## POLICY REGARDING THE NAMING OF BUILDINGS

---

WHEREAS, The governing boards previously responsible for higher education in West Virginia had substantially different policies concerning the naming of buildings at the State institutions of higher education,

THEREFORE BE IT RESOLVED, That it shall be the policy of the Board of Regents to establish an official name of a building at an institution upon recommendation of the President of the institution with the concurrence of his advisory board, provided, however, if it is proposed that the building be named for a person, such individual must have rendered distinguished educational or other service to the institution and must not have been employed at the institution during the three previous years. An exception may be made by the Board of Regents in the case of the gift of a building.
