TITLE 127

LEGISLATIVE RULE

2002 JUN -7 P 3:47

WEST VIRGINIA SECONDARY SCHOOL ACTIVITIES COMMISSION

OFFICE OF WEST VIRGINIA
SECRETARY OF STATE

SERIES 4

PROVISIONS GOVERNING CONDUCT

§127-4-1. General.

1.1. Scope - These rules govern conduct for active and spectator participants, coaches and all other school personnel at interscholastic athletic events.

1.2. Authority - W.Va. Constitution, Article XII, §2 and W.Va. Code §18-2-5.

1.3. Filing Date - June 7, 2002.

1.4. Effective Date - August 6, 2002.

§127-4-2. Sportsmanship.

2.1. Member schools are required to conduct all relations with other schools in a spirit of good sportsmanship. Acts which are prima facie evidence of failure to abide by this rule are those which are noted below and others of similar nature which violate the accepted code of good sportsmanship.

2.2. It shall be the responsibility of the home schools to take proper steps and precautions to insure that crowd and spectator control is handled reasonably at all interscholastic athletic contests including all post season athletic contests whether home or away. In addition to the spectators, attention must be directed to the safety, comfort, and security of the coaches, officials, and students. Their seating accommodations should protect them from spectator interference.

2.3. It shall be the responsibility of any team, student, coach, or attendant to remain in or a part of a contest until its normal end as provided by the National Federation Rules of that particular sport. The exception to the above would be provided by the same National Federation Rules of that particular sport. The penalty for a violation by a coach, student, or team attendant will not only involve ejection during that particular contest but shall also involve that student, coach, or team attendant not being a part of that school's team for the next regularly scheduled contest(s) as regulated in §127-4-3.7.3. The coach, student, or team attendant may practice in the days prior to the contest but may not dress or participate on the day of the contest. Rule 127-3-8 further explains the forfeiture consequences.

127CSR4

2.4. It shall be the responsibility of a member school to use every means at its disposal to impress upon its faculty, student body, team members, coaching staff, and officials the values of sportsmanship in preparation for the conduct and management of interscholastic contests.

2.5. It shall be the responsibility of an administrator, spectator, student, or coach to follow those directions provided for in the Code for Interscholastic Athletics.

§127-4-3. Code for Interscholastic Athletics.

3.1. The school administrator shall:

3.1.1. Encourage and promote friendly relationships and good sportsmanship throughout the school by requiring courtesy and proper decorum at all times, by acquainting students and others in the community with ideals of good sportsmanship and by so publicizing these concepts and attitudes that all members of the school and community will understand their meaning.

3.1.2. Insist upon implicit compliance with all rules and regulations of the West Virginia Secondary School Activities Commission, hereinafter referred to in this rule as the WVSSAC.

3.1.3. Secure WV registered officials for all contests.

3.1.4. Insist upon adequate safety provisions for all activities, for both participants and spectators.

3.1.5. Approve only those activities and schedules which are educationally and physically sound for the student.

3.1.6. Encourage all to judge the success of the athletic program on the basis of the education goals and the attitude of the participants and spectators, rather than on the basis of the number of games won or lost.

3.1.7. Insist that the students exemplify the highest standards of good sportsmanship as a means of inculcating desirable spectator attitudes.

3.1.8. Provide adequate hygienic, sanitary, and attractive facilities for the dressing and housing of visiting teams and officials.

3.1.9. Review with staff the Sportsmanship Rule.

127CSR4

and demand the same standards of the students.

3.2.2. Recognize that the purpose of competition is to promote the physical, mental, social, and emotional well-being of the students and that the most important values of competition are derived from playing the game fairly.

3.2.3. Be a modest winner and a gracious loser.

3.2.4. Maintain self-control at all times, accepting adverse decisions without public display of emotion or of dissatisfaction with the officials.

3.2.5. Cooperate with the school principal in the planning, scheduling and conduct of sports activities.

3.2.6. Employ accepted educational methods in coaching, giving all students an opportunity to use and develop initiative, leadership, and judgment.

3.2.7. Pay close attention to the physical condition and well-being of the students refusing to jeopardize the health of an individual for the sake of improving the team's chances to win.

