**EXECUTIVE SUMMARY
WEST VIRGINIA BOARD OF EDUCATION**

POLICY NUMBER AND TITLE: West Virginia Secondary School Activities Commission
Proposed Changes in Rules and Regulations, Series 1, 2 and 3

PUBLIC COMMENT PERIOD ENDS: _____ **ADOPTED:** _____

BACKGROUND

The majority of public and most private schools in West Virginia belong to the West Virginia Secondary School Activities Commission (WVSSAC). Each year, the principals of member schools submit revisions to the rules and regulations. The submitted proposals are presented and voted upon at the annual Board of Control meeting. Any approved changes are then submitted to the West Virginia Board of Education (WVBE) for its review and approval.

PURPOSE

These amendments are brought forth to keep the WVSSAC current and updated on changes, trends and issues in the band and athletic programs.

These proposals will be distributed for public comment in May and June. The WVSSAC will present to the WVBE the comments received for its review at the July meeting.

The WVSSAC staff, Constitution and Bylaws Committee, and Board of Control respectfully request that the proposed rule changes to the West Virginia Secondary School Activities Commission Rules and Regulations Handbook, Series 1, 2 and 3 be placed on public comment for 30 days.

CONTENT

Ten proposals are being submitted to the WVBE by the WVSSAC. Each rule change is presented with the whole rule being included. This will help the WVBE members understand the significance of the rule change.

The following is a brief summary of the effect of each proposal:

1. Addresses criteria for middle and high schools seeking membership. (Vote: Yes-111 No-4)
2. Update vacancy procedure. (Vote: Yes-107 No-5)

**WVSSAC
Rules and Regulations Handbook
2008-09 Proposed Rule Changes Passed by BOC**

Proposal 1 (111-4)

Amend 127-1-4 Membership (Pg. 2) as follows:

4.2.5. A member-high school must sponsor one (1) sport per gender during each season - fall, winter and spring. Schools having membership prior to the 2007-2008 school year are exempt from this provision.

Constitution and By-Laws

Rationale:

Addresses criteria for middle and high schools seeking membership.

Proposal 2 (107-5)

Amend 127-1-6 Officers and Duties (Pg. 4) as follows:

6.3 The term of an officer-member shall end immediately upon his agreement to accept a position that would make him ineligible to hold office in this Commission. However, in the event that a director ceases to meet the qualifications for his/her position but remains in good standing in the last year of his/her term, such director shall be given the option to remain in his/her position for the remainder of the assigned term. The vacancy would then be filled at the next annual Board of Control.

Thomas Kidd, Principal
John Adams Middle School

Rationale:

This is the pattern of most professional organizations. This is the vacancy procedure for NASSP and NAESP. Appointed representatives have definitions for their organizations term of office. For a Board Member, this would mean 4/5 of the term served, so it would not best serve the interest of the commission to appoint someone new for just 8 months and then have another election at the Board of Control meeting.

Proposal 3 (114-1)

Amend 127-2-3 Enrollment and Team Membership (Pg. 15) as follows:

3.2.3. if member schools containing grades 6 and/or 7 and/or 8 and/or 9 may combine students from two or more schools within the county to form one interscholastic team in a sport. Requests for permission to combine students from two or more schools in the same non-public or public school system must be submitted annually to the West Virginia Secondary School Activities Commission (WVSSAC) in writing by the superintendent of the non-public or public school system. Schools which are combining to form one team must be feeder schools for the same high school and at least one school does not have sufficient numbers for a team. If more than two schools are involved, principals are to evaluate the number of available participants in each school and shall combine schools to provide as many teams that sufficient numbers will allow. Sufficient numbers will be defined as the number of a starting line-up plus 50% (for odd number line-ups, round up).

Constitution and By-Laws

Rationale:

Clarifies enrollment and team membership with current middle/high school configuration.

