7.2.4. The holder of the temporary permit shall immediately return the temporary permit upon request of the board. In the event that the ninety (90) day period expires prior to the completion of the required procedure for licensure by endorsement by an applicant licensed as a registered professional nurse in another state, territory, or foreign country,

a satisfactory explanation must be furnished to the board prior to any subsequent request for endorsement by that applicant. If the explanation is considered acceptable by the board, the applicant must repeat the process for endorsement in its entirety.

In addition, the expiration of the temporary permit may occur prior to ninety (90) days in the event that the board revokes the permit.

§ 19-3-8. Change of name and/or address.

8.1. Change of name.

If a licensee legally changes his or her name through marriage, divorce court order or other means, he or she must send this information to the office of the board. 9.1. Annual renewal of license.

The renewal period for registered professional nursing licenses is annual and occurs from January 1 to December 31 of each year. The fee for licensure renewal is twenty-five dollars (\$25.00). The deadline for receipt of the renewal application and fee is thirty days after receipt of the renewal application.

9.2. Request for inactive status.

If not practicing, and in the absence of disciplinary action pending against the license, the nurse may request his or her name be entered on the inactive list by the executive secretary of the board by completing the renewal application furnished by the board and indicating his or her desire to be placed on inactive

status. The licensee's records will then be designated "inactive". The inactive licensee may, upon application and payment of the current fee, receive an active license to practice registered professional nursing in West Virginia. The board may inquire into activities and events during the term of the inactive license period. No fee is required for inactive status and no license is issued.

§ 19-3-10.Reinstatement of lapsed license.

10.1. Non-renewal of license.

The registered nurse's license lapses due to the licensee's failure to renew the license before the current license expires.

10.2. The fee to reinstate a lapsed license is fifty dollars (\$50.00), and is in addition to the regular renewal fee of twenty-five dollars (\$25.00).

§ 19-3-11.Verification of licensure to another state board of nursing.

11.1. The board will furnish a certified statement verifying West Virginia licensure to the board responsible for the licensure of registered professional nurses in another state upon submission of a written request by the licensee for the verification and payment of a thirty dollar (\$30.00) fee. If the licensee is a graduate of a school which has closed and his or her records are on file in the board office, the board will provide a copy of school records upon written request and payment of five dollars (\$5.00) for copying.

§19-3-12.Loss of certificate of registration or current licensure card.

12.1. To replace a lost or destroyed certificate of registration the nurse shall send an affidavit certifying the loss or destruction of the certificate of registration and a

fee of five dollars (\$5.00) to the board.

- 12.2. To replace a lost or destroyed current licensure card the nurse shall send an affidavit certifying the loss and a fee of five dollars (\$5.00) to the board.
- 12.3. The board may publish notice of the issuance of a duplicate certificate of registration or current licensure card.

§19-3-13. Penalty for presentation of non-negotiable check.

- 13.1. The board shall assess a fee not to exceed fifteen dollars (\$15.00) to any individual who presents a check payable to the board that is later returned by the bank as non-negotiable. The presenter of the non-negotiable check shall redeem the non-negotiable check within fourteen (14) days of notification by certified mail. This fee is in addition to any reinstatement or other fee which may additionally become due because the applicant or licensee submits an application or registration form after a board deadline. The applicant, licensee, or other person who presents a non-negotiable check shall redeem it with cash, money order, or cashier's check.
- 13.2. If fees are not paid within 14 days for a non-negotiable check submitted with an application for renewal or reinstatement or any other application form, the license or temporary permit of a registered professional nurse is no longer valid.
