**EXECUTIVE SUMMARY
WEST VIRGINIA BOARD OF EDUCATION**

POLICY NUMBER AND TITLE: Series 2 and 3
West Virginia Secondary School Activities Commission
Proposed Changes in Rules and Regulations

PUBLIC COMMENT PERIOD ENDS: June 12, 2006 **ADOPTED:** _____

BACKGROUND

The majority of public and most private schools in West Virginia belong to the West Virginia Secondary School Activities Commission. Each year, the principals of member schools submit revisions to the rules and regulations. The submitted proposals are presented and voted upon at the annual Board of Control meeting. Any approved changes are then submitted to the West Virginia State Board of Education for its review and approval.

PURPOSE

These amendments are brought forth to keep the West Virginia Secondary School Activities Commission current and updated on changes, trends and issues in the band and athletic programs.

These proposals were distributed for public comment in May and June. The West Virginia Secondary School Activities Commission will present to the Board the comments received for its review at the June meeting.

The West Virginia Secondary School Activities Commission staff, Constitution and Bylaws Committee, and Board of Control respectfully request that the proposed rule changes to the West Virginia Secondary School Activities Commission Rules and Regulations Handbook be approved.

CONTENT

Twelve proposals are being submitted to the State Board by the West Virginia Secondary School Activities Commission. Each rule change is presented with the whole rule being included. This will help the State Board members understand the significance of the rule change.

The following is a brief summary of the effect of each proposal:

1. Present rule would exclude WV Schools for Deaf and Blind. (Vote: Yes-145 No-2)
2. To allow vocational administrators to attend events with courtesy cards. (Vote: Yes-114 No-33)
3. To insure administrators gain admittance to events with courtesy cards. (Vote: Yes-147 No-0)
4. To allow for more flexibility in scheduling during the summer and allow coaches of sports other than football and basketball to attend summer camps at colleges and universities. (Vote: Yes-97 No-54)

5. To allow for more flexibility in scheduling during the summer and allow coaches of sports other than football and basketball to attend summer camps at colleges and universities. (Vote: Yes-118 No-33)
6. To allow schools in the smallest classification to compete for state champions in basketball and football against teams with whom they are on equal footing. (Vote: Yes-96 No-55)
7. To lessen size differential within each class.
8. To promote safety of student athletes by limiting their participation in all high school sports. (Vote: Yes-133 No-2)
9. Emergency rule passed for 2005-06. (Vote: Yes-140 No-0)
10. To allow high schools flexibility in scheduling 1st contest. (Vote: Yes-139 No-2)
11. To promote safety of student athletes by limiting their participation in all high school sports. (Vote: Yes-135 No-0)

WVSSAC
Rules and Regulations Handbook
2006-07 Proposed Rule Changes

Proposal 1 (Passed 145-2)

Amend 127-2-3 Enrollment and Team Membership (pg. 16) as follows:

3.10. Boarding students at member schools, with the exception of students at the WV Schools for the Deaf and Blind, are not eligible. (Definition: A boarding student is one who receives room and board that is provided by said school unless such residence is based on Court Order or State Action.)

Rationale:

The intent of this rule is already covered by 127-2-8 Adoption Guardianship and as worded would technically exclude students at the West Virginia Schools for the Deaf and the Blind and Foreign Exchange students specifically permitted in rule 7.1.6.

Connie Newhouse, Principal
WV School for the Blind

Proposal 2 (Passed 114-33)

Amend 127-3-2 Duties and Responsibilities of the Principal (pg. 35) as follows:

2.10. The principal, assistant principal, vocational administrator and athletic director of each member school shall be allowed admittance to any WVSSAC sanctioned event. This admittance will be by presentation of the WVSSAC Courtesy Card and a photo identification.

Rationale:

A vocational administrator is an extension of a high school. Students who participate in athletics attend vocational schools regularly. The vocational administrator provides additional supervision at athletic events.