Proposal 4 (107-6)

Amend 127-2-3 Enrollment and Team Membership (Pg. 16) as follows:

3.4. Students enrolled in the following grades in member schools will be eligible for junior high freshman/middle school participation:

<i>Junior High Schools</i>	<i>Schools</i>	<i>High Schools</i>	<i>Middle</i>
Grades 7 and 8	7, 8 and 9 (six-year school)	6, 7, 8 (3-year or 4-year school)	
Grades 7, 8, and 9	8 and 9 (five-year school)		
Grades 8 and 9	9 (four-year school)		

3.4.1. Middle School - 6, 7 and 8 may compete with and against schools/teams of the same configuration.

3.4.2. Stand alone freshman programs may compete with and against schools/teams of the same grade configuration. An 8th grade student not provided the opportunity to participate at their member school because the sport is not offered may choose to participate on a stand alone freshman team at their feeder high school, provided the student is otherwise eligible.

Constitution and By-Laws

Rationale:

Clarifies enrollment and team membership with current middle/high school configuration.

Proposal 5 (69-44)

Amend 127-2-3 Enrollment and Team Membership (Pg. 15) as follows:

3.5 Sixth grade students may be eligible to participate in interscholastic sport teams except football in the middle school in which they are enrolled.

Tom Kidd, Principal, John Adams Middle School
Missy Ruddle, Principal, McKinley Middle School
Candace Strader, Principal, East Bank Middle School

Rationale:

There are cases when a student member cannot participate in youth league or member of school middle conference. This is not equal opportunity and disenfranchises due to weight limits. Would help develop JV Middle School teams. Would ultimately help develop high school varsity and JV team members would be under guided supervision of approved coaches in school setting. Consistent with all other sports for participation.

More information will follow at the discussion proposal.

Many schools cannot have teams because enrollment is too low.

Sixth grade would allow more students to be involved.

Proposal 6 (112-0)

Amend §127-2-7. Residence-Transfer. (Pg. 19) as follows:

7.1. Part A - Residence - This residence rule applies to all students enrolled in grades 6-12 in both public and non-public member schools.

~~7.1.1. A student shall be eligible in the zone in which the student's parents reside. Public secondary school attendance zones shall be established by official action by each county~~

~~Board of Education. Zones of nonpublic member schools shall be established by their governing board and subject to approval by Board of Directors. Said non-public member schools attendance zones shall not exceed the boundaries of the county in which they are located.~~

7.1.1. A student shall be eligible in the school located in the attendance zone in which the student's parents reside. Public secondary school attendance zones shall be established by official action by each county Board of Education. In the event the county Board of Education establishes overlapping attendance zones, a student shall be eligible at the school in which the student first chooses to enroll upon entering the ninth grade. Attendance zones of nonpublic member schools shall be established by their governing board and subject to approval by the Board of Directors. Said non-public member school's attendance zone shall not exceed the boundary of the county in which the school is located.

~~7.1.2. A student shall be eligible when enrolling to attend a member secondary school for the first time in the zone in which the parents reside, unless the student has established eligibility under Rule 127-2-7.2.3 in another attendance zone.~~

~~7.1.3~~ 7.1.2. When a town or city is located in two counties and only one public secondary school is located in the town or city, students living in the town or city may attend this secondary school if mutually agreed upon by the two county boards of education and approved by the Board of Directors. A student shall be eligible at the school in which the student first chooses to enroll upon entering 9th grade.

~~7.1.4~~ 7.1.3. A student who is in the care of the West Virginia Department of Health and Human Resources shall be eligible to participate in interscholastic athletics as a member of the athletic teams of the secondary school in the zone in which said West Virginia Department of Health and Human Resources places the student in a home, provided the student is otherwise eligible.

~~7.1.5~~ 7.1.4. A student may be eligible outside the specified zone of attendance if the student has been in attendance in that zone the immediate preceding year (365 days). There can be no change of residence involving change of attendance zone during the immediate preceding year (365 days).

~~a. Should the parents make a bona fide change of residence to a new school zone during the school term, a student may remain in the school zone from which the parents moved and retain eligibility.~~

~~b. A student whose parents have resided in the school zone for a minimum of one academic year at which the student has been in attendance for a minimum of one academic year and whose parents move out of the school zone may:~~

7.1.5. A student whose parents have resided in the school zone for a minimum of one academic year in which the student has been in attendance for a minimum of one academic year and whose parents make a bona fide change of residence to a new school zone during the school term may:

A. Retain eligibility in the attendance zone where the parents previously resided as long as said student retains continuous enrollment and attendance or:

B. Transfer at time of change of residence to the school in the attendance zone in which the parents are now residing and be eligible in that school or:

C. Transfer at any time prior to the start of the next school year to the school in the attendance zone in which his parents are residing and be eligible for interscholastic activities at the receiving school.

