAIM IS MADE. Any person qualified to claim a horse may act through his authorized agent; provided, however, that no person shall claim his own horse or cause his horse to be claimed directly or indirectly for his own account.

47.2 632. No one may claim more than one horse out of any one race.

A ~~(A)~~ No trainer, even though he be an owner and qualified under the rules to claim, may submit a claim out of the same race in which the owner of horses trained by him, has submitted a claim. If such an act inadvertently occurs, the claim made by the trainer shall be declared void.

B ~~(B)~~ No authorized agent, although representing more than one owner, shall submit more than one claim in any one race.

C ~~(C)~~ When a stable consists of horses owned by more than one owner, trained by the same trainer, not more than one claim may be entered on behalf of such stable in any one race. In case such an act inadvertently occurs, the owners shall compete by lot for the right of claim.

D ~~(D)~~ When a stable consists of horses owned by more than one owner, trained by the same trainer, such owners will not be eligible to claim from that trainer's stable.

47.3 633. If a horse is claimed, it shall not start in a selling or claiming race for a period of thirty (30) days from the date of claim for less than twenty-five per cent (25%) more than the amount for which it was claimed, nor shall it be entered for thirty (30) days after being claimed in a race in which the determining eligibility price is less than twenty-five per cent (25%) more than the price at which the horse was claimed. The day claimed shall not count but the following calendar day shall be the first day and the horse shall be entitled to enter whenever necessary so the horse may start on the thirty-first (31st) calendar day following the claim for any claiming price. This provision shall not apply to starter handicaps in which the weight to be carried is assigned by the handicapper.

47.4 634. Any horse so claimed shall not be sold or transferred, wholly or in part thereof, to anyone for thirty (30) days thereafter, except in another claiming race, nor shall it remain in the same barn or under the control or management of its former

owner or trainer for a like period, unless reclaimed, nor shall it race elsewhere until after the close of the meeting at which claimed, except by special permission of the Stewards at the meeting at which it was claimed. Provided, however, that in the period of thirty (30) days after the date of claiming, upon petition of the owner of record or his authorized agent, the Commission may permit or ratify the sale or transfer, in whole or in part, of a horse claimed at a West Virginia meeting. This action of the Commission shall be for reasons and under conditions and terms which shall appear sufficient to the Commission. Provided, further, that when a horse is claimed at a recognized meeting under rules which are at variance with this rule, title to such horse shall be recognized in West Virginia to follow the rule of the meeting under which it was claimed.

635. The claiming price of each horse in a claiming race shall be printed on the program, and all claims for said horse shall be for the amount so designated, plus sales tax. Should more than one claim be filed for the same horse, the disposition of the horse shall be determined by lot under the direction of one or more of the Stewards or one deputized to act for them.

636. All claims must be made in writing on forms and in envelopes approved by the Commission. Both forms and envelopes must be filled out completely and accurately, otherwise the claim will be void. The envelopes must be sealed, time stamped, and deposited in a locked box provided for this purpose. No money shall accompany the claim. Each person desiring to make a claim must first deposit with the Association the whole amount of the Claim in cash, plus sales tax, unless at the time of depositing said claim,

he shall have such amount to his credit and unencumbered with the Association. The spelling of a horse's name, horse's sex and age on the official program on the day of claiming may be considered to be the accurate information for the purpose of claiming, and if same is inaccurate the claim may be voided by the claimant. When a claim has been filed, it is irrevocable and at the risk of the claimant.

47.7 637. All claims must be deposited in the claiming box at least fifteen (15) minutes before post time of the race with respect to which the claim is made, and no official of said Association shall give any information as to the filing of claims therein until after the race has been run. All claims shall be passed upon by the Stewards.

47.8 638. A horse claimed shall not be delivered by the original owner to the successful claimant until authorization shall be given by the Stewards, and every horse so claimed shall run in the interest and for the account of the owner who entered it in the race, but title to the claimed horse shall be vested in the successful claimant from the time said horse becomes a "Starter" and said successful claimant shall become the owner of the horse, whether it be alive or dead, sound or unsound, or injured during the race or after it.

