SCHOOL BUILDING AUTHORITY OF WEST VIRGINIA

GRANT CONTRACT UP TO

THE AMOUNT OF \$ _____

WITH THE BOARD OF EDUCATION OF THE COUNTY OF _____

This Grant Contract (the "Contract") is entered into by and between the School Building Authority of West Virginia (the "Authority") and The Board of Education of the County of _____ (the "County Board") this ____ day of _____, 20__.

RECITALS

A. The Authority was established pursuant to the Constitution and laws of the State of West Virginia, including, particularly, Chapter 18, Article 9D of the Code of West Virginia, 1931, as amended (the "Code") (the "Act") to provide available funds (as described in Section 18-9D-6 of the Act) to finance the costs of acquisition, construction, renovation, repair and safety upgrading of facilities for public school purposes in the State of West Virginia (the "State").

B. In accordance with the Act and the Program Guidelines of the Authority, and at the request of the County Board, the Authority has determined to grant funds to the County Board for the purpose of financing the costs of the projects described in Exhibit A-1 attached hereto.

C. This Contract provides the terms and conditions upon which the Authority agrees to make and the County Board agrees to accept such grant.

Section 1. Subject to the terms and conditions described herein, the Authority hereby grants to the County Board, funds up to \$ _____ (the "Grant"). The expiration date of this funding grant shall be _____, 20__.

Section 2. The Authority shall be granted the privilege to act as co-owner of properties during construction or renovation of the facility without the liability of ownership.

Section 3. Upon receipt of evidence satisfactory to the Authority that the County Board is prepared to commence expenditures of the proceeds of the Grant during the then current fiscal year, the proceeds of the Grant shall be transferred from the Authority's School Construction Fund held by the West Virginia State Treasurer to United National Bank (the "Depository") and deposited in a fund to be known as the "School Building Authority of West Virginia Project Fund" (the "Project Fund"). The proceeds of the Grant shall be held in a separate subaccount of the Project Fund in the name of the County Board (the "County Account"). The County Board hereby authorizes the Depository to invest amounts on deposit in the County Account in investment securities at the direction

of the Authority. All interest earned on such will inure to the benefit of the Authority and will not be available for withdrawal by the County Board.

Section 4. Amounts in the County Account (not including investment earnings therein), may be withdrawn by the County Board at any time upon submitting a Requisition in the form attached hereto as Exhibit B to the Depository, with a copy submitted at the same time to the Authority. The Authority shall have the right to request additional information and/or documentation from the County Board with respect to any such Requisition. Disbursement shall not be made until the Authority approves such Requisition.

Section 5. The County Board hereby covenants and agrees to use the proceeds of the Grant only for approved expenditures with respect to the specific projects described on Exhibit A-1 unless it receives the prior written consent of the Authority. The County Board agrees not to submit a requisition for expenditures which will not be incurred with respect to the project. The County Board agrees to cause said project to be constructed within the total sums available to it, including said grant, in accordance with the plan submitted by the county to the Authority for funding as described in Exhibit A-1 and in accordance with the regulations, guidelines and direction of the Authority.

Section 6. The County Board agrees that the funds it receives as a Grant will not be used by the maintenance department of the County Board for the purpose of purchasing materials and equipment needed to improve and maintain existing facilities.

Section 7. In accordance with the mandates of the Act and regulations promulgated thereunder (the "Code"), the County Board covenants and agrees to expend all of the proceeds of the Grant by its designated expiration date as set forth in Paragraph C., Section 1., of this Contract. If the County Board fails to expend the entire Grant by such date, the County Board hereby authorizes and directs the Authority to withdraw and the Depository to pay to the Authority any amounts remaining on deposit in the County Account five business days after the above referenced expiration dates.

Section 8. The County Board hereby covenants and agrees that it shall not proceed with the building design for the school without first securing a clear and free title to the property where the SBA funded facility is to be constructed, or without securing a right-of-entry as result of a condemnation proceeding initiated to secure the site where the SBA funded school is to be constructed.

Section 9. The County Board hereby covenants and agrees that it will submit the educational specifications, as well as design plans and specifications as per the State Board of Education Policy 6200 and the Authority's Guidelines and Procedures Handbook for the erection and/or renovation of school buildings to the Authority for approval. Such plans and specifications shall comply with all requirements set forth in the Program Guidelines. Approval of plans and specifications for final construction will be subject to evaluation of the plan and the proposed site by the Authority.

Section 10. The County Board shall award bids only to properly licensed contractors as per the state Tax Department regulations. The County Board of Education shall require written evidence from all prime contractors that all sub contractors and all sub-sub contractors performing work on the approved project shall be covered by all required bonding.

Section 11. The County Board agrees to include in its contracts relating to projects receiving funds from the Authority items set forth in Appendice J of the School Building Authority Policy and Regulations Manual.

Section 12. Should the desired building design costs exceed the total construction funds available, the county must reduce the scope of the project and/or value engineer the facility to the satisfaction of the Authority prior to proceeding to the next project development phase. Failure to do so may be interpreted by the SBA as a Breach of Contract resulting in negation of the grant agreement between the local board and the SBA.