Melissa Ruddle, Principal
McKinley Middle School

Proposal 3 (Passed 147-0)

Amend 127-3-2 Duties and Responsibilities of the Principal (pg. 35) as follows:

2.12 WVSSAC Courtesy and Identification Cards ~~should~~ shall be honored at all events involving WVSSAC member schools with the exception of state tournaments.

Rationale:

If sanctioned by WVSSAC, clearly the principal, assistant principal and athletic director should be admitted without charge of admission price due to supervision responsibility and sportsmanship goals. Some tournaments and classics are not honoring should, so the request to change to shall. Many of the tournaments have corporate sponsorship funding so it is not necessary to charge administrators.

Thomas Kidd, Principal
John Adams Middle School

Proposal 4 (Passed 97-54)

Amend 127-3-7 Out of Season Coaching (pg. 37) as follows:

7.2. School organized out-of-season practice or related activities shall only be permitted with principal approval during Weeks 50, 51, and 52 of the National Federation Standardized Calendar from the day after the completion of the State Baseball Tournament until the first day of fall football practice. All schools will observe a two (2) week dead period during the week preceding the Fourth of July and the week of the Fourth of July. During this two-week period, there can be no coaching or any contact or observation by any coach, faculty or non-faculty, with any student-athletes. This dead period shall also apply to weight programs. Participation by students must be open to all students, voluntary, and not required directly or indirectly for membership on a school team. Participation by students during these weeks does not meet Practice Rule 127-2-13.4.

Rationale:

This rule change will allow for more flexibility in scheduling during the summer. This change will also allow coaches of sports other than football and basketball to attend summer camps at colleges and universities. This will only add three (3) weeks to the summer schedule with the incorporation of the two (2) week dead period. The dead period will allow families more freedom to plan vacations.

Don Dellinger, Principal
Hedgesville High School

Proposal 5 (Passed 118-33)

Amend 127-3-7 Out of Season Coaching (pg. 37) as follows: (Not to be voted upon if #8 fails)

7.3. A coach or principal designee of each sport or activity may be present as an observer, lecture participant, staff member, or in any capacity at any summer camp during Weeks 50, 51, and 52 of the National Federation Standardized Calendar from the day after the completion of the State Baseball Tournament until the first day of fall football practice except during the two (2) week dead period mentioned in Rule 127-3-7.2.

Rationale:

This rule change will allow for more flexibility in scheduling during the summer. This change will also allow coaches of sports other than football and basketball to attend summer camps at colleges and universities. This will only add three (3) weeks to the summer schedule with the incorporation of the two (2) week dead period. The dead period will allow families more freedom to plan vacations.

Don Dellinger, Principal
Hedgesville High School

Proposal 6 (Passed 96-55)

Amend 127-3-10 Classification (pg. 40) as follows:

10.1. Each member public high school shall be classified as either AAA, AA, or A based on the enrollment figures in grades 9-10-11 at the end of the second school month of the odd numbered year preceding the classification and all private schools shall be classified as AP.

Rationale:

The rationale for creating a fourth classification is simply to allow schools in the smallest classification to compete for state champions in basketball and football against teams with whom they are on equal footing. Most private schools are located in relatively urban areas which also contain several AAA or AA public high schools. The fact that they can enroll (recruit-call it what you will) athletes from surrounding school districts and schools puts them at a distinct advantage over all public class A high schools who do not have the same advantage. Small schools must develop their teams from the players that come to them from the communities that they serve. Too many times have we seen good AA or AAA players who for one reason or another became dissatisfied with participating at their local community public high school and end up at a private school where they are vital to the success of that school's athletic endeavors.

Proposal 7 (Passed 84-69)

Amend 127-3-10 Classification (pg. 40) as follows: (Not to be voted upon if #12 passes)

10.1. Each member high school with the exception of football shall be classified as either AAA, AA, or A based on the enrollment figures in grades 9-10-11 at the end of the second school month of the odd numbered year preceding the classification. Football only, will be classified as either AAAA, AAA, AA, or A.

