Series III

ABSTRACT

There are basically three proposed revisions to Series III, in addition to the new section numbering system required by the Secretary of State's procedures.

First, a new General section has been added to provide the scope of the regulation. Old Section 2, Coin Operated laundries, has been changed to be consistent with Old Section 3, Coin Operated Car Wash. And third, Old Section 4.01(a)(1)(iv), Multiple cell, has been expanded to clarify the intention of the Board regarding multiple cell requirements.