3.2.8. Teach students that it is better to lose fairly than win unfairly.

3.2.9. Prohibit gambling, profanity, abusive language, and similar violations of good sportsmanship.

3.2.10. Refuse to disparage an opponent, an official, or others associated with athletic activities and discourage gossip and questionable rumors concerning them.

3.2.11. Properly supervise students under his immediate care and specifically observe a coach's responsibilities in conjunction with state interscholastic contests.

3.3. The spectator shall:

3.3.1. Realize that he represents the school just as definitely as does the member of a team, and, therefore, has an obligation to be a true sportsman, encouraging through this behavior the practice of good sportsmanship by others.

3.3.2. Recognize that good sportsmanship is more important than victory by approving and applauding good team play, individual skill and outstanding examples of sportsmanship and fair play exhibited by either team.

127CSR4

3.3.3. Recognize that, since the primary purpose of interscholastic athletics is to promote the physical, mental, moral, social, and emotional well-being of the students through the medium of contests, victory or defeat is in reality of secondary importance.

3.3.4. Treat visiting teams and officials as guests, extending to them every courtesy.

3.3.5. Be modest in victory and gracious in defeat.

3.3.6. Respect the judgment and integrity of officials, realizing that their decisions are based upon game conditions as they observe them.

3.4. The student shall:

3.4.1. Be courteous to visiting teams and officials.

3.4.2. Participate to the limit of his ability. The true student does not give up, nor does he quarrel, cheat, bet, or grandstand.

3.4.3. Be modest when successful and be gracious in defeat. A true sportsman does not offer excuses for failures.

3.4.4. Maintain a high degree of physical fitness by observing team and training rules conscientiously.

3.4.5. Demonstrate loyalty to the school by maintaining satisfactory scholastic standing and by participating in and supporting other school activities.

3.4.6. Understand and observe the rules of the game and the standards of eligibility.

3.4.7. Respect the integrity and judgment of officials and accept their decisions without questions.

3.4.8. Respect the facilities of host schools and the trust entailed in being a guest.

3.4.9. The cheerleader shall always cheer positively for the team and never negatively against the opponent.

3.5. The official shall:

3.5.1. Place the welfare of the student above all other considerations.

3.5.2. Know the game rules thoroughly and give intelligent interpretations.

127CSR4

3.5.3. Maintain confidence and control from start to finish.

3.5.4. Work cooperatively with fellow officials and game administrators.

3.5.5. Refrain from exhibiting emotions or arguing with a student or coach. Maintain self-control under all conditions.

3.5.6. Be fair, impartial and professional.

3.5.7. Be neat and dress in the appropriate uniform.

3.5.8. Be in adequate physical condition for the demands of the particular sport.

3.5.9. Refrain from commenting upon or discussing a team, play, game situation, or fellow official.

3.5.10. So conduct the game as to enlist the cooperation of students, coaches, and spectators in the interest of good sportsmanship.

3.6. *Protection, Facilities, and Assistance.* The home team is expected to furnish supervision. Outdoor facilities or playing facilities should be separated from the spectators by a restraining barrier (fence, wire, rope, etc.). Officials should be provided with a parking space, private dressing facilities not accessible to unauthorized personnel, and should be paid no later than half-time of game. The use of trained, competent, adult "assistant officials," i.e., scorers, timers, chain and down marker crews, etc., is strongly recommended.

3.7. *Statement of Policy.* Insofar as unsportsmanlike actions by students, school administrators, officials, coaches, faculty members, and spectators are concerned, the identical items under the Sportsmanship Rule along with the following guides will be referred to by the WVSSAC:

3.7.1. The school whose coach behaves in a manner likely to have adverse influence on the attitudes of students or spectators may be provided with the choice of taking disciplinary action against that coach or having the entire school disciplined by the WVSSAC.

3.7.2. Any student who in protest lays hands or attempts to lay hands upon an official may be declared ineligible by the principal or by the WVSSAC for up to one year. Any student who strikes an opponent, coach, or a spectator during or following an athletic event may be declared ineligible by the principal or the WVSSAC for a specified period of time up to one year, depending on the seriousness of the act.