47.9 639. The Stewards shall be sole judges of the quality of the horses in the stable of the claimant, and shall decide when the spirit as well as the intent of the rule is being violated. They may, at their discretion, declare any claim void.

47.10 640. Any person making a claim for a horse in any claiming race shall sign an affidavit which shall be part of the claim blank, certifying that he is claiming said horse for his own account or as an authorized agent and not for any other person. Section 59 APPEAL AND REVIEW

59.1 802. A majority of the Stewards at any horse race meeting may suspend a license and such suspension or revocation shall be effective immediately. The Stewards shall, as soon as thereafter practicable, make and enter an order to that effect and serve a copy thereon on the license holder, either personally or by certified mail, return receipt requested. Such order shall state the grounds for the action taken.

59.2 803. Any person or persons penalized or disciplined under the laws of the State of West Virginia or under these rules and regulations may request a hearing before the Commission. A written request for a hearing must be received by the Commission at its office in Charleston within twenty (20) days after receipt of the written order or suspension or revocation.

(A) The request for hearing shall be filed by the person making it and it must set forth his reason for believing he is entitled to a hearing.

(B) The request must set forth if the petitioner desires a Court Reporter for transcribing of any testimony.

(C) Security for costs in the amount of \$100.00 must accompany the appeal. In the event the Racing Commission deems the aforesaid security for costs insufficient as to amount, the additional security for cost specified by the Commission must be deposited at the Commission Office within ten (10) days after notification.

59.3 804. An appeal from a decision of a Racing Official to the Commission shall not affect such decision until the appeal has been acted upon by the Commission.

59.4 805. Upon receipt of the written demand for such hearing, in accordance with Rule 803, a time and place not less than ten (10) nor more than thirty (30) days thereafter will be set by the Commission. Any scheduled hearing may be continued by the Racing Commission upon its own motion or for good cause shown by the person demanding the hearing.

59.5 806. Any person making an application for a hearing will be heard in person or by counsel, and if the party so desires, with the approval of the Commission, the party may submit his case in writing.

59.6 807. All complaints and requests to the Commission must be in writing and all papers filed with the Commission shall be the property of the Commission.

60 MUTUEL DEPARTMENT

60.1 813. No Association shall be licensed to hold a race meet by the Commission until a totalisator, approved by the Commission, has been installed to handle the pari-mutuel wagering.

The cycle of frequency of change on the totalisator board shall not be more than sixty (60) seconds.

60.2 814. Whenever the Tote Board fails mechanically and is obviously unreliable as to the amounts wagered or at any other such time as he may deem it necessary, the Auditor of the Pari-Mutuels may require that the pay-off be computed on the sums then wagered in each pool as shown by the recapitulation of the sales registered by each ticket-issuing machine. Such method is commonly known as a "physical take-off." This rule is not to apply to computerized plants, however errors are to be adjusted in accordance with Rule 828 Section 60.11

60.3 815. Every Association not equipped with automatic price computers, shall employ and use six (6) competent persons to perform pari-mutuel calculations, two of whom shall be assigned to each of the positions of "Straight," "Place," and "Show." Each person so assigned shall make an independent calculation, and both persons must be in complete agreement before the price is posted for each position in every race.

60.4 816. Each Racing Association must in all cases of pari-mutuel pool distribute not less than Two Dollars and Twenty Cents (\$2.20) on each winning two-dollar wager.

60.5 817. If more than five separate interests are declared official starters by the Board of Stewards, there must be win, place and show wagering in the pari-mutuels. If more than four separate interests are declared official starters by the Board of Stewards, there must be at least win and place wagering in the pari-mutuels.

60.6 818. The result of every race is determined insofar as the mutuel pay-off is affected when it is posted as "official" and, as immediate distribution of the respective pools is required, no subsequent change in the order to finish shall involve the mutuel department.

60.7 819. All horses in the name of the same owner and/or under the care of the same trainer shall, when entered to race, be coupled as an "entry;" a wager on any one of them being a wager on all; the entry running as one horse. If a horse or horses of either an "entry" or "the field" are scratched or excused and there remains at least one horse in the entry or field, all wagers made on the entry or field stand and no refund is to be made. In all simulcast races conducted in West Virginia, the provisions of ~~Rule #819~~ shall be in full force and effect.

