Dear Judy:

We wish to withdraw the Secretary of State's proposed rule 153CSR28 (Agencies Designated To Provide Voter Registration Services) filed in your office on July 25, 2002, as requested by the Legislative rule-marking review committee on Sept 16, 2002. The reason for this request is that no changes were made to the existing rule since no agency changes occurred.

If the first page of this form indicates that your agency has agreed to modify the proposed rule in accordance with a motion adopted by the Committee, your agency should consult with the Committee's Counsel on the preparation of the modifications. By Monday, September 30, 2002, your agency must file 1 copy of your modified rule with the Secretary of State's Office and 10 copies with the Legislative Rule-Making Review Committee.

W.Va. Code §29A-3-12 requires that this Committee submit its report to the full Legislature by the twentieth day of the Regular Session, and by that time, all Bills of Authorization must be ready for introduction. The date that you filed your modified rule in the Secretary of State's Office must be included in the Bill of Authorization.

Please disregard this notice if you have already filed your final, modified rule. Committee rules state that a copy of this letter must be on file for each agency filing a rule.

Sincerely,

Teri Anderson  
Administration Assistant

It was the Committee's opinion that as long as the Secretary of State reviews the Agencies every two years and if no changes are being made to the proposed rule, it does not need to be refiled and the Secretary of State should withdraw the proposed rule.