Section 13. The County Board shall employ a "Clerk-of-the-Works" to monitor all construction projects, unless otherwise waived by the Authority. The "Clerk-of-the-Works" shall not be a regular employee of the county board. The County Board shall use its best efforts to provide funds for the payment of such "Clerk-of-the-Works" by negotiating a reduction in architectural fees relating to such project. The grant recipient may, at the discretion of the Authority's Construction Committee, be required to proceed with the construction project using an Authority approved design, construction schedule and construction management method. Requirement of a Clerk-of-the-Works will be waived for counties using construction management.

Section 14. The County Board shall retain an architect for renovations, additions and/or new construction projects as required by Chapter 5G of the WV Code or as required by the School Building Authority.

- (i) The County Board agrees to retain architectural services using AIA B151, Standard Form of Contract between Owner and Architect, latest Edition. The County Board agrees that any percentage architectural fees shall be based upon the bid cost of the project, excluding cost overruns and change orders in accordance with Section J of the SBA Guidelines.
- (ii) Should the bids received exceed the established project budget, the architect shall be required to revise the contract documents and re-bid the project at no additional cost or fee to the County Board.
- (iii) The County Board agrees to contractually require the architectural firm to revise plans without additional cost to the County Board when the preliminary plans provided for review do not meet the requirements of the Authority, State Fire Marshal or any other regulatory agency.
- (iv) All construction change proposal requests, change directives or construction change orders shall be submitted to the Authority for review and approval. Changes shall be submitted to the Authority in an AIA document format. Any project change that is not approved by the Authority which results in an encumbrance of additional project funds regardless of the source, may at the option of the Authority, cause termination of this grant. The County Board, at the demand of the Authority, will assume responsibility of existing contracts, forfeit

the remaining grant funds and repay the Authority the full amount of grant funds expended at the time of termination with interest accruing from the date of termination at the rate of six percent per annum.

(v) The project budget shall be amended to reflect any and all increases or decreases in the project finance plan. Funds from any and all sources shall be submitted in the form attached hereto as Exhibit C for review and approval by the Authority. No construction contract or change order may be executed by the Grantee until all sources of financing are identified and an updated Exhibit C is submitted and approved by the Authority.

Section 15. No educational facility shall be occupied without prior approval from the Authority and the appropriate state and county regulatory agencies. Because construction completion dates do not always coincide with educational schedules, the county agrees to complete and submit to the SBA with design development drawings, a viable contingency plan addressing how all affected students and staff will be housed should the new, additional or renovated facility not be available for occupation within the proposed time schedule.

Section 16. Should the possibility exist that the scheduled construction completion date negatively impact the county's ability to occupy the facility for the start of school, the county board agrees to develop and implement a contingency plan. This plan must address how all affected students and staff will be housed should the new or renovated facility be unavailable at the beginning of the school term. Upon request by the SBA, the contingency plan and the schedule for its implementation must be submitted for review and approval along with the design development submission requirements.

Section 17. The county board hereby covenants and agrees to have county maintenance and custodial staff trained on-site by the State Department of Education HVAC technicians on all new HVAC equipment and controls. The county board shall contact the Department of Education Office of School Facilities immediately following the installation of new HVAC equipment for training and for follow-up training six months after the initial training to insure proper maintenance and operation of the new HVAC equipment and controls during heating and cooling seasons in the first year of operation. This training shall be in addition to the contractor training provided at the conclusion of the project. The SBA shall be notified of the initial training schedule. If in the opinion of the SBA, additional training is required in order for all key maintenance and custodial personnel to become efficient in the maintenance and operation of the new HVAC equipment and controls, the county agrees to schedule additional training with the Office of School Facilities.

Section 18. The County Board agrees to keep the project in good repair and working order after completion and execution of this grant and accepts the terms and conditions identified in Exhibit D of this agreement. The County Board acknowledges that the Authority may inspect any project from time to time after completion, and if the Authority determines that a project is not being maintained in such condition, the State Board of Education may require that state aid monies be used to provide improvements or repairs to such Project.

Section 19. Any funds designated in this contract are provided in accordance to the details of the project as presented in the Comprehensive Educational Facilities Plan approved by the State Board of Education and the School Building Authority for the County Board. Failure to develop the project in accordance with the approved plan entails a misrepresentation that may, at the discretion of the Authority, void this contract. These details include designated utilization of the facility, instructional improvements, cost savings measures, health and safety improvements, and the initiation of any student/teacher services so indicated in the plan.

Section 20. The County Board of Education understands that it must conduct any school closure hearings that may be required by this project and obtain State Board of Education approval of such closures prior to submitting any invoice to the SBA for consideration of payment and that the SBA will not recognize any invoice prior to such action by the County and State Boards of Education.

Section 21. The County Board agrees that the Authority will maintain a 5% retainage based on the total construction cost of the project until all construction contracts are complete and an approved Certificate of Project Completion is executed. To avoid placing the County at risk, it is recommended that the County withhold final payment on this project until such time.

Section 22. The County Board agrees that funds for payment of all requisitions shall be made available from this grant in the proportion of state to local or other funds dedicated to this project. Initial payments shall be made based on the following schedule based on the estimated percentage of State to local funds shown on Exhibit A-1:

<u>Responsible Party</u>	<u>Percentage of Funds Submitted for Payment</u>
Authority	00.00%
County Board	<u>00.00%</u>
	<u>100.00%</u>

Section 23. In order to utilize state funds expeditiously in accordance with The Code and to avoid extraneous costs associated with inflation that occurs in extraordinary design and/or finance planning and construction delays, this grant is conditioned upon the representation of the County Board, by the affixed signature of their President, that they will meet the planning and construction schedule outlined in Exhibit A-2 of this contract. Upon failure to comply with such schedule made in Exhibit A-2 of this agreement, the County Board shall be in default of this agreement and subject to the default provision set forth in this instrument.