Section 60.7

60.8 820. If the Stewards or the Veterinarian excuse a horse or horses and order the horse or horses scratched, before they are locked in the gate, and such action reduces the number of horses in separate interests actually engaged in the race below the number required for show or place betting, refunds may be made of the place and show pools, either or both, to bring the number of horses in separate interests within the required minimum of horses necessary for such pools.

60.9 821. If any horse or horses should be excused by the Stewards after the horses shall have left the paddock for the post, the money bet on any horse or horses so

excused shall be deducted from the pool and refunded to the purchaser or purchasers of tickets on the horse or horses so excused, provided, after the start, there shall be no refund.

60.10 822. All payments to holders of tickets entitled to share in the distribution of the respective pools shall be in proportion to their investment in the horse or horses sharing in the distribution from these pools; reference to payments out of pools, meaning the distributable portion thereof; but refunds when made include all the money in the pool or pools to which they apply.

60.11 823. Should there be any error in calculation where the public is underpaid, the amount of the underpay shall be added to the same pool on the next race. If such an error should result in the public being overpaid, the amount of the overpay will be chargeable against the funds of the racing association.

60.12 824. No Association shall recognize either during the course of a race meeting or thereafter, any claim on pari-mutuel tickets unless a valid pari-mutuel ticket is presented. In the case of mutilated tickets if the portions of the tickets presented are sufficient to definitely identify the ticket as a winning ticket, the Association may accept the mutilated ticket and make payment. No mutilated ticket may be paid by the Association if any of the following parts are missing:

Complete Code Word
Horse Number
Race Number
Date

60.13 ²825. If two horses run a dead heat for first place, the money in the "straight" mutuel pool is divided the same as in the "place" pool calculation.

60.14 ²826. If two horses run a dead heat for second place, the division is as follows:
The winner of the race receives his full share of one-half of the "place" money, and the two dead heaters receive one-half each of the balance or one-fourth each of the whole.

60.15 ²827. If a horse should run second upon which no "place" ticket has been sold, all the "place" pool is apportioned to the "place" tickets sold on the horse that finished first, there being only ONE participating ticket and not TWO as usual, the calculation being the same as in a "straight" pool.

60.16 ²828. If a horse should finish third upon which no "show" ticket has been sold, all of the "show" pool is divided between the "show" tickets sold on the horses that finished first and second, there being but TWO participating tickets and not THREE as usual the calculation being the same as in the "place" pool.

60.17 ²829. If only one horse finished in a race, all money in the "place" and "show" pools goes to the holders of "place" and "show" tickets on this one horse, the money being distributed as in a "straight" pool. If only two horses finish in a race, all money in the "show" pool goes to the holders of "show" tickets on these two horses, the money being distributed as in a "place" pool.

60.18 ²830. If no horse finishes, all money shall be refunded.

60.19 ²831. The State Steward shall close and lock all Mutuel Machines at the scheduled Post Time as shown on the field Mutuel Board.

60.20 832. Each Association shall maintain suitable electric apparatus for locking the totalisator windows. It shall be operated from the Steward's stand by one of the Stewards designated for this duty.

60.21 833. While the betting is in progress, there shall be frequent posting of the approximate odds on the horses taking part in the race, "entries" being listed on the odds board as one horse, and, likewise, the "field" when either or both are a part of the race.

60.22 834. Suitable apparatus must be provided whereby notice is given to the mutuel department (1) that the horses that are to run are on the track after leaving the paddock, (2) that they are parading, (3) that the lead pony has just reached the starting gate and (4) that the horses are off.

60.23 835. Totalisator adjustments will be summarized at the close of each meeting, and, if the net result is a credit to the company operating the totalisator, then the Auditor of Pari-Mutuels will obtain a check from the company for the amount of the net credit, made payable to the West Virginia Racing Commission, which said Commission will deposit with the State Treasurer.