Rationale:

Size differential within each class will be less.

Christine Carder, Principal
Wheeling Park High School

Proposal 8 (Passed 133-2)

Amend 127-3-19 Baseball (pg. 45) by adding the following:

19.7 Student Participation:

19.7.1 A student may not play or practice on a non-school baseball team while a member of his school team.

19.7.2 A student shall not participate in more than 32 games in one season, exclusive of sectional, regional and state tournament contests. Serving as a "courtesy or pinch runner" is not considered "participation" in a game.

Proposal 9 (Passed 140-0)

Amend 127-3-21 Cheerleading (pg 46) as follows:

21.3. Length of Season: The high school ~~cheerleading~~ spirit and competitive season will begin Monday of Week 5. The competitive season will end for each team at their cheer tournament elimination. The high school spirit season will end on the last day of the Girls' State Basketball Tournament or Boys' State Basketball Tournament.

21.6.2. The junior high/middle school ~~cheerleading~~ spirit and competitive cheer season will begin Monday of Week 6. The competitive season will end Saturday of Week 18. The junior high/middle school spirit season will end on the last day of the junior high/middle school girls' or boys' basketball season.

Rationale:

This rule is an emergency rule change approved by the Board of Directors on May 5, 2005. It is effective for the 2005-06 school year and will be voted upon at the 2006 Board of Control Meeting.

Emergency Rule

Proposal 10 (Passed 139-2)

Amend 127-3-23 Football (pg. 47) as follows:

23.2. Organized Team Practice: Organized team conditioning practice will begin on Monday of Week 5 and the first contest may be played ~~on the Friday of~~ during Week 8.

Rationale:

To allow high schools flexibility in scheduling first contest during week 8 without having to ask for an exception from the Executive Director and Board of Directors.

Proposal 11 (Passed 135-0)

Amend 127-3-26 Softball (pg. 52) by adding the following:

26.7 Student Participation:

26.7.1 A student may not play or practice on a non-school softball team while a member of the school team.

26.7.2 A student shall not participate in more than 32 games in one season, exclusive of sectional, regional and state tournament contests. Serving as a "courtesy or pinch runner" is not considered "participation" in a game.

Rationale:

The WVSSAC Board of Directors has adopted the attached emergency rules for high school baseball and softball. These emergency rules are consistent with WVSSAC rules designed to promote the safety of student athletes by limiting their participation in all high school sports. While there is specific language limiting the participation of a student athlete in most sports equal to the number of games a varsity team is allowed to schedule, lack of such specific language in the rules governing baseball and softball has apparently resulted in some confusion. In order to minimize the risk of injury to student athletes who might play an unhealthy or unsafe number of games, the Board of Directors has adopted the attached emergency rules. The emergency rules embody the understanding of the vast majority of educators, athletic administrators and coaches regarding the participation of student athletes, and is intended to eliminate any confusion which might arise from the failure to explicitly so state.

Proposal 12 (Passed 125-7)

Amend 127-3-31 Wrestling (pg. 55) as follows:

31.8.1. Organized Team Practice: Organized team practice will begin on Monday of Week 19 and the first contest may be played on Wednesday of Week 22.

31.8.1 2. Junior high school teams may have 14 matches including tournaments sanctioned by the WVSSAC.

31.8.2 3. Junior high teams are permitted one (1) scrimmage under the same conditions as a high school.

31.8.3 4. Junior high season will be completed by Saturday of Week 33.

Rationale:

Currently, there is a difference in the starting week of practice for boys basketball and wrestling. It is my understanding that a change was made this year to accommodate getting the required number of practices in over the holiday season for boys basketball. I would like to see the starting week for wrestling pushed back to week 19 allowing three weeks to obtain the required number of practices before the first contest in week 22. Currently for wrestling teams to obtain the number of practices needed to wrestle in the first context they must practice everyday over the holiday break. Basketball isn't forced to practice everyday over break due to starting one week earlier. I feel that both starting dates should be the same week 19.

