Dear Mr. Secretary:

In a review of the West Virginia Register I noted that the Water Resources Board's Laboratory Certification and Standards of Performance rules were listed in your Rule Monitor. Please be advised that the Board withdrew this proposal on September 14, 1988 and I inadvertently failed to notify your office of this action.

Please accept this letter as a formal notice of this withdrawal. If you have any question do not hesitate to contact this office.

Very truly yours,

STATE WATER RESOURCES BOARD

Frances E. Hunter
Executive Secretary
