Rita"

We would like to add the following language to 153-30, which is on the agenda on Tuesday. Please let me know what you will do.

Add a new section, to read as follows:

153-30-9.8

"The Office of Technology, through its chief technology officer or his or her designee, may initiate procedures and practices ^{to allow} ~~for the establishment of~~ the state to serve as its own state certificate authority and repository, subject to authorization and approval by the secretary of state."

Thanks,

Judy