60.24 836. Daily Double Rules shall be as follows:

A (1) The daily double is not a parlay and has no connections with a relation to the mutuel betting. All tickets on the daily double will be calculated in an entirely separate pool. All tickets will be to win (straight) only. No "entry" or "field" shall be permitted in any race involved in the daily double.

B (2) If no ticket is sold combining the two winners, the daily double pool then shall be apportioned equally between those having tickets including the winner in the first race and those having tickets including the winner in the second race, in the same manner in which a "place" pool is calculated and distributed.

C (3) If no ticket is sold including the winner of the first race, the entire pool will be paid to holders of tickets which include the winner of the second race of the daily double.

D (4) Likewise, if no ticket is sold including the winner of the second race, then the entire pool will be paid to holders of tickets which include the winner of the first race of the daily double.

E (5) If no ticket is sold including the winner of either race, then the pool shall be paid to the holders of tickets which include the horses finishing second in the two races of the daily double.

F (6) If no ticket is sold which would require distribution of the daily double pool, the Association shall make a complete and full refund of the pool.

G (7) If, for any reason, the first race of the daily double is cancelled and declared "no race," full and complete refund will be made of the daily double pool. If, for any reason, the second race of a daily double is cancelled and declared "no race," the daily double pool shall be distributed to the holders of the daily double tickets on the winner of the first race in the same manner as the straight pool of the first race is distributed, except as to the amount of distribution which shall be controlled by the amount bet in the daily double pool.

H (8) If after the first half of the "Daily Double" has been run and declared "Official" a horse is excused or scratched in the second half of the "Daily Double" then a consolation pay-off shall be made to holders of the Daily Double to the excused or scratched horse of the second half of the Daily Double computed in the following manner:

The Net Daily Double Pool (Gross Pool less commission) shall be divided by the Total number of tickets sold combining the winner of the First Half, the quotient thus obtained shall constitute the Consolation Pay-off, to be paid to holders of each ticket combining the winner of the First Half and the scratched or excused horse in the Second Half. The entire Consolation Pool (number of eligible tickets times the Consolation Price), and not the breakage, shall be deducted from the Net Daily Double Pool. The remaining Pool is the new Net Pool for the Daily Double.

I (9) If holder of tickets loses the first race of the daily double and the horse is scratched in the second race, no money shall be refunded.

J (10) rescinded.

K (11) Before the running of the second half of the Daily Double, the pay-off prices of each combination coupled with the first winner shall be prominently posted, unless the first race of the Daily Double has resulted in a dead heat in which case the prices will not be posted and an announcement to this effect will be made over the loud speaker.

60.2⁵ 837. No Association giving a race meeting under a license issued by the West Virginia Racing Commission shall permit bets to be made on the grounds of said Association on any race run outside of said grounds, and no foreign book or gambling device of any kind shall be permitted on said grounds.

60.2⁶ 838. Such rules for pari-mutuel betting as may be specified by the Commission shall be printed in the daily racing programs sold to the public within the premises of Racing Associations.

60.2⁷ 839. PERFECTA WAGERING:

A 1. The "perfecta" form of wagering may be permitted by permission of the Commission upon application of the licensee.

B 2. The "perfecta" is a contract by the purchaser of a ticket combining two horses in a single race, selecting the two horses that will subsequently finish first and second in that race. Payment of the ticket shall be made only to the purchaser who has selected the same order of finish as officially posted.

C 3. The "perfecta" is not a parlay and has no connection with or relation to the win, place and show betting and will be calculated as an entirely separate pool.

D 4. In the event no ticket is sold on the winning combination of a perfecta pool, the net pool shall be apportioned equally between those having selected the winner and those having selected the horse finishing second in the same manner in which a place pool is calculated.

E 5. In case of a dead heat between two horses for first place, the net perfecta pool shall be calculated as a place pool to holders of tickets of the winning combination/s.

In case of a dead heat between two horses for second place, the perfecta pool shall be calculated as a place pool, the holders of tickets combining the winning horse and the two horses finishing second participating in the pay-off.

F 6. In the event of any entry finishing first and second, the net exacta or perfecta pool shall be distributed to holder of tickets combining the Entry with the horse finishing third.

