EMERGENCY RULE DECISION
(ERD 8-06)

AGENCY: State Tax Department
RULE: New Rule, 110CSR10J, Abusive Tax Shelters
FILED AS AN EMERGENCY RULE: June 2, 2006

- par. 1 The State Tax Department (Department) has filed the above new rule as an emergency rule.
- par. 2 W. Va. Code 29A-3-15a requires the Secretary of State to review all emergency rules filed after March 8, 1986. This review requires the Secretary of State to determine if the agency filing such emergency rule: 1) has complied with the procedures for adopting an emergency rule; 2) exceeded the scope of its statutory authority in promulgating the emergency rule; or 3) can show that an emergency exists justifying the promulgation of an emergency rule.
- par. 3 Following review, the Secretary of State shall issue a decision as to whether or not such an emergency rule should be disapproved [§29A-3-15a].
- par. 4 (A) Procedural Compliance: W. Va. Code §29A-3-15 permits an agency to adopt, amend or repeal, without hearing, any legislative rule by filing such rule, along with a statement of the circumstances constituting the emergency, with the Secretary of State and forthwith with the Legislative Rule-Making Review Committee (LRMRC).
- par. 5 If an agency has accomplished the above two required filings with the appropriate supporting documents by the time the emergency rule decision is issued or the expiration of the forty-two day review period, whichever is sooner, the Secretary of State shall rule in favor of procedural compliance.
- par. 6 The Department filed this emergency rule with supporting documents with the Secretary of State June 2, 2006 and with the LRMRC June 2, 2006.
- par. 7 It is the determination of the Secretary of State that the Department has complied with the procedural requirements of W. Va. Code §29A-3-15 for adoption of an emergency rule.
- par. 8 (B) Statutory Authority -- W. Va. Code §11-10E-2(b) reads:

(b) The department is authorized to adopt rules (including interpretive and emergency rules), issue forms and instructions, issue administrative notices, and take such other actions as it deems necessary to implement the provisions of this article.

par. 9 It is the determination of the Secretary of State that the Department has not exceeded its statutory authority in promulgating this emergency rule.

par. 10 (C) Emergency -- W. Va. Code §29A-3-15(f) defines "emergency" as follows:

(f) For the purposes of this section, an emergency exists when the promulgation of a rule is necessary for the immediate preservation of the public peace, health, safety or welfare or is necessary to comply with a time limitation established by this code or by a federal statute or regulation or to prevent substantial harm to the public interest.

par. 11 There are essentially three classes of emergency broadly presented with the above provision: 1) immediate preservation; 2) time limitation; and 3) substantial harm. An agency need only document to the satisfaction of the Secretary of State that there exists a nexus between the proposal and the circumstances creating at least one of the above three emergency categories.

par. 12 The facts and circumstances as presented by the Department are as follows:

On March 9, 2006, the Legislature enacted HB 4630 for the purpose of enacting the Tax Shelter voluntary Compliance Program. This Program is to be conducted between August 1, 2006 & November 1, 2006.

The regulation of tax shelters is rather complex & will continue subsequent to the completion of the voluntary compliance program. In order to effectively regulate tax shelters, it is necessary to assure that the activity in West Virginia dovetails with the activities of the IRS. In accordance with the foregoing, the Tax Department will establish audit guidelines that will be effective July 1, 2006, the start of many fiscal years.

The purpose of the rule is to provide the structure for audit guidelines and necessary information to affected taxpayers. The bill also provides a time frame for affected tax shelters.

Affected taxpayers need to have appropriate notice so as to enable them to properly manage their respective affairs. Even though the legislative rule will not go through the legislature until the 2007 session, taxpayers need to have the Tax Department's applicable policies for the relevant time frames in order to legally avoid substantial penalties. Those time frames commence well before the 2007 Legislative Session.

Because the rights & Property interests of some taxpayers will be affected by the regulation of tax shelters, it is necessary for this rule to be effective on an emergency basis.

- par. 13 It is the determination of the Secretary of State that this proposal qualifies under the definition of an emergency as defined in §29A-3-15(f). . . "prevent substantial harm to the public interest"
- par. 14 This decision shall be cited as Emergency Rule Decision 8-06 or ERD 8-06 and may be cited as precedent. This decision is available from the Secretary of State and has been filed with the State Tax Department, the Attorney General and the Legislative Rule Making Review Committee.