Section 24. Upon any default under its representations of the agreements set forth in this instrument, or in the instruments incident to the awarding of the grant, Grantee, at the option and demand of Grantor, will repay to grantor forthwith the original amount of the grant received with the interest accruing thereon from the date of default at yield rate of the bonds from which the grant was made or at the current prime interest rate for grants made from Pay-As-You-Go funds. Default by the Grantee will constitute termination of the grant thereby causing cancellation of financial assistance by the School Building Authority under the grant. The provisions of this Grant Agreement may be enforced by Grantor, at its option and without regard to prior waivers by it of previous defaults of Grantee, by judicial proceedings to require specific performance of the terms of this Grant Agreement or by such other proceedings in law or equity, in either Federal or State courts, as may be deemed necessary by Grantor to assure compliance with the provisions of this Grant Agreement and the laws and regulation under which this grant is made.

Section 25. This Grant Contract shall become effective as of the date first written and upon your mutual acceptance thereof.

EXHIBIT D

West Virginia Code §18-9D-16 requires all county boards of education to implement a plan of regularly scheduled maintenance and preventive maintenance for all facilities within the county. School Building Authority (SBA) "Needs" based and "Major Improvement Plan" funding is contingent upon the implementation of this countywide plan. As a condition of this grant _____ County Board of Education (the County Board) must agree to the following in regards to this SBA funded project.

- The County Board will assign sufficient custodial personnel to this facility in order to provide a clean and healthful environment for students and staff.
- Custodial staff members will be provided sufficient training required to perform tasks assigned.
- Building maintenance staff members whose job responsibilities require them to perform maintenance on this facility will have sufficient training to allow them to successfully complete their duties assigned regarding building maintenance. The State Board of Education Office of Facilities (SDEOF) will provide technical training and support for the Heating/Ventilating and Air Conditioning (HVAC) Maintenance Plan.
- Annual funding will be provided from the county budget to support the maintenance and preventive maintenance plan for this facility. The SDEOF technical support staff will be utilized to assist with the creation of the HVAC preventive maintenance plan and its implementation.

Acceptance of SBA funding for this project represents a commitment by the county board of education to perform or cause to be performed the above maintenance and custodial duties for this project. An on-site inspection of this facility will be conducted annually by the SDE in accordance with West Virginia Code §18-9D-16h. Compliant and non-compliant standards will be identified and reported to the county and the SBA. The SBA will conduct follow-up visits and in cooperation with the county board of education initiate a plan of improvement. Failure to implement the maintenance and custodial care plan of improvement required to keep this facility clean and in good repair may cause a redirection of state aid funding by the SDEOF in an amount sufficient to cause this work to be contractually performed until such time as the county board staff has been properly trained to successfully perform the work.

II. CONTRACTOR REGISTRATION CERTIFICATE AND TAX RELEASES

- A. Each Bidder must be registered with the West Virginia Department of Tax and Revenue prior to the time and date for Receipt of Bids in order for his Bid to be considered.
- B. If any Bidder is not registered with the Tax and Revenue Department, application should be made to West Virginia Department of Tax and Revenue, Capitol Complex, Charleston, WV 25305, and complete Form 801, so that a registration number may be assigned prior to the time and date for receipt of Bids.
- C. A State Tax release form will be filed with the West Virginia Department of Tax and Revenue by the local board of education upon receipt of the final payment request from the contractor. Final payment will only be processed after the local board of education has received evidence from the Department of Tax and Revenue indicating appropriate state taxes has been paid on completed construction projects in West Virginia.

III. CONTRACTOR LICENSING

All contractors doing business in West Virginia must be licensed to perform work in the state as required by the West Virginia Contractor Licensing Act. The ACT requires but is not limited to the following:

- A contractor's license number shall be included in all contracting advertisements and all fully executed and binding contracts.
- Any plan, specification and invitation to bid prepared by any architect or engineer shall make reference to the West Virginia Contractor Licensing Act informing any prospective bidder that a contractor's license number must be included on any bid submission.
- All approved subcontractors must be licensed and a copy of their current license number must be submitted with all quotations to the general contractor. Pursuant to the ACT, general contractors are required to only accept quotations from subcontractors licensed to perform work in West Virginia. Additionally, the SBA Form 123 requires the subcontractor's name, address and license number to be submitted to the SBA office within two hours of the close of bids and a copy of all general and subcontractors licensing certificates must be submitted to the agency receiving bids for review prior to the award of construction contracts.

IV. BID BOND

- A. Each Bid shall be accompanied by a Bid Bond payable to the Owner for five percent (5%) of the total Bid issued by a solvent surety company with a rating of A.M. Best, A- or better rated and listed on the most current Federal Register, Circular 570, and authorized to do business in the State of West Virginia. Should the Bidder refuse to enter into a contract with the Owner on the terms stated in the Bidding Document or fail to furnish bonds covering faithful performance of the Contract and all obligations arising there under, the full amount of the Bid Security shall be forfeited to the Owner as liquidated damages, not as a penalty. No Bid Bond is required for projects of \$25,000 or less.
- B. Irrevocable Letter of Credit is not acceptable as a Bid Bond.
- C. A certified cashiers' check is not acceptable as a Bid Bond.
- D. Personal securities are not acceptable as a Bid Bond.