7.1.6. A student whose parents have resided in the school zone for less than one academic year at which the student has been in attendance for less than one academic year and whose parents make a bona fide change of residence to a new school zone during the school term may:

A. Retain eligibility for the balance of the academic year, provided the said student retains continuous enrollment and attendance or:

B. Transfer at time of change of residence to the school in the attendance zone in which the parents are now residing and be eligible in that school or:

C. If a student chooses to remain enrolled at the school outside the attendance zone in which his/her parents reside at the conclusion of the academic year the student will be ineligible for the next academic year.

~~7.1.6~~ 7.1.7. Foreign exchange students, attending a member school under the auspices of a Council on Standards for International Educational Travel (CSIET) student exchange program, shall be considered eligible regarding residence for a maximum period of one calendar year. Said foreign exchange student may not be a graduate of the secondary school of the home country and must maintain eligibility in a member school. A foreign exchange program must assign students to schools by a method which insures that no student, school, or other interested party may influence the assignment for athletic purposes.

~~7.1.7~~ 7.1.8. A student returning from an approved foreign exchange program may resume interscholastic competition in a member school at the point of interruption provided the student does not fulfill graduation requirements while participating in the exchange program and provided the student meets all requirements relative to age and semesters of eligibility.

7.2. Part B - Transfer.

~~7.2.1. A student becomes immediately eligible, providing all other eligibility requirements are met, when parents make a bona fide change of residence to a new school zone. Determination of a bona fide change of residence depends upon the facts of each case.~~

~~7.2.2. If a student transfers during the school year from a secondary school in one zone to a secondary school in another zone, said student shall be ineligible for 365 days from date of enrollment unless the parents become residents of the zone to which the student transfers. Students transferring out of attendance zone shall immediately forfeit eligibility in the attendance zone unless exempted by Rule 127-2-7.2.8 and 127-2-7.2.9.~~

~~7.2.3. Students who transfer during the school year to or from a member or non-member school shall be ineligible for 365 days from date of enrollment unless the parents move from one member school zone to another member school zone in conjunction with transfer of schools.~~

7.2.1. If a student transfers during the school year from one secondary school to another secondary school, said student shall be ineligible for 365 days from date of enrollment, absent a bona fide change of residence.

7.2.4. 7.2.2 If the transfer is from a non-member school to a member school in the zone where the student's parents reside, a student is eligible providing; (1) the student is enrolling in a member school for the first time and (2) the principals of both non-member and member schools involved concur that undue influence is not involved with the transfer.

7.2.5. 7.2.3 A student may be transferred from one attendance zone to another zone within the same county by a county board of education and maintain eligibility. The transfer must be initiated by county board of education personnel to fulfill certain special education programs(s)

not available in the attendance zone from which the student is transferred. Upon the completion of the special program, the student must return to the attendance zone of the student's residence.

~~7.2.6.~~ 7.2.4 For the purpose of athletic eligibility, the Commission does not recognize emancipated status as relates to transfer except as might occur in marriage and relocation to another school zone.

~~7.2.7~~ 7.2.5 Notwithstanding any other provisions of WVSSAC rules and regulations, if a student transfers for athletic reasons, the student will be ineligible for 365 days from the date of enrollment.

~~7.2.8.~~ 7.2.6 If a student is released and accepted by formal actions of county boards of education or similar governing bodies of a non-public school which have verified that such transfer is not for athletic purposes, said student will be granted immediate eligibility provided all other rules are met. The transfer must occur at the beginning of the 9th grade school year with the student enrolled on or before the eleventh instructional day of the beginning of the school year and provided that said student is residing with the parents. Once a student has been a member of a team that has participated in a scrimmage or contest, the student has established eligibility at that school.