3.7.3. Any coach, student, or bench personnel ejected by an official will be suspended for the remainder of the game, match, meet or contest. He will also face suspension in additional

127CSR4

contest(s); the suspension will be assessed based upon ten (10) percent of the allowed regular season contests for each sport. Any tenth of a percentage from .1 to .4 will be a suspension equal to the whole number of the percent. Any tenth from .5 to .9 will be an additional contest added to the whole number. The suspension will include the number of indicated contests in that sport and at that level and all other sport contests in the interim at any level. A second ejection will result in the doubling of the suspension assessed for the first ejection. If he is ejected for a third time during the same sport season, the individual will be suspended from participating or coaching for 365 calendar days from the date of ejection.

a. If suspensions are imposed to a student or bench personnel at the end of the sport season and no contest remains, the suspension is carried over to that particular sport until the next school year. In the case of a senior student, the penalty will continue to the next WVSSAC sponsored sport.

b. Any coach suspension that cannot be enforced during the sport season in which the ejection occurs will be enforced at the beginning of the next season of that same sport.

3.7.4. In case of spectators physically molesting an official, administrator, coach, or student, the school may be given one of two options: 1) file charges against the offender (s) or 2) accept discipline from the WVSSAC. Any person found guilty of W.Va. Code §61-2-15(a) Assault, Battery on Athletic Officials, while these individuals are working or as a result of working an athletic contest, shall be banned from all WVSSAC athletic events for a minimum of 365 days from the date of being found guilty. The school filing charges shall notify the WVSSAC of the incident and outcome of any legal action.

3.7.5. The school that does not lend complete cooperation in the host school's effort to promote the spirit of good sportsmanship may be disciplined by the WVSSAC.

3.7.6. A coach may be considered as committing unsportsmanlike conduct if he makes degrading remarks about officials during or after a game either on the field of play, from the bench, or through any public news media, argues with officials, or goes through motions indicating dislike for a decision, protests the decision and actions of officials pertaining to the game during and after the contest, or detains the official on the field of play following a game to request a ruling or explanation of some phase of the game. If a coach feels he has a legitimate criticism of a penalty call or a request for a rule interpretation, such criticism or request should be made in the privacy of the coach's office or the official's quarters and should be made in a courteous manner.

3.7.7. A student or team attendant shall not leave the bench area, team box area, or his designated off-field area during a game or contest other than during that time permitted by game or contest rules. A coach shall not leave the bench area, team box area, or the designated off-field area during a game or contest other than during that time permitted by game or contest rules unless a student altercation is taking place and the official requests assistance. Violation of this rule shall

127CSR4

cause the coach, student, or team attendant to be immediately ejected from the contest, team penalized according to game or contest rules and that coach, student, or team attendant will not be eligible to participate in the next contest as outlined in §127-4-2.3.

3.8. Procedure. Unsportsmanship action must be reported in detail to the WVSSAC. A copy of the complaint must also be filed with the principal of the school involved. Each principal involved shall report such information or answers to the report as they deem appropriate. Upon receipt of all reports, the Executive Director and/or the Board of Directors of the WVSSAC shall investigate and adjudicate such reports in accordance with the powers afforded in §127-1-8.6 and 8.7 and §127-1-12.2 and 12.3 of the Constitution. Penalties up to and including suspension of member schools may be made in accordance with §127-4.

3.9. The following defines the different types of disciplinary action which may be assessed for violation of the Sportsmanship Rule:

3.9.1. *Warning.* A warning may be given by the Executive Director or Assistant Executive Director. It is official notice that an inexcusable, unethical, or unsportsmanship action has occurred, is a matter of record, and that such an occurrence must not be repeated.

3.9.2. *Probation.* Probation is a much more severe type of warning and may be expressed two ways: 1) a school, coach, student, or team attendant on probation is told that further violations will lead to a fine or suspension; and/or 2) a school on probation is on conditional WVSSAC membership but may engage in its regular schedule, sanctioned events, and all WVSSAC tournament play, providing a program is filed with the Executive Director of the WVSSAC indicating measures to be taken to alleviate this problem which caused the school to be placed on probation.

3.9.3. *Suspension.* A school/coach suspended from the WVSSAC may not meet in interscholastic competition of any kind with a WVSSAC member school or a school that is a member of another state associated with the National Federation of State High School Associations.