V. PERFORMANCE BOND

- A. The contractor to whom any contract is awarded, shall pay for, execute and deliver to the Owner via the Architect, within ten (10) days after award of contract by Owner and before signing the contract a corporate surety Performance and Labor and Material Payment Bond on AIA Document A311 (or equivalent form), to be executed by an A.M. Best, A- or better rated surety company listed on the most current Federal Register, Circular 570, and which is authorized to do business in the State of West Virginia and which is satisfactory to and approved by the Owner and the SBA in the sum of one hundred percent (100%) of the amount of the contract, insuring the full and faithful performance of the work and payment in full for all materials, machinery, equipment and labor, and covering all the guarantees called for in the specifications and all other obligations arising there under. The Labor and Material Payment Bond shall be in the sum of one hundred percent (100%) of the contract amount. All contractors performing work on SBA projects must be covered by a performance bond and must be included on the list of subcontractors submitted to the SBA (Form 123). The Owner will not accept responsibility for direct payments to subcontractors performing work on projects by way of consignment. No Performance Bond is required for projects of \$25,000 or less.
- B. Should the successful Bidder fail or refuse to deliver the required bond and all other Contract Documents, properly executed within ten (10) days after receipt of the Owner's letter of intent to award a Contract, the

successful Bidder shall forfeit the security deposited with his Bid as liquidated damages, not as a penalty.

- C. Irrevocable Letter of Credit is not acceptable as a Performance Bond.
- D. A certified cashiers' check is not acceptable as a Performance Bond.
- E. Personal securities are not acceptable as a Performance Bond.
- F. Failure of a construction firm to satisfactorily perform the work specified in the contract documents will result in the owner executing their rights, pursuant to the conditions of the contract documents, to declare a construction contract default under the provisions of the AIA General Conditions of the Contract for Construction established for this project. If the construction firm's surety company is notified of their responsibility for the completion or remediation of incomplete or non-compliant work, said firm will no longer be eligible to bid future projects funded by the School Building Authority of West Virginia.

VI. CONTRACTOR INSURANCE

- A. In furtherance of Article 11 of the General Conditions, each contractor furnishing labor and materials shall furnish insurance in the following categories and for the stated minimum amounts. - B. In certain instances, a single product may be the only one that will comply with the specific design/function requirement.

IX. WAGE RATES AND CERTIFIED PAYROLL

All contractors and subcontractors shall pay West Virginia Department of Labor fair minimum rate of wages for the county in which the work of this contract is performed. The SBA requires that a certified payroll be submitted with each contractor's pay-application using the U.S. Department of Labor Form WH-347 or SBA other approved document. Certified payrolls must include names, addresses and social security numbers of all workers, including those of any subcontractors, in order to assure compliance with West Virginia's Prevailing Wage laws and the SBA's Supplemental, General and Special Conditions. Upon request, counties will be required to submit the certified payroll report to the SBA for review.

Each contractor shall be responsible to obtain correct and fair minimum rate of wages as established by the West Virginia Department of Labor.

X. PROCESSING OF PAYMENT APPLICATIONS

Applications for payments from the SBA must be accompanied by an SBA Exhibit B Requisition Form, SBA 104A and a copy of the invoice and a description of work completed including materials/equipment used for the project. Requisitions must be received by the depository and the SBA by the 5th day of the month in which payment is being requested. Payments will be processed and mailed to the grant recipient on the 15th day of the same month. The SBA reserves the right to review requests for payment and make adjustments when they deem necessary.

XI. RETAINAGES

- A. A 5% retainage will be maintained throughout the construction period. The Owner will pay 95% of the portion of the Contract Sum properly allocable to labor, material and equipment incorporated in the work, and of materials and equipment suitably stored at the site or at some other location agreed upon in writing, for the period covered by the most current submitted Application for Payment, less the aggregate of previous payments.
- B. The Owner will pay upon Substantial Completion of the Contracted Work, a sum sufficient to increase the total payments to 95% of the Contract Sum, less such amounts as the Architect and the Owner shall determine for all incomplete work, rejected work and unsettled claims as provided in the contract documents. The final 5% retainage shall not be released until the Grant Recipient, Architect/Engineer and the School Building Authority have received satisfactory evidence of the completion of all work required by the contract documents, including all rejected work and the resolution of all unsettled claims.

XII. LIQUIDATED DAMAGES

The contractor agrees that from the compensation otherwise to be paid, the Owner may retain a sum in accordance with the following schedule for each day thereafter, Sundays and holidays, included, that the work remains uncompleted, which sum is agreed upon as the proper measure of liquidated damages which the Owner will sustain per diem by the failure of the contractor to complete the work at the stipulated time, and the sum is not to be construed in any sense a penalty. Liquidated damages will be assessed as follows:

<u>Project Cost</u>	<u>Liquidated Damage</u>
Up to \$1,000,000	\$ 500.00/per day
\$1,000,000 to \$5,000,000	\$ 750.00/per day
Over \$5,000,000	\$1,000.00/per day

