CITE AUTHORITY: W. Va. Code §5B-1-13a

EMERGENCY AMENDMENT TO AN EXISTING RULE: YES X, NO _____

IF YES, SERIES NUMBER OF RULE BEING AMENDED: Series 1

TITLE OF RULE BEING AMENDED: Rules Governing Public Use of West Virginia State Parks, State Forests, and State Hunting and Fishing Areas under the Division of Tourism and Parks.

TITLE OF RULE BEING FILED AS AN EMERGENCY: _____

THE ABOVE RULE IS BEING FILED AS AN EMERGENCY RULE TO BECOME EFFECTIVE UPON FILING.

THE FACTS AND CIRCUMSTANCES CONSTITUTING THE EMERGENCY ARE AS FOLLOWS:

This emergency rule removes the prohibition on alcoholic beverages within the boundary of Stonewall Jackson Lake State Park. When the prohibition was effected, there were no facilities in the park, nor management or law enforcement personnel. Now all are present; therefore, alcoholic beverages will not cause a problem. In order to rent the public facilities and schedule public social functions, it is essential that the prohibition be removed immediately. The rule change is needed immediately to properly serve the public and to rent the public facilities; therefore, it is in the interest of the public welfare.

Also, reference to Grandview State Park was stricken from the above section because the area was transferred to the National Park Service effective as of October 1, 1990, and is no longer under jurisdiction of the State of West Virginia.

The rule title heading, the rule series heading, and section headings are amended to reflect West Virginia Code changes in agency

names.

STATE OF WEST VIRGINIA

SECRETARY OF STATE

Charleston 25305

DECISION EMERGENCY RULE DECISION (ERD 48-90)

AGENCY: West Virginia Division of Tourism and Parks
RULE: Amendments, Series 1, Rules Governing Public Use of
West Virginia State Parks, State Forests, and State
Hunting and Fishing Areas under the Division of
Tourism and Parks

FILED AS AN EMERGENCY RULE: November 7, 1990

- par. 1 The Division of Tourism and Parks has filed emergency amendments to the above emergency rule.
- par. 2 West Virginia Code 29A-3-15A requires the Secretary of State to review all emergency rules filed after March 8, 1986. This review requires the Secretary of State to determine if the agency filing such emergency rule 1) has complied with the procedures for adopting an emergency rule; 2) exceeded the scope of its statutory authority in promulgating the emergency rule; or 3) can show that an emergency exists justifying the promulgation of an emergency rule.
- par. 3 Following review, the Secretary of State shall issue a decision as to whether or not such an emergency rule should be disapproved [29A-3-15a(a)].
- par. 4 (A) Procedural Compliance: WV Code 29A-3-15 permits an agency to adopt, amend or repeal, without hearing, any legislative rule by filing such rule, along with a statement of the circumstances constituting the emergency, with the Secretary of State and forthwith with the Legislative Rule-Making Review Committee (LRMRC).
- par. 5 If an agency has accomplished the above two required filings with the appropriate supporting documents by the time the ERD is issued or the expiration of the forty-two day review period, whichever is sooner, the Secretary of State shall rule in favor of procedural compliance.
- par. 6 The Division of Tourism and Parks has filed this emergency rule with supporting documents with the Secretary of State on November 7, 1990 and with the LRMRC on November 8, 1990.

par. 7 It is the determination of the Secretary of State that the Division of Tourism and Parks has complied with the procedural requirements of WV Code §29A-3-15 for adoption of an emergency rule.

par. 8 (B) Statutory Authority -- WV Code §5B-1-13a reads in part:

In addition to the powers and duties vested in the commissioner elsewhere in this chapter, he shall have the power and duty to establish and maintain a state park and recreation system, and to do all things necessary and incident to the development and administration thereof. Individual projects of such system may be financed from any moneys of the department available for such purposes, or by the issuance of park development revenue bonds as provided in this section.

The purposes of such system shall be to promote conservation by preserving and protecting natural areas of unique or exceptional scenic, scientific, cultural, archaeological or historic significance, and to provide outdoor recreational opportunities for the citizens of this state and its visitors. In accomplishing such purposes the commissioner shall, insofar as is practical, maintain in their natural condition lands that are acquired for and designated as state parks. The commissioner may promulgate rules and regulations to control such uses, subject to the provisions of §29A-1-1 et seq. of this code, and may further provide for the construction and operation of cabins, lodges, resorts, restaurants and other developed recreational and service facilities. The commissioner shall not permit public hunting, the exploitation of minerals or the harvesting of timber for commercial purposes of any state park.

par. 9 It is the determination of the Secretary of State that the Division of Tourism and Parks has not exceeded its statutory authority in promulgating this emergency rule.

par. 10 (C) Emergency: WV Code 29A-3-15(g) defines "emergency" as follows:

(g) For the purposes of this section, an emergency exists when the promulgation of a rule is necessary for the immediate preservation of the public peace, health, safety or welfare or is necessary to comply with a time limitation established by this code or by a federal statute or regulation or to prevent substantial harm to the public interest.

par. 11 There are essentially three classes of emergency broadly presented with the above provision: 1) immediate preservation; 2) time limitation; and 3) substantial harm. An agency need only document to the satisfaction of the Secretary of State that there exists a nexus between the proposal and the circumstances creating at least one of the above three emergency categories.

par. 12 The facts and circumstances as presented by the Division of Tourism and Parks are as follows:

This emergency rule removes the prohibition on alcoholic beverages within the boundary of Stonewall Jackson Lake State Park. When the prohibition was effected, there were no facilities in the park, nor management or law enforcement personnel. Now all are present; therefore, alcoholic beverages will not cause a problem. In order to rent the public facilities and schedule public social functions, it is essential that the prohibition be removed immediately. The rule change is needed immediately to properly serve the public and to rent the public facilities; therefore, it is in the interest of the public welfare.

Also, reference to Grandview State Park was stricken from the above section because the area was transferred to the National Park Service effective as of October 1, 1990, and is no longer under jurisdiction of the State of West Virginia.

The rule title heading, the rule series heading, and section headings are amended to reflect West Virginia Code changes in agency names.

par. 13 It is the determination of the Secretary of State that this proposal qualifies under the definition of an emergency as defined in 29A-3-15(g) . . . "immediate preservation of public peace, health safety or welfare," and to provide facilities to the public.

par. 14 This decision shall be cited as Emergency Rule Decision 48-90 or ERD 48-90 and may be cited as precedent. This decision is available from the Secretary of State and has been filed with Division of Tourism and Parks, the Attorney General and the Legislative Rule Making Review Committee.