3.9.4. *Fine.* A fine may be levied by the Executive Director. It may be levied in addition to a warning, probation, or suspension.

3.10. *Appeals.* All cases involving disciplinary action against member schools, coaches, students, team attendants, or officials may be protested in accordance with §127-6.

FISCAL NOTE WORKSHEET - CONTINUED

Proposal 1

- a. If the number of administrative districts is raised from five to eight, the amount of annual student scholarships of \$1,000 each would increase from \$10,000 to \$16,000.
- b. If the number of administrative districts is raised from five to eight, three additional representatives would need to be added to each of the fourteen Sport Coaches' Committees. Currently, each representative's expenses are approximately \$60.00 annually. The increase of 42 more representatives would be an additional expense of \$2,520.00.
- c. If the number of administrative districts is increased, the number of Board of Appeals members would increase from five to eight. There would be an increase of \$1500 in personal services due to a \$500 honorarium received by each member.
- d. The current expense for each Board member is \$6,500 annually. The additional three members would result in an increase expense of \$19,500.

Proposal 23

Additional classes would require more days of tournament play which would increase expenses and possibly decrease instructional time. Possible increased revenue could result in wrestling (\$936) and soccer (\$650). However, the sports which have shown losses may have increased losses due to additional days of tournament play (cross country - \$147; swim - \$1480; tennis - \$1582).

SPECIFIC AMOUNTS OF INCREASE OR DECREASE FOR ALL PROPOSALS ARE EXPLAINED ON THE FISCAL NOTE WORKSHEET.

Dear Dr. Stewart:

Re: Proposed SSAC Rule Dealing with Summer Athletic Activities

At our Wednesday, April 24, 2002, Board of Directors meeting, discussion took place concerning proposed policy revision permitting student participation in summer activities related to athletics. The Board of Directors unanimously directed me to convey to you their desire to expressly prohibit allowing more involvement between coaches and student athletes during the summer session. They feel very strongly that present guidelines are adequate and that further expansion of summer activities would be detrimental to the students. The RESA IV Board of Directors unanimously supports last year's limiting out-of-season practice.

Sincerely yours,

Elmer L. Pritt

Re: Proposed 21 Day Rule.

Dear Superintendent McClung,

On behalf of the American Legion Parkersburg Post 15 permit me to register a negative viewpoint regarding the proposed 21 day rule now being considered by the State Board of Education. I respectfully request the board vote against this proposal.

This proposal, if passed, will be very detrimental to the summer baseball program known as American Legion baseball. Here's why, legion baseball can not start each year until the high school teams have completed their seasons. This means in early June. If the high school coaches are allowed, as now proposed, to practice 21 day's in June, this means most legion teams can not start until that 21 day period has been completed.

In WV most of our athletes play multiple sports, basically football and basketball. I know in the case of Parkersburg Post 15, if this rule was effective at this time we could not have a team until July because our team is made up of the football, basketball and baseball players.

I also see this proposal as being most unfair to the multi-talented athlete, if the boy excels in both football and basketball, as most do, he will be under extreme pressure from both the football and basketball coaches to participate in their particular sport. One might argue that is not a problem as the coaches will have to share the boy equally. We all know that this will not fly as each coach will look the boy in the eye and simply tell him if he wishes to play his sport he should choose to show up for his 21 day sessions. The proposal also says this a voluntary program. Oh yes, we can say that, but we know what the coaches say, be there or else. It's not fair to put the boy in this position. I view this proposal as real trouble for the schools athlete directors to settle coaches complaints against each other.

Please weigh this proposal carefully and do what is best for the athlete keeping in mind the negative aspects as it effects American Legion baseball.

Most sincerely,

R.T. Cunningham
Athletic Officer, Post 15

While this proposal is a step in the right direction, it possibly could cause more problems within each school. The possible problems will be caused due to the restrictive nature of the proposal. Allowing such a short window of time, 3 weeks, will cause problems for administrators, coaches, and athletes. If an athlete is a multi-sport athlete and coaches from a variety of sports are vying for his/her time during this time which sport will he or she choose? This situation will cause principals to place rigid time lines for sports and actually coaches and athletes will not have the 3 week time period, they will be able to work with the athlete maybe one week. This could cause friction between coaches, coaches and principals, and athlete and coach.