~~7.2.9.~~ During the 9th, 10th, 11th, 12th grades, a student shall be entitled to one transfer back into the public member school located within the attendance zone where the student's parents residence is located regardless of from where the student is transferring. A student shall be entitled to transfer back to a non-public member school if said student had been enrolled in said non-public member school or non-public member feeder school the 365 days prior to enrollment in the 9th grade. Any student transferring under the provisions of this rule will not become eligible until the completion of the school year in which said transfer occurs. Eligibility will begin with the succeeding fall sports season. Transfer must be completed prior to the first day of school.

7.2.7. TRANSFER BACK. During the 9th, 10th, 11th, 12th grades, a student shall be entitled to one transfer back into the public member school located within the attendance zone where the student's parents reside, or to a non-public member school if said student had been enrolled in said non-public member school or non-public member feeder school during the 365 days prior to enrollment in the 9th grade, regardless of from where the student is transferring. Any student transferring under the provisions of this rule will not become eligible until the completion of the school year in which said transfer occurs. Eligibility will begin with the succeeding fall sports season, or immediately if the transfer back is completed on or before the eleventh instructional day of the beginning of the school year. Once a student has been a member of a team that has participated in a scrimmage or contest, the student has established eligibility at that school.

~~7.2.10.~~ 7.2.8 The eligibility of a student whose parents are divorced or legally separated is determined by the following: ~~a.~~ a court decree establishing residency with one parent.

~~7.2.11.~~ 7.2.9. After establishing initial residency with one parent, all subsequent transfers will require a period of ineligibility for 365 days from date of enrollment unless a change of residency is decreed by the court.

Constitution and By-Laws

Rationale:

To better clarify the residence and transfer rule.

Proposal 7 (81-30)

Amend 127-3-7 Out of Season Coaching (Pg. 37) as follows:

7.2. School organized out-of-season practice or related activities shall only be permitted with principal approval during Weeks 50, 51 and 52 of the National Federation Standardized Calendar, from the day after the completion of the last state tournament of the school year until the first day of fall sport practice of the next school year. All schools will observe a one (1) week dead period during the week of the Fourth of July. During this period, there can be no coaching or any contact or observation by any coach, faculty or non-faculty, with any student-athletes. This dead period shall also apply to weight programs. Participation by students must be open to all students, voluntary, and not required directly or indirectly for membership on a school team. Participation by students during these weeks does not meet Practice Rule 127-2-13.4.

Don Dellinger, Principal
Hedgesville High School

Rationale:

This rule change will allow for more flexibility in scheduling during the summer. This change will also allow coaches of sports other than football and basketball to attend summer camps at colleges and universities. This will only add four (4) weeks to the summer schedule with the incorporation of the one (1) week dead period. The dead period and the spreading out of activities will allow families more freedom to plan vacations.

Proposal 8 - Vote on only if Proposal 7 is passed. (89-21)

Amend 127-3-7 Out of Season Coaching (Pg. 37) as follows:

7.3. A coach or principal designee of each sport or activity may be present as an observer, lecture participant, staff member, or in any capacity at any summer camp during weeks 50, 51, and 52 of the National Federation Standardized Calendar from the day after the completion of the last state tournament of the school year until the first day of fall sport practice of the next school year except the one (1) week dead period mentioned in Rule 127-3-7.2.

Don Dellinger, Principal
Hedgesville High School

Rationale:

This rule change will allow for more flexibility in scheduling during the summer. This change will also allow coaches of sports other than football and basketball to attend summer camps at colleges and universities. This will only add four (4) weeks to the summer schedule with the incorporation of the one (1) week dead period. The dead period and the spreading out of activities will allow families more freedom to plan vacations.

Proposal 9 (78-37)

Amend 127-3-10 Classifications (Pg.40) as follows:

10.1. Beginning with the 2008-2009 school year, Each member high school schools shall be classified as either AAAA, AAA, AA, or A for football and boys/girls basketball only. All other sports will remain under the current classification. These classifications will be based on the enrollment figures in grades 9-10-11 at the end of the second school month of the odd numbered year preceding the classification.

Warren Grace, Principal
Paden City High School

Rationale:

To decrease the disparity in size between the largest and smallest schools in each of the respective classes. The addition of a new classification would afford more schools a better opportunity to successfully compete on a more equal playing field in all classifications. With the current classifications, most of the smaller schools in each class would have less of a chance to participate or compete in post season play. The respective coaching committees will be responsible for organizing post season play-off and tournament formats.