Starting the junior high/middle school wrestling season in week 19 would allow a break for the Thanksgiving Holiday. Presently, most schools must practice during the holiday break to complete the 14 required practices before Tournaments begin on Wednesday of week 22.

TITLE 127
LEGISLATIVE RULE
WEST VIRGINIA SECONDARY SCHOOL ACTIVITIES COMMISSION

2005 MAY 12 P 2:28

SERIES 2
ATHLETICS, PROVISIONS GOVERNING ELIGIBILITY

OFFICE WEST VIRGINIA
SECRETARY OF STATE

§127-2-1. General.

- 1.1. Scope. - These rules establish the provisions governing student eligibility to participate in interscholastic athletics.
- 1.2. Authority. - W.Va. Constitution, Article XII, §2 and W.Va. Code §18-2-25.
- 1.3. Filing Date. - ~~July 15, 2005~~.
- 1.4. Effective Date. - ~~September 13, 2005~~.

§127-2-2. Waivers.

- 2.1. The Board of Directors is authorized to grant a waiver to a rule when it determines the rule fails to accomplish the purpose for which it is intended or when the rule works extreme and undue hardship upon the student.
- 2.2. Speculative loss of college scholarship is not considered a basis for granting a waiver to these rules.

§127-2-3. Enrollment and Team Membership.

- 3.1. To be eligible for participation in interscholastic athletics, a student must be enrolled full-time in a member school as described in Rule 127-2-6 on or before the eleventh instructional day of the school year. Enrollment must be continuous after the student has officially enrolled in the school.
- 3.2. Students can participate only in schools in which they are enrolled; however, an exception may be granted by the Board of Directors as follows:
 - 3.2.1. if a feeder school does not afford students the opportunity to participate and they are otherwise eligible.
 - 3.2.2. for students from the WV Schools for the Deaf and the Blind (WVSD&B) to participate at Hampshire High School or Romney Middle School (only in sports not available at WVSD&B).
 - 3.2.3. if member schools containing grades 6 and/or 7 and/or 8 and/or 9 may combine students from two or more schools within the county to form one interscholastic team in a sport. Requests for permission to combine students from two or more schools in the same non-public or public school system must be submitted annually to the West Virginia Secondary School Activities Commission (WVSSAC) in writing by the superintendent of the non-public or public school system. Schools which are combining to form one team must be feeder schools for the same high school and at least one school does not have sufficient numbers for a team. If more than two schools are involved, principals are to evaluate the number of available participants in each school and shall combine schools to provide as many teams that sufficient numbers will allow. Sufficient numbers will be defined as the number of a starting line-up plus 50% (for odd number line-ups, round up).

127CSR2

3.2.4. Students enrolled in the ninth grade of a four, five or six year high school may participate on the high school team. Also, ninth graders of a feeder school may participate on their high school team and sixth grade students of a K-6 elementary feeder school may participate on their junior high team if granted permission by the county board of education or governing body of a private/parochial school and the school principals involved. Once a ninth grade student becomes a member of the high school team said student will be ineligible for the junior high team in that sport.

3.2.5. Students at a junior high or middle feeder school who are not provided the opportunity to participate because of age may move up to their high school if granted permission by the county board of education or governing body of a private/parochial school and the school principals involved.

3.3. A student academically ineligible by rule may begin practicing 15 school days immediately prior to the dates of regaining full eligibility provided all other eligibility requirements are met.

3.4. Students enrolled in the following grades in member schools will be eligible for junior high participation:

<i>Junior High Schools</i>	<i>High Schools</i>	<i>Middle Schools</i>
Grades 7 and 8	7, 8 and 9 (six year school)	6, 7, 8 (3-year or 4-year school)
Grades 7, 8, and 9	8 and 9 (five year school)	
Grades 8 and 9	9 (four year school)	

3.5. Sixth grade students may be eligible to participate in interscholastic sport teams except football in the middle school in which they are enrolled.