A more sensible approach would be to let a coach work with his athlete(s) anytime in the off season. There will be a need for regulations, so those multi-sport athletes will have the opportunity to participate in other sports and not be pressured to specialize in one sport. The following rules could allow this to happen:

1. A coach can work with up to 4 athletes at a time. Most coaches do not want to practice their TEAMS, but they do want to work individually with their athletes. For example, a football coach could work with his quarterback and receivers on passing and catching techniques. A basketball coach could work with his players on shooting techniques. This would give each coach an opportunity to work with players to help them develop better skills individually. After all, this is what we are trying to achieve. We want to allow our athletes the opportunity to improve individually.
2. To protect the multi sport athlete the months of August, mid-November to mid-December, and March will be dead months. This is the time that sports are beginning and coaches who are not coaching athletes will not be allowed contact with them. For example, in August, football, volleyball, cheerleading, soccer, golf, and cross-country begin. So, only those coaches will be allowed contact with athletes. Basketball, wrestling, track, baseball, softball, and tennis coaches would be dead or would not be allowed to work with their athletes. Once September 1 comes, any athlete not participating in an August sport could receive instruction and individual attention by their coaches.
3. During the summer a coach can coach his/her team in summer leagues. This would allow coaches to work with their teams and take away the AAU element, especially in basketball. Football coaches could work with teams in 7 on 7 passing leagues.
4. A coach can attend one team camp with his/her team.

West Virginia is far behind other states in allowing good, qualified coaches to work with the student-athletes. We need to give our athletes the same opportunity that other states give to their athletes to be the best they can be. Thank you.

Sincerely yours,

Allen Osborne

Comments/ Suggestions:

In regard to WVSSAC Rules 127-2.4.2 and 127-2-4.3. Students at the junior high and middle school level who exceed the age limit should not be given special treatment. Having taught in the middle school, I have seen the immaturity level exhibited by these students. Age does not determine maturity. There are plenty of students in high school. School/coaches should not rush kids.

In regard to WVSSAC Rules that govern organized out-of-season practice and related activities during Weeks 50,51, and 52 of the calendar.

Being a parent of 3 students (middle /high school) and a middle school coach, I do not agree in allowing the coaches to start practices earlier than required.

It is hard on the student to make every practice, let alone out-of-season practices that coaches WILL require of them. There are coaches that will "weed out" students if they are unable or choose family vacations or other activities rather than practices. I do not see this as being beneficial to the students/family. That's what school sports are meant for-the children.

Schools and sports coaches are forcing children to pick one or 2 sports or activities earlier and earlier..then get burnt out in high school. Ages 11-14 are optimum learning ages for sports in the development of a child. Coaches are becoming too demanding and unaccommodating.

We need to develop better coaches. Not allow them to monopolize or waste time with longer and more unscheduled practices.

Speaking as a parent, coaches are turning kids off with their lack of consistency/direction and vision for their teams.

Thank you ,

Marcia Ritchie

Dear Mr. McClung:

I am writing in reference to Proposals #17 & #18 in regards to the proposed changes in the WVSSAC Rules and Regulations Handbook. I have 25 years of coaching experience, 20 of which I have been and am currently a head varsity boys basketball coach. I have just completed my 3rd year of being the Athletic Director at TVHS.

The people who support these proposals will say that it will allow our athletes a chance to improve themselves during this 3 week period. In reality, the coaches are more concerned with building team concepts and running team plays than they are with individual progress. These 2 proposals will cause a great amount of stress and discord between coaches of multi-sport athletes as someone will have to decide with which team the athlete will spend either all or the majority of the limited available time.

If the proponents of these proposals are truly concerned about the individual athlete, then let's have a rule that allows the coach to work only with small groups (3 or less) or just single individuals during the off season whenever the opportunity presents itself. Rather than scheduling the entire team for practices over a concentrated 3 week period, the small group settings would allow more flexibility for the individual athlete and the families involved. Our goals should be for more improvement for the individual athlete rather than improving the teams.

Please see fit to defeat Proposals #17 & #18.

Sincerely,

Coach Tom Wamsley

Head Boys Varsity Basketball Coach