Proposal 10 (104-1)

Amend 127-3-23 Football (Pg. 48) as follows:

~~23.2.1. The Board of Directors, upon written request, may grant permission for a football team to play its first game one day earlier if the playing field is used by more than one high school.~~

Constitution and By-Laws

Rationale:

Rule change in 2007 allowed beginning on Monday of Week 8 for football high school contest.

Proposal 11 (83-11)

Amend 127-3-31 Wrestling (Pg. 56) as follows:

31.8.2. Junior high school teams may have ~~44~~ 16 matches including tournaments sanctioned by the WVSSAC.

Andy Garber, Principal
Warwood Middle School

Rationale:

A number of years ago, high school weigh-ins increased from 16 weigh-ins to 18 weigh-ins. It was the intention to do the same for junior high and middle school weigh-ins, increasing them from 14 weigh-ins to 16 weigh-ins. However, no action was ever taken.

This form must be signed by all parties: student, parent(s), physician. 3.3. A physical examination form must be completed no earlier than June 1 for an upcoming year.

§127-3-4. All-Star Participation.

4.1. A graduating senior, or any student completing athletic eligibility at the end of the current school year because of age or completion of semesters of eligibility, may play in one All-Star game upon conclusion of the season without loss of athletic eligibility for the balance of that year.

§127-3-6. Coaches.

6.1. A member of a school faculty, substitute teacher or student teacher, with or without West Virginia Department of Education Authorized Certification, within a public, private, or parochial school system shall be allowed to coach an athletic team. Also, an authorized certified individual may coach if he meets all of the requirements in subsection 6.5 of this rule.

6.2. A substitute teacher is defined as a person who has met the licensure requirements as specified by the West Virginia Board of Education and has been approved as a substitute teacher of that county board of education, private, or parochial school.

6.3. A college student fulfilling teacher training responsibilities as a student teacher may be assigned certain coaching responsibilities during that period of training. This assignment will be administratively consistent with said student teacher's role in the classroom and shall be approved by the county board of education or the governing board of a private or parochial school. Said student teacher will work directly under the supervision of the appointed coach or assistant coach.

6.4. An authorized certified coach must meet the following requirements:

6.4.1. The coach is employed under a contract with a county board of education which specifies a rate of pay equivalent to the rate for professional educators who accept similar duties as extra duty assignments and which provided for liability insurance associated with the activity.

6.4.2. The coach has successfully completed approved training: NFHS Sport Science, Sport First Aid, and WV Component (14 hours of instruction and test) and has received West Virginia Department of Education Authorization.

6.4.3. The authorized certified coach may be contracted to coach only if an employed certified professional educator within the county has not applied for and accepted the coaching position.

6.4.4. Coaching authorizations are for one year. They may be re-issued upon request if a certified professional educator within a county is not available.

6.5. The head coach shall be required to attend any sports rules clinic in the coaching assignment which is sponsored by this Commission. Schools failing to have a head coaching position filled at the time of the clinic will be required to have a school representative present at the rules clinic.

6.6. All coaches and athletic directors of member schools who upon retirement from a member school with at least 20 years of service either as a coach, athletic director or combination of coaching and athletic director shall receive a lifetime WVSSAC Courtesy and Identification Card. This card shall allow admittance to any WVSSAC sponsored event. This admittance will be by presentation of the WVSSAC Courtesy and Identification Card and photo identification.

§127-3-7. Out-of-Season Coaching.

7.1. Philosophy - Students should have the opportunity to engage voluntarily in school athletic activities provided that the student is eligible, that such activities do not interfere with the students' educational development and the activities do not conflict with the principles of wholesome amateur athletics. The WVSSAC wishes to enhance that opportunity while at the same time discouraging the exploitation of students by overzealous individuals and organizations who attempt to impose an obligation or pressure on the student. There has been growing evidence of commercialism and specialization of secondary school students. Experience has revealed that such occurrences tend to divide the allegiance of students, undermine respect for coaches and officials, and encourage the type of adulation which gives students an exaggerated sense of importance of their own athletic prowess. Rather, athletic participation should be used for the pleasure and satisfaction that is derived from athletic competition in a variety of experiences.