3.6. Students who are enrolled in a grade below the ninth are not eligible for a high school team, and students enrolled in a grade below the seventh will not be eligible for a junior high team. Students enrolled in a grade below the sixth will not be eligible for a middle school team.

3.7. Senior students will be eligible for spring sports until the close of the school's season.

3.8. Schools may sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill. If a school sponsors a team in a particular sport for members of one sex but sponsors no such team for members of the other sex, and athletic opportunities for members of that sex previously have been limited, members of the excluded sex must be allowed to try out for the team offered. For example, because overall athletic opportunities for females have previously been limited, females will be allowed to try out for baseball, but males will not be allowed to try out for volleyball or softball.

3.9. Students enrolled at WV School for the Deaf will be allowed to participate in sports at the WV School for the Blind. Students from the WV School for the Blind will be allowed to participate in sports at the WV School for the Deaf.

3.10. Boarding students at member schools, with the exception of students at the WV Schools for the Deaf and Blind, are not eligible. (Definition: A boarding student is one who receives room and board that is provided by said school unless such residence is based on Court Order or State Action.)

§127-2-4. Age.

4.1. A student in high school who becomes 19 and a student in junior high school who becomes 16 before August 1 shall be ineligible for interscholastic competition.

4.2. A student in high school who becomes 19 and a student in junior high school who becomes 16 on or after

127CSR2

August 1 shall remain eligible for the entire year.

4.3. A student in a middle school (eighth grade being the highest grade) who becomes 15 before August 1 shall be ineligible for interscholastic competition at that level.

4.4. A student in a middle school (eighth grade being the highest grade) who becomes 15 on or after August 1 shall remain eligible for the entire school year at that level.

§127-2-5. Semester and Season.

5.1. A student may have the privilege to participate in the interscholastic program for four consecutive years (eight consecutive semesters or equivalent) after entering the ninth grade of a four-year high school or the ninth grade in a 7-9 junior high school.

5.2. A student shall not participate for more than two seasons while in grades 7-8 of a junior high/high school or no more than three seasons while in grades 6-7-8 of a middle school in any interscholastic activity.

5.3. Students retained without failing.

5.3.1. *Loss of eligibility.* A student held back in the sixth, seventh or eighth grade without failing shall lose one of the four years of high school eligibility for each year the student is held back.

5.3.2. *Loss of fourth year.* A student held back one year in the seventh or eighth grade without failing shall lose the fourth year of eligibility after entering the ninth grade.

5.3.3. *Loss of third and fourth years.* A student held back for two years in the seventh or eighth grade without failing shall lose both the third and fourth years of eligibility after entering the ninth grade.

5.4. Ten days of attendance or enrollment shall constitute a semester. Said ten days includes the day of enrollment, the last day of attendance and the elapsed time between, provided that they are days when school was actually in session.

5.5. The number of semesters of athletic eligibility of a student is determined by semesters of enrollment and attendance and not by semesters of participation. (This applies for students in grades 9-12 only).

5.6. A student whose eligibility expires with the end of a semester shall not become ineligible until report cards are issued or five school days into the next semester, whichever is less. The student will be considered eligible any days between the two semesters.

5.7. Any part of a contest or interscholastic event in which a student competes shall be counted as a season for that sport in grades 6-12 and a semester of participation in grades 9-12.

5.8. The Board of Directors is authorized to grant a waiver to the Semester and Season Rule when it feels the rule fails to accomplish the purpose for which it is intended and when the rule works extreme and undue hardship upon the student. Waivers may be granted in the following circumstances:

5.8.1. The Board is authorized to consider cases in which a student entering high school (explained in Rule 5.1) did not stay in continuous enrollment because of personal illness, or no school was available, or because of other undue hardship reasons ascertained through investigation.

127CSR2

5.8.2. The Board may provide release from the continuous enrollment restriction provided no participation had occurred during the semester(s) in question.

5.8.3. In no event may a student be allowed to participate in more than four (4) seasons in any one sport in grades 9-12.