G 7. If a horse/s in a race on which there is perfecta wagering is excused by the Stewards, all moneys wagered on combinations which include this horse shall be deducted from the perfecta pool and refunded to the purchaser of tickets on the horse/s.

H 8. If no ticket is sold that would require distribution of a perfecta pool, the association shall make a complete and full refund of perfecta pool.

10.28 840. "BIG" OR "TWIN" PERFECTA WAGERING:

A (1) The "Big Perfecta" is a form of pari-mutuel wagering in which the bettor selects two horses, that will finish first and second in each of two races in the exact order as officially posted.

B (2) "Big Perfecta" tickets shall be sold only at "Perfecta" windows by the licensee and only from automatic double issue machines.

C (3) Each bettor purchasing "Big Perfecta" tickets shall designate his two selections as the first two horses to finish in that order in the first race of the two designated races.

D (4) After the official declaration of the first two horses to finish in the first race of the "Big Perfecta," each bettor holding a ticket combining the first two horses in the exact order of finish must, prior to the running of the second "Big Perfecta" race exchange such winning tickets for a "Big Perfecta" exchange ticket at the "perfecta" windows and at such time shall select the two horses to finish in the second race of the "Big Perfecta" in the exact order as officially posted. No further money shall be required of the holder of the ticket in order to make the exchange.

E (5) No "Big Perfecta" exchange ticket upon the second race shall be issued except upon the surrender of the "Big Perfecta" ticket from the first race as described in these rules. The "Big Perfecta" pool obtained from the sales of "Big Perfecta" tickets upon the first race shall be held, subject to those rules, and divided among the winning tickets of the "Big Perfecta" exchange tickets, subject to these rules to the contrary. "Perfecta" windows shall be open for the purpose of making the exchange as described only after the first race has been declared official and such windows shall close at official post time at the start of the second race of the "Big Perfecta" races.

F (6) If a winning "Big Perfecta" ticket from the first race is not presented for exchange within the time provided, the bettor forfeits all rights to any distribution or refund except in the event the second half of the "Big Perfecta" is cancelled or declared "No Race" or if no exchange ticket includes either the first or second horse of the second half of the "Big Perfecta." ~~(See No. 15F)~~ (See 60.28.0)

6 ~~8~~ If a horse is scratched in the first race of the "Big Perfecta" races, all "Big Perfecta" tickets on the scratched horse will be refunded.

7 ~~8~~ If a horse is scratched in the second race of the "Big Perfecta," all exchange tickets combining the scratched horse shall become consolation tickets and shall be paid a price per dollar denomination calculated as follows: the net "Big Perfecta" pool (gross pool less commission) shall be divided by the total purchase price of all tickets combining the winners of the first race of the "Big Perfecta." The quotient thus obtained shall be the price to be paid to holders of exchange tickets combining the scratched horse in the second race of the "Big Perfecta." The entire consolation pool (number of eligible tickets times the consolation price) plus the breakage shall be deducted from the net "Big Perfecta" pool.

8 ~~8~~ If no "Big Perfecta" ticket is sold as a winning combination in the first race of the "Big Perfecta," the "Big Perfecta" pool shall be divided among those having tickets including the horse finishing first or second and such distributions shall be calculated and made as a place pool, in such an instance the "Big Perfecta" race shall end and the pool be closed for the day.

9 ~~8~~ If no "Big Perfecta" exchange tickets is sold on the winning combination, the net pool shall then be apportioned equally between those having tickets including the horse finishing first and those having tickets including the horse finishing second in the same manner in which a place pool is calculated and distributed.

K (11) If a "Big Perfecta" exchange ticket combines only one of the two winners and no "Big Perfecta" exchange tickets combines the other winner, the entire pool shall be distributed as a straight pool to the holders of those tickets.

L (12) If no exchange ticket includes either the first or second horse of the second half of the "Big Perfecta," the entire net pool shall be distributed as a straight pool to all holders of exchange tickets and winning combinations of the first half that have not been exchanged.