XIII. STANDARD OF QUALITY AND CODES

- A. All work, labor, materials and equipment specified, constructed and installed are to be of first-class quality. To help insure this occurs, all work and equipment designed and specified shall conform to the latest applicable codes and standards including but not limited to the following:
- (1) West Virginia State Building Code
 - (2) International Building Code (IBC) approved by the State of West Virginia
 - (3) American Society for Testing Materials (ASTM)
 - (4) American National Standards Institute (ANSI)
 - (5) National Fire Protection Association (NFPA)
 - (6) National Electrical Code (NEC)
 - (7) American Society of Heating, Refrigerating and Air Conditioning Engineers (ASHRAE)
- B. All work must also have the approval of all West Virginia governmental authorities and agencies having jurisdiction over the project including but not limited to the following:
- (1) West Virginia State Fire Marshal
 - (2) West Virginia Department of Health
 - (3) West Virginia Department of Natural Resources
 - (4) West Virginia Department of Highways
 - (5) West Virginia Department of Education
 - (6) School Building Authority of West Virginia

XIV. BID CERTIFICATION

In accordance with West Virginia Code 5-22-1, Article 22, the lowest qualified responsible bidder submitting bid on SBA funded projects must certify that all provisions within this code and SBA provisions that supercede this code have or will be met prior to execution of the construction contract. Failure to comply with these provisions will result in the disqualification of the bidder. The Bid Certification Form (SBA 157) must be submitted within 72 hours of the close of the bid.

XV. BIDS WITHDRAWAL

Bids may not be withdrawn for a period of thirty (30) days following the date of receipt of Bids without forfeiture of bid security as liquidated damages, not as a penalty.

XVI. REJECTION OF BIDS

The Owner shall have the right to reject any or all Bids and to reject a Bid not accompanied by the required bid security, or by other data required by the Bidding Documents, or to reject a Bid which is in any way incomplete or irregular.

XVII. SUBMITTAL OF SUBCONTRACTORS AND MAJOR EQUIPMENT AND MATERIAL SUPPLIERS

- A. The bidder(s) submitting the lowest qualified bid(s) as determined by the results of the bid opening shall submit a listing of all subcontractors and all major equipment and material suppliers proposed for each major branch of work itemized and described in the contract documents for the project. This information shall be provided to the SBA office on SBA Form #123 within two hours after the completion of the bid opening. If the apparent low bidder is not evident at the close of bidding, all prime contractors must submit the completed SBA Form 123 to the SBA office within two hours of the completion of bids if they feel under any bidding combination their bid may be considered as the low bid. Bidding contractors are required to be present at the bid opening or obtain bid results from the owner in order to determine the bid results and the apparent low bidder(s).

- B. Each bidder is required to establish the reliability and responsibility of all subcontracts and equipment/material suppliers being proposed to perform the work. Contractors, Subcontractors and/or equipment/material suppliers on SBA Probationary Status are prohibited from bidding any SBA project for a period of at least one year from the date the contractor is notified. It is the responsibility of any contractor soliciting bids or quotes from subcontractors to verify the eligibility of all proposed subcontractors and equipment/material suppliers being proposed to perform the work. Additionally, the list of SBA probationary contractors will be provided to the owner by the SBA and this information will be communicated by the owner to the contractors, when applicable. A review of the proposed subcontractors and equipment/material suppliers shall be conducted by the Architect/Engineer, Owner and representatives of the School Building Authority. The bidder may be requested to change an unsatisfactory subcontractor or equipment/material supplier. Proposed subcontractors or equipment/material suppliers found to be unsatisfactory jointly by the Owner, Architect/Engineer or School Building Authority and the contractor, shall be changed to an acceptable subcontractor or equipment/material supplier at no additional cost to the Owner, as the contractor has full responsibility for execution of the work.

- C. Failure to submit a list of subcontractors and major equipment and material suppliers to the SBA office as described on the SBA Form #123 within two hours after the completion of the bid shall result in disqualification of the bid.
- D. A copy of all contractors and subcontractors licensing certificate must be submitted to the agency receiving bids for review prior to the award of construction contracts.
- E. Prior to the award of the contract, the Architect/Engineer will make a preliminary review of the major equipment and materials lists submitted and advise the bidder through the Owner, of the acceptance thereof, and of such other actions as may be necessary in order to meet the requirements of the contract documents. Should it develop that any of the materials or equipment named in the list do not meet the requirements and intent of the specifications, the contractor shall be required to furnish to the Owner other materials or equipment acceptable and fully complying with the specifications at no change in contract price. Preliminary review and acceptance of the listing provided shall not relieve the Contractor from furnishing equipment and materials in complete accordance with the specifications.
- F. Written approval shall be obtained from the Architect/Engineer covering any substitution of equipment or materials. Substitutions are permitted in the following instances:
 - (1) Failure to meet quality and intent of specification and/or
 - (2) Failure of the supplier or manufacturer to meet delivery schedules or other conditions of the contract.
- G. The Owner reserves the right to reject the proposal of any bidder who fails to furnish all required major equipment and material information.
- H. A financial statement shall be included in the contractor's qualification statement submitted to the SBA by the lowest qualified bidder(s) within 72 hours of the close of the bid opening and prior to the execution of contracts or agreements between the local board of education and the contractor(s). The latest available financial information must be used. Minimum requirements for financial statements are:
 - (1) Accountants compilation report;
 - (2) Balance sheet;
 - (3) Income statement;
 - (4) Statement of changes in retained earnings;
 - (5) Statement of cash flows; and
 - (6) Notes to the financial statement.