5.9. The Board may also assess appropriate penalties to the student or to the school if said Board determines through its investigation that said student or said school did try to evade the rule by subterfuge.

§127-2-6. Scholarship.

6.1. A student is required to do passing work in the equivalent of at least 20 periods (four subjects with full credit toward graduation) per week. Failure to earn passing marks in four full credit subjects during a semester shall render a student ineligible for the following semester.

6.1.1. A semester course that constitutes 8100 minutes of instruction (block schedule) will count as two subjects.

6.1.2. The student may select four full credits from any area of the curriculum offered by the school.

6.1.3. If a student is taking a multiple period subject, such as block or vocational courses for a full morning or afternoon, it may be counted as more than one subject. The number of subjects counted will be equal to the units of full credits given.

6.1.4. If a student has been declared ineligible according to the standards outlined above, the student may attend summer school and have eligibility reinstated if the student meets the standards at the conclusion of summer school.

6.1.5. If a student has been declared ineligible according to the standards outlined above, the student may have eligibility reinstated at midsemester if the student is meeting the standards at that time.

6.2. *Note:* Full credit is defined as one-half credit for a semester or 4050 minutes as provided by West Virginia Board of Education §126-42-1 et seq., "Assuring the Quality of Education: Regulations for Education Programs" (Policy 2510).

6.3. Schools providing for planned programs of independent learning during the regular school term may wish not to require all students to attend classes for 4050 minutes during a semester. In such instances, full credit may be awarded for satisfactory performance provided that it meets standards established by the county and West Virginia Department of Education.

6.4. Full credit may be awarded for subjects in addition to those offered by the school as well as experimental programs developed by the school itself provided that it meets standards established by the county and West Virginia Department of Education.

6.5. A student not attempting four (4) full credit subjects during a semester must complete one semester of school work to regain eligibility.

6.6. Any student who withdraws from school and does not re-enroll within 10 school days of that withdrawal date will lose eligibility for the remainder of that semester.

127CSR2

6.7. Credit deficiencies cannot be made up after the last day of the semester, except in a case where a student whose final examinations and course credit are delayed due to illness which can be verified by a physician.

6.8. The official school transcript will be used to determine a student's eligibility and will be regarded as final.

6.9. In accordance with West Virginia Board of Education §126-26-1 et seq., "Participation in Extracurricular Activities" (Policy 2436.10, C-Rule), students must maintain a 2.0 average to participate in interscholastic athletics. (See Appendix.)

§127-2-7. Residence-Transfer.

7.1. Part A - Residence - This residence rule applies to all students enrolled in grades 6-12 in both public and non-public member schools.

7.1.1. A student shall be eligible in the zone in which the student's parents reside. Public secondary school attendance zones shall be established by official action by each county Board of Education. Zones of nonpublic member schools shall be established by their governing board and subject to approval by Board of Directors. Said non-public member schools attendance zones shall not exceed the boundaries of the county in which they are located.

7.1.2. A student shall be eligible when enrolling to attend a member secondary school for the first time in the zone in which the parents reside, unless the student has established eligibility under Rule 127-2-7.2.3 in another attendance zone.

7.1.3. When a town or city is located in two counties and only one public secondary school is located in the town or city, students living in the town or city may attend this secondary school if mutually agreed upon by the two county boards of education and approved by the Board of Directors.

7.1.4. A student who is in the care of the West Virginia Department of Health and Human Resources shall be eligible to participate in interscholastic athletics as a member of the athletic teams of the secondary school in the zone in which said West Virginia Department of Health and Human Resources places the student in a home, provided the student is otherwise eligible.