M (13) In the event of a dead heat for place in the first race of the "Big Perfecta" races, all "Big Perfecta" tickets combining the first horse and either of the place horses shall be eligible for exchange for "Big Perfecta" exchange tickets.

N (14) In the event of a dead heat for place in the second race of the "Big Perfecta" races, the "Big Perfecta" pool shall be divided, calculated and distributed as a place pool to the holders of "Big Perfecta" exchange tickets combining the first horse and either of the place horses. In the event of the dead heat to place and there are no tickets sold on one combination, then the other combination having winning horses shall be declared the winner. If no exchange tickets combine the winning horse with either of the place horses in the dead heat, the "Big Perfecta" pool shall be calculated and distributed as a place pool to holders of tickets representing any interest in the net pool.

O (15) If for any reason the second of the "Big Perfecta" races is cancelled or declared "No Race," the pool shall be calculated as a straight pool and shall be

distributed among the holders of the tickets combining the first two horses, players of the first race of the "Big Perfecta" otherwise eligible for "Big Perfecta" exchange tickets and also distributed to holders of the "Big Perfecta" exchange tickets.

P (18) If there is a dead heat for the winning horse in either of the two designated races for the "Big Perfecta," such calculation of distribution of the "Big Perfecta" pool shall be made in the manner in which any ordinary perfecta pool would be made should there be a dead heat for the win despite the number of horses involved in the dead heat.

Q (19) The word "Perfecta" used in these rules is to be construed to mean "Exacta" where exacta wagering is conducted.

60.29 841. TRIZACTA - TRIFECTA WAGERING.

D (4) The design of trizacta tickets shall be clearly and immediately distinguishable from other pari-mutuel tickets.

E (5) If less than three horses finish, payoff shall be made on tickets selecting the actual finishing horses in order, ignoring the balance of the selection.

F (6) Payment of the ticket will be made only to the purchaser who has selected the same order of finish as officially posted.

G (7) The Trizacta is not a "parlay" and has no connection with or relation to the win, place, or show betting, and will be calculated in an entirely separate pool.

H (8) If a horse is scratched or declared a non starter, no further trizacta tickets may be issued designating such horse, and all tickets previously issued designating such horse shall be refunded and money deducted from the gross pool.

I (9) If no ticket is sold on a winning combination of a trizacta pool, the net pool shall then be apportioned equally between those having tickets selecting the first and second place horses. If no ticket is sold selecting the first and second horse in the trizacta pool, the net pool shall then be apportioned equally between those having tickets selecting the horse or horses that finished first in the trizacta race. Should no selection be made as above mentioned, the net pool shall be apportioned equally between those having selected the horse finishing second combined with the horse finishing third.

J (10) Should no selection be made as above mentioned, those having selected the second horse for second and the third horse for third with any other horses, contrary to the win, place, and show pool practice, the aggregate number of tickets as mentioned in this paragraph shall divide the net pool and be paid the same payoff price.

K (11) In case of a dead heat for first place, the winning combination shall include the first two horses as finishing in either position, and the horse finishing third. In case of a dead heat to place, the winning combination shall be the horse finishing first and the

two horses finishing in a dead heat for place, as finishing in either position. In case of a dead heat for third, the winning combination shall be the horse finishing first, the horse finishing second, and the two horses finishing in a dead heat for third, as finishing in either position, and distribution shall be made in accordance with established pari-mutuel practice relative to dead heats.

L (12)⁸ Should no ticket be sold that would require distribution of the trizacta pool to a winner as above defined, the Association shall make full refund of the pool.

M (13)⁸ No entries or field horses shall be allowed to start in any race on which Trizacta pool is sold.

60.30 842.⁸ Should any emergency arise in connection with the operation of the Mutuel Department not covered by these rules and immediate decision is necessary, the Mutuel Manager shall make the decision and a prompt report of the facts will be made to the Racing Commission. If an error is made in posting the odds or the payoff figures on the public board, it shall be corrected promptly and only the correct amounts shall be used in the payoff, irrespective of the error that may have appeared on the public board. If because of mechanical failure it is impossible to promptly correct the posted payoff, a statement shall be made over the public address system stating the facts and corrections.
