Re: Request to Withdraw Proposed Modifications to an Existing Rule
Title 115; Series 6 – Preferred Medical Liability and High Risk Medical Liability
Program

Dear Secretary Manchin:

In July of 2003, the Board of Risk and Insurance Management filed proposed modifications to our existing Title 115, Series 6 rule. We are requesting this recent filing be withdrawn leaving our existing rule intact and unchanged.

The rationale for withdrawing the proposed modifications is that the medical professional liability program will sunset effective June 30, 2004. Therefore, modifying the existing rule is not necessary.

We thank you in advance for your consideration in granting our request. Should you have any questions or comments, please advise.

Sincerely,

A handwritten signature in black ink, appearing to read "C. E. Jones, Jr.".