- I. The SBA recommends that all general contractors receiving quotations for bids require a scope of work letter from all subcontractors be sent to the general contractor receiving the quotation at least 24 hours before submission of the bid. The letter should identify the items being quoted and, most importantly, the scope of work included or not included in the price quotation that will be provided. The SBA will not allow a subcontractor to change or alter the bid after the bid opening as a result of miscommunication between the general contractor and subcontractors or supplier quoting the project.

Payroll Certification and Employment Reporting:

- J. In preparation of bids, contractors are reminded that all SBA projects are subject to state laws regarding payment of prevailing wage rates as in Chapter 21 of the West Virginia Code.
- K. All contractors and subcontractors shall pay West Virginia Department of Labor fair minimum rate of wages for the county in which the work of this contract is performed. The term "fair minimum rate of wages" shall be set forth in 21-5A-3 of the West Virginia Code. The SBA's requirement for submission of certified payrolls, supercedes the requirements of current state law. The SBA requires that a certified payroll be submitted with each contractor's pay application using U.S. Department of Labor Form WH-347 (formerly SOL 184). Contractors may provide this information in an alternative format provided all required information on the WH-347 is included on the alternative document. Each certified payroll must include names, addresses and social security numbers of all workers, including those of any subcontractors, in order to assure compliance with West Virginia's prevailing wage laws and the SBA's Supplemental, General and Special Conditions. Upon request, counties will be required to submit the certified payroll report to the SBA for review.
- L. All contractors and subcontractors must comply with the "West Virginia Jobs Act" requirements found in Chapter 21, Article 1C of the West Virginia Code and all Department of Labor regulations.
- M. In accordance with West Virginia Code 18-5-15c, contractors or their employees may not make direct, unaccompanied contact with students or access school grounds unaccompanied when students are present if it cannot be verified that the contractors or employees have not previously been convicted of a qualifying child abuse, child neglect or child assault offense, as defined in section two, article twelve, chapter fifteen of WV Code. A contractor is defined as any vendor, individual or entity under contract with a county school board for services. County school boards may require contractors and service providers to verify the criminal records of their employees before granting the above mentioned contact or access to the construction site. If the county board requires the

verification of previous convictions for qualifying offenses, this requirement will be delineated within the bidding documents. Where prior written consent is obtained, county school boards may obtain information from the Central Abuse Registry regarding contractors and service providers. Where a contractor or service provider gives his or her prior written consent, the county school board also may share information provided by the Central Abuse Registry with other county school boards of education.

XVIII. CONTRACTOR QUALIFICATION AND FINANCIAL STATEMENT

A completed Contractor Qualification Statement will be required of any Contractor and/or subcontractor to be submitted to the School Building Authority for review. This confidential information will be used by the SBA for evaluation of the low bid contractors on the project. The contractor qualification statement will only be required once annually and updated documents will be required from low bid contractors once the current contractor qualification statement has expired. The Qualification Statement must be submitted 72 hours after the close of the bid opening and prior to the award of bids and will be used in the bid review process by the owner and SBA.

The confidential reviewed financial statement section of this document shall be required of the lowest qualified bidder(s) being considered for award of the contract.

Construction contractors or subcontractors or equipment/material suppliers whose demonstrated pattern of poor and/or non-compliant work performance has been documented by the SBA, project administrators and/or designers, or whose infractions of the State Prevailing Wage Rate codes has been documented by multiple citations from the West Virginia Department of Labor or whose contract has been terminated for just cause as described in the AIA Document A201 or A201/CMA General Conditions, Article 14, Section 14.2 will be placed on probation and prohibited from bidding any additional projects funded by the SBA for a minimum period of one year beginning at the time of probationary status. Such contractor may be removed from probationary status pending review of their continued work history performance by the SBA at the conclusion of their probationary period.

In order to provide opportunity for any contracting, subcontracting or equipment/material firm cited for poor or non-compliant work to appreciably improve the quality of their performance prior to being placed on probation, the SBA staff will utilize the following procedure:

- a. The cited firm shall be noticed in writing of the SBA's concern, with appropriate documentation to illustrate the poor or non-compliant work, and advise the firm as to the possibility of being placed on probation.
- b. Upon continued poor/non-compliant work performance, the firm cited shall appear before the Executive Director of the SBA to present his reasons for failure to respond positively with improved performance after the initial notice.
- c. Continued failure to improve poor or non-compliant performance will result in the probation. The contractor will be invited to appear at the SBA meeting to discuss the citations and justify his uninterrupted participation.
- d. Probationary status of a firm may be revoked or continued by the SBA's Construction Committee upon review and deliberation of any SBA staff recommendation at the conclusion of the probationary period.

XIX. AWARD OF CONTRACT

- A. It is the intent of the Owner to award a Contract to the lowest responsible Bidder provided the Bid has been submitted in accordance with the requirements of the Bidding Documents and does not exceed the funds available. The Owner shall have the right to accept the Bid or Bids which, in his judgment, is in his own best interest.
- B. The Bidder will note that Bids consist of the Base Bid and several related add or deduct Alternate items, all comprising items entering into the project and forming the contract as a whole.
- C. These several parts of the Proposal furnish the basis of arriving at the awarding of the contract. The Owner may award the contract on the basis of the Base Bid alone, or if and when conditions warrant, accept such Alternate items appearing on the proposal, thereby reducing or increasing the amount of the Base Bid.
- D. The contract shall be deemed as having been awarded when formal notice of award has been duly served upon the intended awardee (i.e., the bidder to whom the Owner contemplates awarding the contract) by an authorized individual representing the agency receiving bids. Terms of the contract shall not be deemed to have been perfected until a satisfactory surety bond equal to 100% of the contract sum has been furnished to the owner by the successful bidder, at his own expense as a guarantee of contract performance.

