§94-7-2. Calculation Of Projected Cost Per Inmate Day.

2.1. The Authority shall establish a uniform statewide per diem for housing persons in the Regional Jail System. The per diem shall be established using the Regional Jail System as a whole of all the Regional Jails combined.

2.2. Annually, the Regional Jail and Correctional Facility Authority shall establish an expenditure schedule, consistent with the requirements of W. Va. Code §31-20-10a et.seq. for the operation of the Regional Jail system. This schedule will cover all operational costs including, but not limited to personal services, employee benefits, public employees insurance reserve fund, current expenses, liquidity reassurance reserve, repairs and alterations and assets, as well as budgetary cost adjustments and all requirements of the State Budget Office. Provided, that the operational reserve fund may not exceed the amount of three months of anticipated operational expenditures.

2.32. The projected expenditure schedule will be divided by the previous fiscal year's billed average daily inmate population to yield the projected cost per inmate day.

2.4. The projected cost per inmate day shall then become effective as of July 1st of the next fiscal year's budget following the October projection.

§94-7-3. Annual Statement of Projected Cost Per Inmate Day.

In October of each year, an annual statement of projected cost per inmate day will be provided, upon request, to any billed entity who has or may have an inmate incarcerated in a regional jail.

4.3. The Executive Director, on behalf of the Authority, may initiate legal action to collect any debts resulting from the failure of a responsible entity to make prompt payment of billed charges per entity.