7.1.5. A student may be eligible outside the specified zone of attendance if the student has been in attendance in that zone the immediate preceding year (365 days) prior to entering a member secondary school. There can be no change of residence involving change of attendance zone during the immediate preceding year (365 days).

a. Should the parents make a bona fide change of residence to a new school zone during the school term, a student may remain in the school zone from which the parents moved and retain eligibility.

b. A student whose parents have resided in the school zone for a minimum of one academic year at which the student has been in attendance for a minimum of one academic year and whose parents move out of the school zone may:

A. Retain eligibility as long as said student retains continuous enrollment and attendance or:

B. Transfer at time of change of residence to the school in the attendance zone in which the parents are now residing and be eligible in that school or:

C. Transfer at any time prior to the start of the next school year to the school in the attendance zone in which his parents are residing and be eligible for interscholastic activities at the receiving school.

127CSR2

7.1.6. Foreign exchange students, attending a member school under the auspices of a Council on Standards for International Educational Travel (CSIET) student exchange program, shall be considered eligible regarding residence for a maximum period of one calendar year. Said foreign exchange student may not be a graduate of the secondary school of the home country and must maintain eligibility in a member school. A foreign exchange program must assign students to schools by a method which insures that no student, school, or other interested party may influence the assignment for athletic purposes.

7.1.7. A student returning from an approved foreign exchange program may resume interscholastic competition in a member school at the point of interruption provided the student does not fulfill graduation requirements while participating in the exchange program and provided the student meets all requirements relative to age and semesters of eligibility.

7.2. Part B - Transfer.

7.2.1. A student becomes immediately eligible, providing all other eligibility requirements are met, when parents make a bona fide change of residence to a new school zone. Determination of a bona fide change of residence depends upon the facts of each case.

7.2.2. If a student transfers during the school year from a secondary school in one zone to a secondary school in another zone, said student shall be ineligible for 365 days from date of enrollment unless the parents become residents of the zone to which the student transfers. Students transferring out of attendance zone shall immediately forfeit eligibility in the attendance zone unless exempted by Rule 127-2-7.2.8 and 127-2-7.2.9.

7.2.3. Students who transfer during the school year to or from a member or non-member school shall be ineligible for 365 days from date of enrollment unless the parents move from one member school zone to another member school zone in conjunction with transfer of schools.

7.2.4. If the transfer is from a non-member school to a member school in the zone where the student's parents reside, a student is eligible providing; (1) the student is enrolling in a member school for the first time and (2) the principals of both non-member and member schools involved concur that undue influence is not involved with the transfer.

7.2.5. A student may be transferred from one-attendance zone to another zone within the same county by a county board of education and maintain eligibility. The transfer must be initiated by county board of education personnel to fulfill certain special education programs(s) not available in the attendance zone from which the student is transferred. Upon the completion of the special program, the student must return to the attendance zone of the student's residence.

7.2.6. For the purpose of athletic eligibility, the Commission does not recognize emancipated status as relates to transfer except as might occur in marriage and relocation to another school zone.

7.2.7. Notwithstanding any other provisions of WVSSAC rules and regulations, if a student transfers for athletic reasons, the student will be ineligible for 365 days from the date of enrollment.

7.2.8. If a student is released and accepted by formal actions of county boards of education or similar governing bodies of a non-public school which have verified that such transfer is not for athletic purposes, said student will be granted immediate eligibility provided all other rules are met. The transfer must occur at the beginning of the 9th grade school year with the student enrolled on or before the eleventh instructional day of the beginning of the school year and provided that said student is residing with the parents. Once a student has been a member of a team that has

127CSR2

participated in a scrimmage or contest, the student has established eligibility at that school.

7.2.9. During the 9th, 10th, 11th, 12th grades, a student shall be entitled to one transfer back into the public member school located within the attendance zone where the student's parents residence is located regardless of from where the student is transferring. A student shall be entitled to transfer back to a non-public member school if said student had been enrolled in said non-public member school or non-public member feeder school the 365 days prior to enrollment in the 9th grade. Any student transferring under the provisions of this rule will not become eligible until the completion of the school year in which said transfer occurs. Eligibility will begin with the succeeding fall sports season. Transfer must be completed prior to the first day of school.

7.2.10. The eligibility of a student whose parents are divorced or legally separated is determined by the following:

- a. court decree establishing residency with one parent.