XX. PROJECT JOB SIGNS & BUILDING PLAQUES

All SBA funded projects and major improvement funded projects shall have project job signs erected at the construction site. Project signs must be visible and readable from highways. Specific information will be provided by the SBA to be

included on the sign. Additional project information may be required or desirable. A sample of a typical project sign is provided within this document for both "Needs" (SBA 168) and "MIP" (SBA 169) funded projects. Construction details are provided within the contract documents.

Upon completion of any major SBA funded project of \$1 million or more, the architect shall design a building plaque for display in a prominent public area of the school. This plaque shall minimally include:

- (1) The name of the Governor;
- (2) The names of the President of the Senate and the Speaker of the House;
- (3) The members of the SBA;
- (4) The superintendent of schools, and
- (5) The members of the local board.

The SBA will be contacted for appropriate information to be included and final approval of the plaque design before its production. An example of a typical project plaque is included within this document. (SBA 170)

XXI. SBA PROJECT OBSERVATION

- A. The School Building Authority reserves the right to visit projects at intervals deemed necessary to observe the progress of the construction. The SBA field representative shall have such responsibilities as the SBA may delegate.
- B. The responsible contractor shall notify the SBA office two weeks in advance of:
 1. The Testing, Adjusting & Balancing of the HVAC system.
 2. The training of the county maintenance and custodial personnel on new building components and
 3. The scheduled punch list walk-thru of the new or renovated school.
- C. The School Building Authority reserves the right to review all Contractors Applications for Payment and request additional documentation to substantiate the request and in cooperation with the owner make adjustments as deemed appropriate.

XXII. CONTRACTOR PROJECT CLOSE-OUT

- A. Immediately prior to final Application for Payment, the Contractor shall submit the following documents:
 - (1) Contractor's Affidavit of Payment of Debts and Claims (AIA Document G706)
 - (2) Contractor's Affidavit of Release of Liens (AIA Document G706A)

- (3) Consent of Surety Company to Final Payment (AIA Document G707) with effectively dated powers of attorney attached.
 - (4) Bound and indexed Operation and Maintenance Manuals
 - (5) Certificate of Insurance (AIA Document G705) covering required/specified products and completed operation
 - (6) One complete set of reproducible as built drawings; specifications and change orders in good order and clearly marked to show installation of work where the actual installation varies substantially from the work as originally shown
 - (7) Certificate of Release from the Department of Tax and Revenue stating all appropriate taxes have been paid
 - (8) Submittal of SBA Form 158 "Verification of HVAC Training" with all appropriate signatures
- B. County boards of education, before accepting the HVAC contractor's work, shall receive complete training regarding the operation and maintenance of the mechanical equipment and building controls. Training shall be completed prior to occupying the building. There shall also be a one (1) day follow-up training in six months or during the succeeding heating/cooling season after the facility has been occupied to insure training on both heating and cooling operations of the system. The State Department of Education's HVAC Technicians shall be notified of the date and location of any and all training sessions in order to assure its ability to fulfill their responsibilities as delineated in WV Code 18-9E-3(F) & (G). At the conclusion of the training, the grant recipient shall submit the verification of HVAC Training Form (SBA Form 158).
- C. The SBA shall be notified of the dates and time of substantial and final completion walk-through inspections by the grant recipient. An SBA representative will participate in the walk-thru and will accept or reject the contract as completed. A completed WVDE BP-13-A or when required and SBA Form 139 will be forwarded to the State Department of Education and the SBA when all punch list items have been satisfactorily addressed and the contract is complete. The local board project representative shall also submit a completed Contractor and Architect Evaluation Forms (SBA Form 124). Final payment for the contract will then be processed.

XXIII. ASBESTOS ABATEMENT REQUIREMENTS (If Required)

- A. Contractor/vendors must show proof of having successfully completed an EPA approved training course. All certification must be current.
- B. Contractor/workers must be licensed by the State of West Virginia to perform any or all types of asbestos inspection, project designing, management planning, contracting, abatement, supervision of abatement and air monitoring.

- C. All contractors/vendors performing work using School Building Authority funding shall comply with all applicable codes including but not limited to the requirement of:

Environmental Protection Agency (EPA)
Occupational Safety and Health Administration (OSHA)
Environmental Protection Agency Worker Protection Laws
National Emission Standards for Hazardous Air Pollutants (NESHAP)
Asbestos Hazard Emergency Response Act (AHERA)
West Virginia Department of Health
West Virginia Department of Natural Resources
West Virginia Air Pollution Control Commission

- D. At the completion of all asbestos abatement projects and before final payment will be processed by the SBA, the local board of education, the abatement designer and abatement contractor must provide written assurances that all abatement work has been performed in accordance with all applicable codes. All AHERA required close-out documentation must be on file at the owner's office and must be made available to the SBA for review.

