### Leadership

Proposal 2 would change authority to determine administrative districts from the Board of Appeals to the Board of Control.

Proposal 3 establishes the allowed number of terms for an appointed Board of Appeals member.

Proposal 7 would require the Board of Appeals to follow contract termination similar to county boards of education.

### Financial

Proposal 1 would result in an increased expense of \$20,520.00.

Proposal 16 Gate receipts at regional basketball, football playoff games, and state tournaments would decrease by approximately \$2,000.

Proposal 23 would result in an increase expense in the sports of cross country, swimming, and tennis. Increased revenue could be received in the sports of wrestling and soccer.

**SPECIFIC AMOUNT OF INCREASE FOR ALL PROPOSALS ARE EXPLAINED ON THE FISCAL NOTE WORKSHEET.**

### Administrative

Proposal 17 would require administrative decisions on scheduling activities and administrative supervision during the last three weeks of June. However, it would allow qualified coaches to have additional time to develop students' skills.

Proposal 28 would provide more involvement by principals.

**ATHLETIC ADMINISTRATORS, PRINCIPALS, AND COUNTY SUPERINTENDENTS WILL NEED TO BE AWARE OF THE CHANGES IN ORDER TO ADMINISTER THEIR SCHOOL PROGRAMS IN ACCORDANCE WITH THE CURRENT RULES. THERE IS NO MAJOR CHANGE THAT WOULD IMPACT ADMINISTRATION NEGATIVELY.**

### **§127-3-7 Camps/Out-of-Season Coaching.**

#### **Philosophy:**

Students should have the opportunity to engage voluntarily in school ~~sponsored sports~~ athletic activities provided that the student is eligible, that such activities do not interfere with the students' educational development and the activities do not conflict with the principles of wholesome amateur athletics. The WVSSAC wishes to enhance that opportunity while at the same time discouraging the exploitation of students athletes by overzealous individuals and organizations who attempt to impose an obligation or pressure on the student-~~athlete~~. There has been growing evidence of commercialism and specialization of secondary school ~~athletes~~ students. Experience has revealed that such occurrences tend to divide the allegiance of students, undermine ~~their~~ respect for coaches and officials, and encourage the type of adulation which gives students an exaggerated sense of importance of their own athletic prowess. Rather, athletic participation should be used for the pleasure and satisfaction that is derived from athletic competition in a variety of experiences.

7.1 School organized out-of-season practice or ~~school organized summer camps shall not be permitted.~~ related activities shall only be permitted with principal approval during Weeks 50, 51, and 52

of the National Federation Standardized Calendar. Participation by students must be open to all students, voluntary, and not required directly or indirectly for membership on a school team. Participation by students during these weeks does not meet Practice Rule 127-2-13.4.

7.2 A coach or ~~surrogate principal designee~~ of each sport or activity may not be present as an observer, lecture participant, staff member, or in any capacity at any summer camp ~~where the number of his athletes (students who would be under his supervision the next season in that sport) exceeds fifty percent of the number of persons designated as the starting line up or cheerleading squad (i.e. basketball two or less; football five or less; wrestling seven or less; baseball four or less; etc.)~~ Nor may a school or related organization be involved in fund raising projects to subsidize student attendance at or in camps during Weeks 50, 51, and 52 of the National Federation Standardized Calendar.

7.3 A coach or surrogate shall not work with individuals in any form of drills or practice of his the coaching assignment except during those dates specified as the season for that specific sport or as designated in 7.1 and 7.2.

7.4 Coaches may participate in a formal development program of the U.S. Olympic Committee (USOC) involving athletes of the same sport as their coaching assignments. The formal development program must be under the official guidance of the USOC through the National Governing Body (NGB) of the sport. The NGB must assure in writing to the WVSSAC that coaches will receive formal orientation and that strict supervision and monitoring of coaches will ensure that no recruitment or inappropriate influence will be exerted on players.

### **Conditioning/Recreation Programs**

7.45 Students throughout the school year who are not participating in a school's athletic program may voluntarily participate in an off season conditioning program. This program may also occur during the summer subject to Board of Education or governing body approval and the following provisions:

(b) Participation is voluntary and is not required directly or indirectly for membership on a school squad team.

(c) Participants Students will provide their own clothing (sweatsuit, shoes, etc.).

(f) In those cases where schools schedule all athletes into the last period of the school day, the guidelines in items (c), (d), and (e) shall apply unless the class is considered a part of the physical education program and credit is given. There shall be no teaching of sport specific skills in this case unless those same skills and course of study are taught in all physical education classes at this same time of the school year.

(g) The Board of Education may choose to compensate the supervisor or director.

7.56 Coaches may not promote, initiate, organize, supervise, or participate in out-of-season events involving athletes of the same sport as ~~their the coaching assignment~~ except as specified in 127-3-7.1 and 127-3-7.2. ~~An exception to the above is where the Board of Education would~~ The County Board of Education shall be authorized to approve a coach to organize and/or supervise a recreation program for youth students. However, this type assignment must be recreational in nature, include a variety of activities, and comprise no coaching or instruction of that same sport as ~~his the~~ school coaching assignment. In addition to the above, gymnasiums or facilities opened for recreational activities must use the following guidelines:

- (a) The gymnasium or field is open to all students for participation.
- (b) A variety of activities is available to students and is not limited to one sport or activity on a given day.
- (c) Supervisor or director must be approved by the Board of Education or governing body.
- (d) There is no coaching or instruction in the skills and technique in any sport.
- (e) Comparable opportunities are provided both sexes.

The ~~school administration~~ principal assumes the responsibility for making certain that there is adherence to these guidelines.

~~7.6 Coaches may participate in a formal development program of the U.S. Olympic Committee (USOC) involving athletes of the same sport as their coaching assignments. The formal development program must be under the official guidance of the USOC through the National Governing Body (NGB) of the sport. 8.4 If a coach is ejected from a contest and an assistant coach or assigned school representative is not available to continue as coach, the contest is terminated and forfeited to the opponent.

## FISCAL NOTE WORKSHEET - CONTINUED

### Proposal 1

- a. If the number of administrative districts is raised from five to eight, the amount of annual student scholarships of \$1,000 each would increase from \$10,000 to \$16,000.
- b. If the number of administrative districts is raised from five to eight, three additional representatives would need to be added to each of the fourteen Sport Coaches' Committees. Currently, each representative's expenses are approximately \$60.00 annually. The increase of 42 more representatives would be an additional expense of \$2,520.00.
- c. If the number of administrative districts is increased, the number of Board of Appeals members would increase from five to eight. There would be an increase of \$1500 in personal services due to a \$500 honorarium received by each member.
- d. The current expense for each Board member is \$6,500 annually. The additional three members would result in an increase expense of \$19,500.

### Proposal 23

Additional classes would require more days of tournament play which would increase expenses and possibly decrease instructional time. Possible increased revenue could result in wrestling (\$936) and soccer (\$650). However, the sports which have shown losses may have increased losses due to additional days of tournament play (cross country - \$147; swim - \$1480; tennis - \$1582).