XXIV. HEAT, VENTILATING AND AIR-CONDITIONING TEST, ADJUSTING AND BALANCING REQUIREMENT

The HVAC Testing, Adjusting and Balancing (TAB) agent shall be certified according to the procedures contained in the Associated Air Balance Council national standards, the National Environmental Balancing Bureau procedural standards and the Environmental Engineering Consultants standards for testing, adjusting and balancing. The TAB agent shall be under direct contract with and directly represent the building owner. The TAB contractor shall coordinate the earliest start date as well as partial and final completion schedule for each area of the building with the mechanical contractor and provide this information to the owner, architect and SBA. The TAB contractor shall complete the testing, adjusting and balancing in each area of the building within 30 days of the earliest start date. The owner will consider the start and completion dates prior to the award of the contract and award the contract based on the cost proposal and completion schedule. The successful TAB contractor shall provide two weeks advance notice to the mechanical contractor, owner, architect and SBA prior to each area being tested.

SBA Criteria for Selection of Lowest Qualified Bidders Award of Bids

Pursuant to the laws of the State of West Virginia, the School Building Authority of West Virginia must award bids only to the lowest qualified bidder. Therefore, when utilizing any portion of state funds for a project, county boards of education must consider the following factors, and the information from the Contractors Qualification Statement, when making a determination as to whether a contractor's bid is not only the lowest, but the most qualified.

1. The years of experience the bidder has in the construction, renovation or building repair business.
2. The bidder's participation in a drug program that meets the objectives, applicable laws and regulations for a drug free workplace including the use of tobacco and alcohol on school properties.
3. The continuity, experience and skill of the bidder's work force and that of the bidder's designated subcontractors.
4. The bidder's performance on similar construction projects.
5. The bidder's ability to successfully complete projects within the proposed schedules and deadlines.
6. The bidder's participation in a bonafide joint apprenticeship program that is approved by the US Department of Labor, US Bureau of Apprenticeship Training and is administered in compliance with the rules and regulations of the WV Department of Labor. [See DOL 42-7-3.1(i)]
7. The bidder's history of compliance with Worker's Compensation and Unemployment Compensation laws.
8. The bidder's history of compliance with OSHA requirements.
9. The bidder's history of compliance with Federal and State Prevailing Wage as well as Fair Labor Standards and Wage Payment laws.
10. The bidder's subcontractors compliance with state regulatory agencies.
11. The bidder's history of compliance with fringe benefit contributions, i.e., health insurance and pension benefits.
12. The bidder's local hiring plan and history of compliance with the WV Jobs Act, (WV Code, Chapter 21, Article 1C) regarding use of the local labor market.

13. The bonding record of the bidder.
14. The bidder's participation as a party in any legal action where an awarded liability could negatively impact the ability of the bidder to complete this project.
15. The bidder's financial stability and its impact on the company's ability to complete the project.
16. The bidder can demonstrate it is not in default on a debt to the State or its political subdivision in aggregate more than \$1,000.
17. The bidder's history of change order requests.
18. Response from bidder's references and recommendations of other owners for whom the bidder has worked.

All of the above factors, as supported by the accompanying Contractors Qualification Statement, will be considered by the county board of education in determining the "best" most qualified bid. No single criteria will be considered the controlling factor in determining whether a bid is, or is not the "best" bid.

APENDIX B

FISCAL NOTE FOR PROPOSED RULES

Rule Title: School Building Authority Contracts and Agreements

Type of Rule: Legislative Interpretive Procedural

Agency: School Building Authority of WV

Address: 2300 Kanawha Boulevard, East
Charleston, WV 25311

Phone Number: (304) 558-2541 Email: stella@wvsba.state.wv.us

Fiscal Note Summary

Summarize in a clear and concise manner what impact this measure will have on costs and revenues of state government.

The School Building Authority (SBA) is already operating under an existing procedural rule. Due to a provision of the School Access Safety Act, which was passed in the recent 2007 Legislative Session, all SBA policies, both current and new, must be filed with LOCEA and sent through the legislative review process. The approval of this legislative rule will have no impact on the costs and revenues of the state.

Fiscal Note Details

Show over-all effect in Item 1 and 2 and, in Item 3, give an example of Breakdown by fiscal year, including long-rang effect.

FISCAL YEAR

Rule Title: School Building Authority Contracts and Agreements

3. Explanation of above estimates (including long-range effect):
Please include any increase or decrease in fees in your estimated total revenues.

The SBA does not anticipate any fiscal impact in either the immediate or long-range future as a result of the passage of this rule.

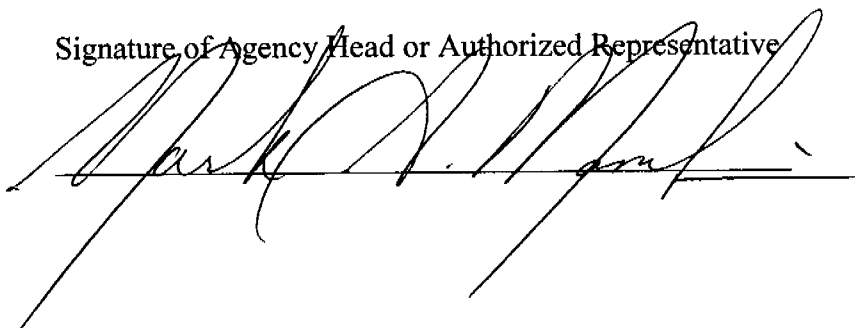

MEMORANDUM

Please identify any areas of vagueness, technical defects, reasons the proposed rule would not have a fiscal impact, and/or any special issues not captured elsewhere on this form.

The SBA will not need any additional staff, office space, equipment or material to facilitate the requirements of the attached rule.
